by the conference forces, and has suffered officials, who is the many thousands of greedy that the whole officials, who is affected of the whole accommodations. They are more raweous than the local land. They are more raweous that the second flow will be mainly accepted by poss-binself to an attack by Schofield, advantagement of the State Libratian, whose accommodations, cing against bind from Withlington, as indicated in his report of 1861, was restricted to but two rooms of very limited capacity, the state is but two rooms of very limited capacity, the state is but two rooms of very limited capacity, the state is but two rooms of very limited capacity, the state is but two rooms of very limited capacity, the state is but two rooms of very limited capacity, the state is an attack by poss-binself to an attack by poss-binself to

We are weder obligations to Hon Il. B Etonen, for valuable State documents. The Legislature adjourned, on Friday last

THE RECENT FLOODS have wanted immense waters. The Allegbany was higher than ever walley is one continued scene of devastation. Lumber, Logs, small Dwelling Houses, Barns, Bridges, &c., were swept away. At Portville the water was six inches over the store counters. Oildom was swept clean. The damege to Railronds and canala has been immense.

Prace Rusons -Since the high water out out communications with the world we have had all sorth of rumors in regard to the war, the past four years, the bliny trace of fraud and probable prospects of peace. One item of is visible. Public virtue has been corrupted. news informed us that Beauregard had been Honesty is scarcely honorable any longer, and defeated and thirty thousand prisoners cap. dishonesty has ceased to be regarded as distured. Another that Lee had surrendered to Grant, and that deff. Davis had resigned, and still another, that the draft was indefinitely. postponed, and those already drafted were not to report until further orders.

Of course every body left well, and were anticipating a big time when the papers should of the foul means by which his wealth was be received verrifying the good news. One gained, is perfectly cognizant of the fact that very loyel office-holder, who had been drafted be has cheated the Government and swindled and hired a substitue, offered stoo to be and hired a aubstitue, offered \$100 to be released from his bargain, being very anxious. The very heart of the nation is corrupt. The to devote himself to the good cause, and fight public conscience has been seared as with a to the bitter and in putting down this wuholy, (but now defunet) rebellion against the "best Government, When at lest the long waited Everywhere, in all departments, in every for mails, arrived; we are again disappointed. The war still goes on; fighting men are still needed, and our patriotic friend still remains at home to discharge his official duties.

We understand Mr. Jones, engineer of the McKean county Rallroad, is about to extend a survey of the road to connect with the Philadelphia and Erie. This will delay the con-

that the question of oil, or no oil, will be thoroughly teated. Other companies, we are assured, contemplate sicking wells in our County the present summer.

we hope no one will attempt to pronounce, the Roport as beretofore, a "copperhend lie."

A CHAPTER ON SUBSTITUTES. -- As the entollment law now exists, only persons not liable to draft can become substitutes for enrolled. men before the draft. Of course for such we must look to the list of exempts persons under newspapers. Surely. Forney, ought to be twenty and over forty-five, aliens, and such as good authority on a subject with which he is have served two years since the present war.

It should not be forgotton that the regulations require that a man who offers himself as a substitute for an enrolled man, must prove his non-liability to draft in the same way that he would be required to do if he were drafted and claime exemption for the same reason. In all cases of furnishing achietitutes in lieu of dran. the principal is exampt only so long as the substitute is not liable, not exceeding the time for

five months of age, the principals exempt for principal is exempt for his term of enlistment, wat. A few ind dge in curses that a poralthough the alien himself may determine his drafted man furnishen a gulistitute can, under no circumsance, be exempt for a longer speriod than the time for whichhe was dealted. Neither that sixteen individuals in the employ of the substitutes for dealted or enrolled men, nor Northern Central Road, about the machine shop, drafted men themselves, are allowed ony choice &c., in Sunbury, here been arrested and bount Attigued on the first of the first for
