**LEIBIG'S ESSENTIAL COFFEE,**  
The most healthy,  
The most economical,  
The most delicious.

**PREPARATION OF COFFEE**  
IN THE WORLD.  
**OLD OR NEW.**  
This Coffee is prepared under a formula from the great German Chemist

**PROFESSOR LEIBIG,**  
and gives the essential full strength and delicious flavor of OLD GOVERNMENT JAVA COFFEE, which is the only quality of Coffee used in its preparation, without any of the narcotic quality which so sadly damages the nervous system in the use of even the best grades of Coffee as ordinarily prepared.  
It gives the essential tonic and diuretic elements of Dandelion, without the "herby" or "earthy" taste so disgusting, and yet always found in the ordinary Dandelion Coffee.  
It is known to all acquainted with chemistry that the essence, or oil, or whatever name may be given it, when properly and scientifically obtained from any herb or plant, is a far different article from that produced by putting that plant into water and boiling it out—permitting the essence of the most exquisite and reliable strength and leaving the coarse and earthy drugs precipitated or in solution.  
As this preparation combines the exquisite aroma of the Java Coffee, with the highest essential excellence of the most choice Dandelion—yielding the spirit without the grosser earthy body of both; thereby avoiding the deleterious effects of both and becoming at the same time

**THE MOST DELICIOUS BEVERAGE**  
AND  
The most Health-giving and Restoring Drink  
Known in the World—being at once sovereign remedy instead of producer of  
DYSPEPSIA, AND GENERAL NERVOUS DEBILITY,

**FEATURING, FULNESS OF THE HEAD,**  
DIZZINESS, COSTIVENESS, AND  
DISEASES OF THE LIVER  
AND KIDNEYS,  
because of its great Tonic and Diuretic qualities.  
The simple fact that the preparation is from Baron Leibig will commend it to the attention of the scientific in all parts of the country, while the use of it will at once and permanently prove to the masses everywhere that it is the long needed desideratum—in its way.  
The immense popularity of this Coffee in the Old World is an earnest that its use and popularity in America is bound to become continental wide.  
Another consideration not to be overlooked in regard to the matter, is that  
**It Costs Less than ordinary Green Coffee**

And requires less than half the quantity to give the same degree of strength, and its use proves it at 25 cents a pound to be cheaper than Mocha Coffee at 15 cents a pound.  
Neatly packed in pound papers with full instructions for use on each label, in **SIXTY POUND BOXES.** Price 30 cents per pound. A liberal discount to the trade.

Your attention is also called to the EMPIRE SHUTTLE, Patented Jan. 26th, 1860.  
It is well known that a Shuttle with a spring centre is preferable to any other—but a great objection against its use, was on account of its spring getting out of order, having then to be put in the hands of a skillful mechanic to be repaired.  
The Empire Shuttle is so simple that any operator can repair it without loss of time or expense.

**SHAKE AND BURN!** Shake and Burn! Shake and Burn!  
This is the life of agony endured by the sufferer from Fever and Ague. He wanders like an uncertain shadow, never knowing what moment he may be prostrated, and therefore disinclined to give any serious attention to business. This is the condition of thousands in town and country. It is no exaggeration to say that Fever and Ague kills more people than any twenty other diseases in America. For a sure and speedy cure of this terrible affliction, we take great pleasure in recommending **HOSSETTER'S STOMACH BITTERS**, which have already achieved a wide reputation for rapid and powerful effects in renovating the system prostrated by this disease.

**Great Improvements in Sewing Machine,**  
**EMPIRE SHUTTLE MACHINE**  
Patent of February 14th, 1860

**SALESROOM 431 BROADWAY**  
This Machine is constructed on entirely new principles of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts and pronounced to be SIMPLICITY and PERFECTION COMBINED.  
The following are the principal objections urged against Sewing machines:  
1.—Excessive fatigue to the operator.  
2.—Liability to get out of order.  
3.—Expense, trouble and loss of time in repairing.  
4.—Incapacity to sew every description of material.  
5.—Disagreeable noise while in operation.  
The Empire Sewing Machine is Exempt all these objections.  
It has a straight needle perpendicular action, makes the Lock or Shuttle Stitch, which will neither Rip nor pull, and is like of both sides, performs perfect sewing on every description of material, from Leather to the finest Nankook Ruslin, with cotton, linen or silk thread, from the coarsest to the finest number.  
Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is EMPHATICALLY A NOISELESS MACHINE!  
It requires FIFTY PER CENT less power to drive it than any other machine in market. A girl twelve years old can work it steadily, without fatigue or injury to health.  
Its strength and WONDERFUL SIMPLICITY of construction render it almost impossible to get out of order, and is GUARANTEED by the company to give entire satisfaction.  
We respectfully invite all those who may desire to supply themselves with a superior article, to call and examine this UNRIVALLED MACHINE.  
But in a more special manner do we solicit the patronage of

**HOSSETTER'S CELEBRATED STOMACH BITTERS.**

**STOMACH, LIVER AND BOWELS.**  
Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special  
Fothing that is not wholesome, general and restorative in its nature enters into the composition of **HOSSETTER'S STOMACH BITTERS.** This popular preparation contains no mineral of any kind, no deadly botanical element, no fiery extract; but it is a combination of the purest and mildest of all diffusive stimulants.  
It is well to be forewarned against Quacks, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water, and other external causes, **HOSSETTER'S BITTERS** may be relied on as a safeguard.  
In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of an attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of their marvelous medicine. Fever and Ague patients, after being pined with quinine for months, in vain, until fairly saturated with that dangerous alkaloid, find no relief frequently restored to health within a few days by the use of **HOSSETTER'S BITTERS.**  
The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Disipation and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.  
Persons of feeble habit, liable to Nervous Attacks, Loss of Spirit and Fits of Langour, and prompt and permanent relief from Bitters. The testimony on this point is most conclusive, and from both sexes.  
The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.  
As a General Tonic, **HOSSETTER'S BITTERS** produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility, and Docility arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to reinforce and re-establish them.  
Last but not least, it is the Only Safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.  
No family medicine has been so universally, and it may be truly added, deservedly popular with the intelligent portion of the community, as **HOSSETTER'S BITTERS.**  
Prepared by **HOSSETTER & SMITH, Pittsburg, Pa.**

**FINKLE & LYON'S SEWING MACHINES.**  
These Machines make the lock stitch alike on both sides, and use less than half the thread and silk that the single or double thread loop stitch Machines do; will Sew, Fall, Gather, Cord, Braid, Bind, &c., and are better adapted than any other Sewing Machines in use to the frequent changes and great variety of sewing required in a family; for they will sew from the finest gauze to the heaviest beaver cloth, or even the stoutest harness leather, without changing the feed, needle, or tension, or making any adjustment of Machine whatever. They are simple in construction, and easily understood; and if any part is broken by accident, it is readily replaced.  
These are peculiar facts, and will go further to determine the choice of any intelligent buyer.
