It will speak independently on all State and National questions, awarding to each that support which its merits may demand, never hesitating, however, to condemn such measures, as in the opinion of the editor is justly warranted, holding as a first principle :

Believing that the great principles of democracy are disregarded by the present Chief Magistrate of the Nation, MARTIN VAN BUREN, the JEFFERSONIAN REPUBLICAN, will decidedly, but honorably oppose his re-election to the high and responsible station which he now holds.

LADIES' COMPANION. New Volume commenced with the Nov. Number.

Since the publication of the number for May, the demand for the Ladies' Companion has been unprecedented and beyond the most sanguine anticipations. At the commencement of the volume an additional number of copies were printed, which was considered at the time adequate to saleave a considerable number on hand for subsequent calls. The proprietor feels grateful for that encouragement which has been so lavishly bestowed upon his magazine, and at the same time he begs to assure the readers of the Ladies' Companion, that it is determined resolution to meet it with a corresponding liberality to merit its continuance. The work appears in beautiful new type, printed on the finest paper ; smoothly pressed, and neatly stitched in a handsome cover.

The Ladies' Companion contains a larger quantity of reading than any other magazine issued in in this country, and its subscription price is only three dollars a year, while the great combination of talent secured for the coming year will render it unequalled by any other periodical.

PUBLIC OPINION from whose decision there is no appeal, has been so often and so loudly manifested in favor of BRANDRETH'S VEGETABLE U NIVERSAL PILLS, that it is not surprising there should be found in almost every city, town, and village in the United States, persons so depraved at heart, and so utterly devoid of the principal of cle, and palm it off on the unsuspecting public as the genuine medicine, from the use of which so many happy results have already accrued to humanity. It is painful to think that an inestimable good should be product of direct and immediate

evil-but so it is. The very excellence of Brandreth's Vegetable Universal Pills, has in some respects,, opened a spesies of high-way through which cupidity and avanotwithstanding the frequency of exposure already made-notwithstanding the indelible disgrace which has been heaped upon connterfeit druggists -notwithstanding the large amount of human suffering which has been the consequence of this imposition and fraud, druggists continue to carry on this revolting traffic ; and counterfeits are as nu-merous and as varied in the market as if no denunciation had ever been made, and public indignation never been expressed.

Since, however, this destructive evil still exists, and neither the fear of God, nor of earthly punishment, can entirely put it down, it becomes my imperative duty again and again to caution the public against purchasing pills of a druggist, professing to be Brandreth's Pills for as under no circumstances is any of this class made an Agent, it follows of course that the Pills sold at such places professing to be Brandreths Pills are universally base counterfeits, highly injurious to the health of the People.

This certificate is renewed every year and when over twelve months old, it no longer guarantees the genuineness of the medicine. It would be well, therefore for purchasers carefully to examine the certificate, the seal of which is neatly embossed on the paper, in order at least that the safeguard of imposition may not at least be suscep-
