TO AVOID DISEASE AND ATTAIN HEALTH IS NOW IN THE POWER OF EVERY ONE.—DR. BENJAMIN BRANDRETH'S Vegetable Universal Pills,

Introduced into the United States, May 18, 1835. There has never been an instance of these celebrated Vegetable Universal Pills not giving relief and perseverance in old, obstinate cases, is sure making a cure, provided nature is not entirely exhausted. They have cured since their introduction into this country at least 20,000—twenty thousand persons—of diseases heretofore always considered incurable. It is only five years since I opened the first office for the exclusive sale of this medicine in New York; yet, in that time I have sold over twelve millions of boxes, and have now eighteen offices for their exclusive sale, at least one in every principal city in the Union, at an expense of near forty thousand dollars per year—And with the expenses of advertising, and other incidentals, the sum was a little over One Hundred and Thirty Thousand Dollars for the year 1839; some idea may be formed how the medicine is appreciated from these facts: they are indeed the greatest blessing that ever yet has been bestowed on man.

I have often found persons desirous to know how soon this medicine will cure them. It is impossible to say—it altogether depends upon the state of the blood and humors. One thing may be relied upon—that if the pills are persevered with according to the printed direction which accompanies each box, the cure will be effected much sooner than the patient could have expected. The many lingering chronic diseases we daily see, are owing either to mercury or bleeding, or to not having been properly purged in fevers, inflammations, colds, measles, small pox or lying in. It is utterly impossible for us to attain or keep health without sound purging. We may fasten up the disorder by barks and tonics, but if it be in the body, it must come out before health is enjoyed, and sooner or later it will break out of itself, worse than ever; if this method of purifying the body is delayed too long. No danger can arise from purging with Brandreth's Pills. It has been proved, beyond doubt, that these celebrated Pills and the human body are naturally adapted one for the other. By the use of this Glorious Medicine the contents or humors of the body, can be entirely evacuated, altered, and completely regenerated; and in a manner so simple as to give every day ease and pleasure.

Brandreth's Pills are no less a cure than a preventive of diseases. When we feel dull, pain in the head, back, or side—weariness on the least exertion—it is then we ought to take a dose of these Pills. This will always have a good effect, because it is impossible for pain to be in the body without the presence of those humors which produce it, and it is only by their being forced out with purging that health can be restored. All that I have been able to ascertain, either by experience or from books has confirmed me in the opinion, that pain, every feeling contrary to health, is produced when the natural outlets of the body become incapable of discharging the corrupt humors generated in the body, as fast as nature requires their expulsion. And that to secure health, we have only to purge ourselves, until health is restored. A practice which experience has established, is fully able to produce this result, without the possibility of any injurious effects. They who have adopted this simple plan have secured the best state of health their bodies were capable of enjoying. The weak have become robust. The robust have become more so. All mankind would be benefited by this practice, except physicians; and they would be bodily, though not professionally.

Let me now recommend two things, never be bled, and never go to a Druggist for Brandreth's Pills. The first weakens the principle of life, and long keeps the blessings of health from the body. And the last, to purchase a Pill called Brandreth's of a Druggist, is to insure the purchaser a base counterfeit, entirely incapable of producing the beneficial results of the genuine medicine. To insure this it must be purchased of the undermentioned Agents duly appointed by me, and who hold a regular certificate of agency, which is renewed yearly. There is an agent with one of these certificates in every town in the United States. Those purchasing at wholesale, must remember that all my travellers have a power of Attorney, regularly proved to be my act before the Clerk of the county of New York.

The following is a list of names of all the Agents in Monroe and Pike counties. To purchase of any in these Counties not mentioned in this list will subject the purchaser to sure deception.

THE CONSTITUTION.

What is that we call the Constitution? The constitution is evidently that which constitutes, and that which constitutes is the blood. We, therefore, know that the blood is the constitution, and that a good or bad constitution is neither more nor less than a good or bad state of the blood. There is no person who, having lost health, does not wish to have it restored. Use then the proper means. Expel with Purgative Medicine all corrupt humors from the body, and the blessing, Health, will be the certain result: for all pains or unpleasant feelings proceed from the presence of corrupt or vitiated humors, which are the real cause of every disease, and therefore the only disease to which the human frame is subject, because they clog up the veins and arteries, and prevent the free circulation of the blood.

Brandreth's Vegetable Universal Pills cure this disease: because they remove the corrupt or vitiated humors by the stomach and bowels, leaving the good humors to give life and health to the body. It is morally impossible that they can fail to cure, provided Nature is not entirely exhausted.

Dr. Brandreth's Office for the sale of his pills in Philadelphia, is No. 8, North Eighth street. Sold in Stroudsburg, by RICHARD S. STAPLES, in Milford, by J. H. BRODHEAD, and in Monroe and Pike counties, by the agents published in another part of this paper. October 16, 1840.

Stagnation of the Blood.

The repeated changes in the atmosphere, by acting as they do upon the consistency and quality of the blood, give occasion for the most fatal and malignant disorders. The blood from a state of health becomes stagnant and is plunged into a state of corruption.

Thus it loses its purity: its circulation is impeded; the channels of life are clogged; the bowels become costive, and if not an immediate attack of some malignant fever, headache, nausea, loss of appetite, and a general debility of the whole frame are sure to follow.

It requires the tempest and the tornado to bring about a state of purity in the ocean, when its waters become stagnant; and it will require repeated evacuation by the stomach and bowels before the blood can be relieved of its accumulated impurity.

Brandreth's Vegetable Universal Pills, should be taken, then there will be no danger; because they purge from the stomach and bowels these humors which are the cause of stagnation, cleanse the blood from all impurities, remove every cause of pain or weakness, and preserve the constitution in a state of health and vigor that casual changes cannot effect.

Dr. Brandreth's Office for the exclusive sale of his Vegetable Universal Pills, in Philadelphia, is at No. 8, North Eighth street. Price 25 cents per box.

For sale by RICHARD S. STAPLES, in Stroudsburg; in Milford by J. H. BRODHEAD, and in Monroe and Pike counties by agents published in another part of this paper. October 16, 1840.
