Stroudsburg, Pa. May 10, 1841.

Terms, \$2.00 in advance; \$2.25, half yearly; and \$2.50 if not paid before the end of the year.

**FOR GOVERNOR.**  
**JOHN BANKS,**  
OF BERKS COUNTY.

**The Request and the Response.**

"SIR I WISH YOU TO UNDERSTAND THE TRUE PRINCIPLES OF THE GOVERNMENT. I WISH THEM CARRIED OUT. I ASK NOTHING MORE."  
*The last words of GEN. HARRISON.*

"I AM IN FAVOR OF THE DISTRIBUTION OF THE PROCEEDS OF THE SALES OF THE PUBLIC LANDS AMONG THE STATES, AND IN FAVOR OF RAISING THE REVENUE BY DUTIES ON IMPORTS IN OPPOSITION TO A RESORT TO A SYSTEM OF DIRECT TAXATION."

I SHALL PROMPTLY GIVE MY SANCTION TO ANY CONSTITUTIONAL MEASURE WHICH, ORIGINATING IN CONGRESS, SHALL HAVE FOR ITS OBJECT THE RESTORATION OF A SOUND CIRCULATING MEDIUM, SO ESSENTIALLY NECESSARY TO GIVE CONFIDENCE IN ALL THE TRANSACTIONS OF LIFE, TO SECURE TO INDUSTRY ITS JUST AND ADEQUATE REWARDS, AND TO RE-ESTABLISH THE PUBLIC PROSPERITY."

JOHN TYLER.

**Appointments by the President.**

**POSTMASTERS.**

- Jacob Alrichs, at Wilmington, Delaware.
- Charles Troxell, at Reading, Pa.
- David Agnew, at Wheeling, Virginia.
- Charles Martin, at Chillicothe, Ohio.
- Caleb Foote, at Salem, Massachusetts.

We have received the first number of the "Log Cabin Rifle," published at Harrisburg, by H. Montgomery. It is a spirited affair, and judging from the number before us, we have no doubt but its crack, will cause dismay among the followers of Previous Pardon Porter. It will be published for six months, at the exceedingly low rate of fifty cents. We cordially recommend it to the favor of the public.

**Death of Hon. Charles Ogle.**

This distinguished and fearless Representative, died at his residence in Somerset county, on Monday 10th inst., after several months of the most intense suffering. He was taken ill at Washington in the early part of last session, and only sufficiently recovered to be taken home about five weeks since.

The election for members of Congress in Maryland, took place on Monday last.

Doctor Dyott has been released from prison, by a pardon from Governor Porter.

**More Forgeries.**

The Nashville Whig of the 30th says:—"There were rumors in town yesterday of forgeries to the amount of six or seven thousand dollars in the notes discounted of the principal Bank of Tennessee. The spurious notes were manufactured in the adjoining counties of Wilkeson and Rutherford and sent in for discount last fall, with the forged recommendation, in pencil, of the county directors, who it is known by the parties engaged in the villany would not be in attendance at the Board to detect the fraud. Other particulars we do not feel at liberty to go into, until the facts can be thoroughly sifted by the officers of the Bank."

**Arrest of one of the St. Louis Murderers.**

The Louisville Journal says:—"The captain of the Fulton informs us that one of the perpetrators of the late dreadful murder in St. Louis was recently discovered and arrested at Cairo on board the Atalanta. He confessed his guilt, and was put on board the Pre-emption to be taken to St. Louis. The excitement against the wretch was very great, and many expected that, on his arrival at St. Louis, he would be burned at the stake. It must be confessed that the conduct of a St. Louis mob on a certain other occasion affords some ground for such a horrible expectation."

**CLERGYMEN IN THE FIELD TO DAY.**—The Abolitionists of the 5th Congress district in Massachusetts have nominated Cyrus P. Grosvenor, a Baptist clergyman of Worcester, as a candidate for Congress, in opposition to Charles Hudson, a Universalist preacher and a Whig, and Isaac Davis, V. B.

**HONORABLE TESTIMONY.**—The Erie Observer, the editor of which was a warm and ardent supporter of Mr. Van Buren, thus speaks of the People's candidate, JOHN BANKS.

"We are well acquainted with him and know him to be a good citizen and a man of talents."

**"The Guillotine at Work!"**

The poor feeds are raving at the loss of their "spoils," and their moanings are heard throughout the land. The most gross and inconsistent charges are recklessly dealt out against the administration, and the whole odium of the system of removals is sought to be directed against the now dominant party. The National Intelligencer has recently exposed the injustice of these attacks, and proves that locofocoism is not to be beaten in the use of the political guillotine, when it is in power. It shows that within a few months of the first year of the Jackson Administration, persons were removed, in ninety-nine cases of a hundred, merely on account of their political sentiments from a host of offices, of which the following is but a partial enumeration: that is to say—

FIFTEEN Ministers Plenipotentiary, Charges d'Affaires, and Secretaries of Legation.

NINE Marshals and FIFTEEN United States Attorneys.

FORTY-EIGHT Collectors and Principal Revenue officers.

NINE Indian Agents and Navy Agents.

TWENTY-SIX Receivers and Registers of Land Offices.

TWENTY-ONE Consuls for foreign ports.

FOUR HUNDRED AND NINETY-ONE Postmasters.

Besides these direct removals from office by the Executive, there was a host of removals of such persons as held office by secondary appointments, such as clerks, inspectors, &c. in the Custom-house, whom we have no means of numbering.—We have a statement before us, however, which may afford the reader some idea of the extent of those removals. In the Custom-house at Boston alone, out of fifty-eight persons employed in different capacities, forty were removed! In all, there were removed from office, of all grades of civil officers, within the first year of the Jackson Administration, MORE THAN TWO THOUSAND MEN."  
—Pa. Telegraph.

**Another Indian Murder.**

The editor of the Georgian has received by the General Taylor, Capt. Peck, the following letter from an esteemed correspondent:

PILATRA, (E. F.) May 5, 1841.

Dear Sir:—The Western Mail this afternoon, brings us the mortifying news that the war is not over yet. On the afternoon of the 3d inst. a citizen was shot near Fort Tarver, by the Indians; he was penetrated by three balls; yesterday morning he was still alive, and said he saw two of the Indians when they fired. The troops at Micanopy, as soon as the news arrived, were instantly put in motion, to drive these daring marauders from their present haunts near the settlements. It is supposed this outrage was done by Affektusteenuggee's band, who has lately refused to come in to Tampa Bay or negotiate—leaving it to be inferred he intends to be hostile.

**The Result in Kentucky.**

The Delegates in the next Congress will stand 11 Whigs to 2 Loco Focos. The vote in the 5th district, where T. P. Moore attempted to sneak in, stands—Thompson (W.) 2136; Kincaid (W.) 1944; Moore (L. F.) 1747—so Mr. Moore run behind each of the Whigs.

The following are the names of the gentlemen elected:—

- 1st District—Linn Boyd (L. F.) re-elected.
- 2nd District—Philip Triplett, Whig, re-elected over John H. M'Henry, also Whig.
- 3rd District—Joseph R. Underwood, Whig, re-elected, over J. W. Irvin, also Whig.
- 4th District—Bryan Y. Owsley, Whig, over Martin Beatty, Whig, and Nathan Gaither, Loco Foco.
- 5th District—Jno. B. Thompson, Whig, re-elected over John Kincaid, Whig, and Thomas P. Moore, Loco foco.
- 6th District—Willis Green, Whig, re-elected, over John L. Helm, also Whig.
- 7th District—John Pope, Whig, re-elected—no opposition.
- 8th District—James C. Sprigg, Whig, elected, over Wm. H. Field also, Whig.
- 9th District—John White, Whig, re-elected—no opposition.
- 10th District—Thomas F. Marshall, Whig, elected over L. B. Smith, also Whig.
- 11th District—L. W. Andrews, Whig, re-elected over J. C. Mason, Loco foco.
- 12th District—Garret Davis, Whig, re-elected—no opposition.
- 13th District—William O. Butler, Loco foco, re-elected, over W. W. Southgate, Whig.

**TAKEN INTO CUSTODY.**—Locke, the Superintendent of the Farm School, who is accused of the grossest cruelty towards the children, the Boston Post says, has been arrested, and will be indicted, and, if the charges against him are true, we hope be punished. Some of the merciless whippings complained of were inflicted on the boys because they went to bed before the regular hour.—These boys were undressed in their beds. They were all taken out and whipped as they were, in their shirts only, and then were told to stand up by their beds all night, as they were, (in their shirts.) Those who obeyed, it appeared, were let off. Those who did not, but got into bed or sat down, were whipped again, and again called upon to stand up, some a longer and some a shorter time to fulfil the sentence.—Ledger.

**IF** The "Yeoman" a locofoco paper of this Borough, edited by the clique who obtained a previous pardon from the Veto King Porter, for all the libels and atrocities committed by them in Adams county and elsewhere, contains now and then an article of admirable consistency. It says that the amendment offered by Mr. Wright, authorizing suit to be brought against Ovid F. Johnston and James M. Porter for the recovery of fees illegally withdrawn from the Treasury, and which amendment proposed similar suits against Horace Binney and John Sergeant, for services specifically defined and authorized by a law of 1830, was defeated by the federalists. Now the consistency of the Yeoman will be best understood by stating the fact that when Mr. Wright (who since he sold himself to Governor Porter, has been called Mr. Wright Wrong) offered the amendment, he called the yeas and nays on its passage, and not a single member of the Legislature was found foolhardy or base enough to vote for it, except himself! And yet the Yeoman would convey the impression that those whom it facetiously calls the federalists, defeated the amendment! If this be true, Mr. Wright was the only democrat in the House, and if he be a democrat with his vacillating course, vapid speeches and weathercock votes, we have yet to learn the meaning of the term!—Pa. Telegraph.

As an additional attraction, and for the especial gratification of ladies, the music of some popular air, melody or ballad, will be occasionally inserted, so that our readers in the interior will have the advantage of possessing new and favorite music for the voice or piano, almost as soon as it is issued in the large cities.

**WOOD TYPE.**

Cut by Machinery, and warranted superior to any heretofore manufactured.

GEORGE F. NESBITT, Tontine building, corner of Wall and Water streets, New-York, respectfully informs the Printers of the United States, that he has now in full operation his machine for cutting Wood Types, which being an entire new invention, is warranted to cut Types, both plain and ornamental, far superior to any heretofore exhibited to the public; and in proof of the assertion, informs the public that he has obtained Diplomas and Medals from both the American and Mechanic's Institutes of the City of New-York, at their Fairs of 1836, 1838, and 1839, as the books of the Institute will show.

George F. Nesbitt would particularly invite the attention of Printers to the fact, that through the politeness of the proprietors of the Liverpool and Havre line of packets, he has been favored with the latest French and English specimens, that many of the new styles in them are very handsome, and have been got up by him; they were exhibited by him at the Mechanic's Fair in this city, now just closed and pronounced by the Committee of Printers, appointed to examine Types and Specimens, to be superior to any Wood Types ever before exhibited, and having a decided advantage over large Metal Types.

George F. Nesbitt, would also inform the Printers of the United States, that he is ready to cut Types on Wood of any size, from 5 lines Pica, upward, from any of the patterns of small or Types contained in the extensive specimen of Messrs. G. Bruce & Co., or from any new pattern that can be suggested.

George F. Nesbitt is desirous that Printers, and those becoming Agents, should be acquainted with the fact, that his prices are much reduced from those heretofore charged by other manufacturers; that he allows his Agents thirty per cent. commission; that his terms are six months or ten per cent. discount for cash.

Agents are wanted for the following cities, viz: Charleston, Albany, Detroit, Rochester, and Buffalo.

N. B. Printers of Newspapers, who will publish the above for six times, within three months from this date, and will send me a copy of their paper, shall be entitled to \$3 in Types; and should the Types not prove superior to any ever before manufactured, they can be returned, and the money will be paid in place of them.
