**SHERMAN'S WORM LOZENGES**

Ate the greatest worm medicines in the world.  
Dr. Churchill has used them in over fifty cases, cured ten of spasms, and three of fits. He considers them safe and sure, and recommends them to all.  
Mr. J. B. Noyes has used them in his family with entire success, and several of his friends have great confidence in them.  
Col L. Clark cured one of his children of spasms, and one of fits occasioned by worms.  
The Hon. B. B. Beadley thinks they have saved the life of one of his children. It had been a long time in a decline, and was attended by the best physicians without any relief. His family doctor recommended Sherman's worm lozenges as the only hope; he did so, and through the blessing of God his child is now well—another living evidence of their wonderful virtues. Mr. B. says no family should be without them. More than 2,000 certificates might be added to their truly wonderful properties.

Capt Coffin, of Nantucket, consulted Dr. Sherman, on account of his son, 8 years old. He had been in a decline for several months, and attended by four Physicians, who could afford him no relief. His symptoms were leanness, pallid hue, very offensive breath, disturbed sleep, broken off by fright and screaming, headache, a distressing cough, itching of the nose through the day, and of the anus towards night, with slimy discharges from the bowels. The doctor pronounced the case one of worms and recommended his Worm Lozenges. After the first dose the child ran to his parents frightened at the quantity of worms that came from him—he began to mend at once, and before he used one box, was entirely cured.

Benj. F. Goodspeed, 130 Sixth Avenue has always cured his children of worms, by Sherman's Lozenges. He would not be without them in his house on any account.  
The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable, that death was alone looked to for relief. Three doses of Sherman's Worm Lozenges entirely cured her.

Dr. Stevens, one of the most distinguished physicians in this country, says Sherman's worm Lozenges are the safest, best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.

Dr. Castle, 297 Broadway, has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.

These valuable Worm Lozenges can be obtained at the Office of the JEFFERSONIAN REPUBLICAN, Stroudsburg, Monroe county, Pa.  
[Only 31 cts. per box.]

**Stagnation of the Blood.**

The repeated changes in the atmosphere, by acting as they do upon the consistency and quality of the blood, give occasion for the most fatal and malignant disorders. The blood from a state of health becomes stagnant and is plunged into a state of corruption.

Thus it loses its purity: its circulation is impeded; the channels of life are clogged; the bowels become costive, and if not an immediate attack of some malignant fever, headache, nausea, loss of appetite, and a general debility of the whole frame are sure to follow.

It requires the tempest and the tornado to bring about a state of purity in the ocean, when its waters become stagnant; and it will require repeated evacuation by the stomach and bowels before the blood can be relieved of its accumulated impurity.

**Brandreth's Vegetable Universal Pills,** should be taken, then there will be no danger; because they purge from the stomach and bowels these humors which are the cause of stagnation, cleanse the blood from all impurities, remove every cause of pain or weakness, and preserve the constitution in a state of HEALTH and VIGOR that casual changes cannot effect.

Dr. Brandreth's Office for the exclusive sale of his Vegetable Universal Pills, in Philadelphia, is at No. 8, North Eighth street. Price 25 cents per box.

For sale by **RICHARD S. STAPLES,** in Stroudsburg; in Milford by **J. H. BRODHEAD,** and in Monroe and Pike counties by agents published in another part of this paper.

**WOOD TYPE.**

Cut by Machinery, and warranted superior to any heretofore manufactured.

**GEORGE F. NESBITT,** Tomine building, corner of Wall and Water streets, New-York, respectfully informs the Printers of the United States, that he has now in full operation his machine for cutting Wood Types, which being an entire new invention, is warranted to cut Types, both plain and ornamental, far superior to any heretofore exhibited to the public; and in proof of the assertion, informs the public that he has obtained Diplomas and Medals from both the American and Mechanic's Institutes of the City of New-York, at their Fairs of 1836, 1838, and 1839, as the books of the Institute will show.

George F. Nesbitt would particularly invite the attention of Printers to the fact, that through the politeness of the proprietors of the Liverpool and Havre line of packets, he has been favored with the latest French and English specimens, that many of the new styles in them are very handsome, and have been got up by him; they were exhibited by him at the Mechanic's Fair in this city, now just closed and pronounced by the Committee of Printers, appointed to examine Types and Specimens, to be superior to any Wood Types ever before exhibited, and having a decided advantage over large Metal Types.

George F. Nesbitt would also inform the Printers of the United States, that he is ready to cut Types on Wood of any size, from 5 lines Pica, upward, from any of the patterns of small or Types contained in the extensive specimen of Messrs. G. Bruce & Co., or from any new pattern that can be suggested.

George F. Nesbitt is desirous that Printers, and those becoming Agents, should be acquainted with the fact, that his prices are much reduced from those heretofore charged by other manufacturers; that he allows his Agents thirty per cent. commission; that his terms are six months or ten per cent. discount for cash.

Agents are wanted for the following cities, viz: Charleston, Albany, Detroit, Rochester, and Buffalo.

N. B. Printers of Newspapers, who will publish the above for six months, within three months from this date, and will send me a copy of their paper, shall be entitled to \$3 in Types; and should the Types not prove superior to any ever before manufactured, they can be returned, and the money will be paid in place of them.

**Harrison's Specific Ointment.**

The great celebrity of this unrivalled Composition—especially in the Northern States—leaves the proprietor but little need to say any thing in its favor; for it has been generally conceded to it, that it is beyond all comparison the best remedy for external complaints that has ever been discovered. Indeed the speed and certainty of its operations have the appearance of miracles: as ulcers, wounds, corns, fever sores, chilblains, white swellings, bites, piles, spider and snake bites &c.—immediately yield to its apparently super human influence. Thus if properly applied it will remove an inveterate, corn or break and heal a bite in five days, will allay and perfectly cure an ulcer in two weeks; and the most desperate cases of white swelling that can be imagined, have been destroyed by it in less than two months. In the bites of poisonous reptiles its efficacy is truly surprising; and even in the bite of a rabid dog, for if applied in time, its powers of attraction are so wonderful that they will at once arrest the poison and thus prevent it from pervading the system. It is likewise greatly superior to any medicine heretofore discovered for the chafed backs and limbs of horses—for tetter, ring worms, chapped lips,—and in short for every external bodily evil that may fall to the lot of man or beast.

The proprietor has received at least a thousand certificates and other documents, in favor of his "Specific Ointment" upwards of a hundred of which were written by respectable members of the Medical Faculty; and in selecting from this pile the following samples, he was governed more by their brevity, than their contents, as they all breathe the same spirit of eulogy and satisfaction.

**CERTIFICATES.**

Albany, July 9, 1837.  
To Dr. Harrison, Sir: I use your Specific Ointment in my practice and cordially recommend it as a most efficient remedy for Tumors, Ulcers, White Swellings, Scrofula, Rheumatic Pains, Chapped Face, Lips and Hands; and for general and external complaints. I write this at the request of your agent here, who furnishes me with the article, and am pleased to have it in my power to award honor to merit.

REFUS R. BEACH, M D  
Extract of a Letter from Dr. J. W. Sanders, of Louisville, Ky. October 8, 1837.  
"I am prepared to say, that for Rheumatic Pains and the Sore Breasts of females, Harrison's Specific Ointment has no superior, if indeed it has any equal, in the whole catalogue of external medicines, as known and prescribed in this country."  
Cincinnati, Ohio, Oct. 4, 1838.

To Dr. Harrison, Dear Sir, I write to congratulate you on the extraordinary virtue of your "Specific Ointment," in the curing of burns. A little boy of mine, 4 years old, fell against the fire-place three weeks since, when his clothes became ignited, and he was instantly enveloped in flames. After some difficulty the fire was extinguished, but not before the poor little fellow's lower extremities were almost covered with a continual blister. Having much faith in your ointment, I immediately purchased three boxes, which I applied unsparingly, according to your directions in such cases; and it is with great pleasure and gratitude, that I am able to inform you that it allayed the pain in a few hours; and in ten days had effected a complete cure. I need scarcely add that it ought to be in the possession of every family, as there is no telling when such accidents may occur.  
Yours respectfully,
