

by the other three, under like circumstances -- as establishing a barrier against a third term, as impassable as if it were embodied in the constitution itself. But I do not consider it respectful to the people, nor otherwise proper in a candidate, to solicit a favor on a pledge that, if elected he will not accept a second nomination. It looks too much like a bargain tendered to other aspirants:--Yield to me now; I shall soon be out of your way:--too much like the interest that sometimes governs the Cardinals in the choice of a Pope--many voting for themselves first, and, if without success, finally for the most superannuated, in order that the election may the sooner come around again. I am, however, in favor of an amendment of the constitution, in one of the forms prescribed, declaring that no citizen shall be eligible to a re-election of the Presidency: and also the extension of a term to that of a senator--a period of six-years.

Agency of the President in Legislation.--I am persuaded that this should be strictly limited--1. To the veto, qualified as suggested above: 2. To the command of the constitution -- "He shall, from time to time, give to the Congress information of the state of the Union, and recommend to their consideration such measures as he shall judge necessary and expedient;" and 2: To furnishing, through the appropriate executive departments, such details for Bills as any committee of either House of Congress may especially call for.

Leading Measures of the late Extra Session of Congress.--If I had the honor of a vote on the occasion, it would have been given in favor of the Land Distribution Bill, the Bankrupt Bill, and the second Bill for creating a fiscal corporation--having long been under a conviction that, in peace, as in war, something, efficient, in the nature of a Bank of the United States, is not only "necessary and proper," but indispensable to the successful operations of the Treasury, as well as to many of the wants of our commerce and currency.

Secret or Oath-bound Societies.--I have not been a member of a masonic lodge in thirty years, nor a visitor of any lodge since, except once--now more than sixteen years ago. There are at many Academies and Colleges, as is well known, associations of students, tutors, and professors, for purely literary purposes; and their meetings, generally, for aught that I know, may be secret. Twenty-eight years ago, I was once present with such an association, & never since; and I have, within five years, received many flattering notices of my having been enrolled as an honorary member of as many such associations. I am sorry to be reminded that, by some strange neglect, I have failed to accept one of those honorable distinctions.

Finally I am asked--If nominated as a candidate for the Presidency, would you accept the nomination? I beg leave respectfully to reply--Yes; provided that I be not required to renounce any principle professed above. My principles are convictions.

Hoping that you, who have done me the honor to invite this general reply, may, with the millions, be enabled in a year or two to fix on some other citizen as your candidate more worthy, and, therefore more likely to conciliate the majority of popular suffrages.

I remain, gentlemen, Your friend and fellow-citizen. WINFIELD SCOTT.

A NATURAL REMEDY,

Suited to our Constitutions, and competent to the cure of every curable disease will be found in the

INDIAN VEGETABLE PILLS,

OF THE

North American College of Health.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures this disease on

NATURAL PRINCIPLES--

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted--a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS

Will be found one of the best, if not the very best medicine in the world for carrying out this

GRAND PURIFYING PRINCIPLE,

because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE,

disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms; but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more by its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union.

From the Philadelphia Saturday Evening Post.

THE INDIAN VEGETABLE PILLS.

Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrants confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times.

THE INDIAN VEGETABLE PILLS.

People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 169 Race street, Philadelphia; as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times.

INDIAN VEGETABLE PILLS.

Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North American College of Health, No. 108 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent Physician of the city recommend them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular

M. D.'s constantly denouncing them. They are however, becoming more liberal in this respect, and the consequence is that good vegetable medicines are now more extensively used than formerly.

Extract of a letter from Peter Christ, Uniontown, Carrol County, Md., Nov. 17th, 1833.

Dear Sir:--About two months ago, I had business in Baltimore, and called at your office, and bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far superior to Pills, or any other medicine I had ever used. I had been subject to a cough for five years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cough began to leave me; and I now enjoy better health than I have done for years past. After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I have received so much benefit in using the INDIAN VEGETABLE PILLS that I cannot help but recommend them to every invalid I see, and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana.

Signed, PETER CHRIST.

From G. C. Black, New York.

Mr. Wm. Wright--Dear Sir--you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. One gentleman attributes his being cured of Dropsy to the use of them; and another has been cured of Dyspepsia, solely by the use of your INDIAN VEGETABLE PILLS, and is willing you should publish his case if you think proper.

G. C. BLACK.

No. 1 Chatham Square, New York

Extract of a letter from Mr. A. Larrimore, Indiana

Doctor Wright--Dear Sir--Having some knowledge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family, I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrangements with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Extract of a letter from Samuel Griffith, Stewarttown, York County, Pa.

Mr. W. Wright--Dear Sir--I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out.

I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are finally effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City.

Mr. Wm. Wright--Dear Sir--You will have the kindness to forward me as soon as possible, two or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city.

ROBERT FARNHAM.

Washington City, D. C.

Extract of a letter from Lycoming County, Pa.

Mr. Wm. Wright--Dear Sir--On being appointed Agents for the sale of the INDIAN VEGETABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expectations. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since which they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally. Please let us know your views on the subject, and any directions relating to the same, will be promptly attended to by

Very respectfully, your friends,
