PETERS PILLS

Doct. Joseph Priestly Peters'

CELEBRATED VEGETABLE ANTIBILOUS PILLS,
Are daily effecting some of the most astonishing and wonderful cures that ever was known.

Mrs. E. Ward of New York was troubled with Dyspepsia and Liver Complaint for upwards of fifteen years; her symptoms were as follows: Frequent pulse—turred tongue—bowels irregular, mostly costive, yet sometimes relaxed with a bilious discharge—urine saffron colored—skin dry—thirst—bad taste in the mouth, particularly in the morning—pain in the right side, in the region of the liver, sometimes in the right shoulder; cough; expectoration of offensive matter; nausea or sickness of the stomach; yellowness of the skin and eyes, loss of appetite; lowness of spirits; broken sleep and unpleasant dreams; easily fatigued; loss of flesh; unhappy and evil forebodings, &c. By using these valuable pills a short time was entirely restored.

Miss Clark, daughter of Col. Clark, was affected with irregularities and obstructions, attended by the following symptoms: Languor; disturbed sleep; pale face; cold feet; nostrils dry, urine pale, sometimes a distressing cough like a hasty consumption, sweating of the feet towards night, and of the face and eyes in the morning, general debility, lassitude, &c. By using these pills according to directions, was entirely restored.

Rev. J. B. Whitefield had been several years subjected to severe headache, but by the use of three boxes, he has been entirely cured.
Hon. E. D. Davis was so afflicted with Rheumatism as to be unable to dress himself. By the use of three boxes was entirely restored.
Professor Armstrong says he has used them in his practice for the last five years, and his opinion is that nothing can compare with them in cases of Nervous Debility, Head Ache, Nausea, and all cases of Bilious Affections.

Drs. Mott, Nelson, Rogers, Smith, Harris, Vanderburgh, Hobson, Williams, Emmons, (of New York) Waimes, (of Philadelphia) Scott, (of Baltimore) and hundreds of the most eminent physicians throughout the United States, recommend these pills as decidedly superior to all others in use.

These Valuable Pills can be obtained of Doct. Samuel Stokes and J. D. & C. Malvin's, Stroudsburg, only agents for Monroe county.

Stroudsburg, August 25, 1841.

New-York Weekly Tribune.

PROSPECTUS.

The Publishers of THE NEW YORK TRIBUNE, encouraged by the generous patronage and hearty approval which has been extended to their Daily paper since its establishment, and which has already rendered it the second in point of circulation in the city, propose to publish, on and after the 18th day of September, a WEEKLY edition, on a sheet of mammoth size, excluding all matter of local or transitory interest, and calculated mainly for Country circulation.

The Tribune—whether in its Daily or Weekly edition—will be what its name imports—an unflinching supporter of the People's Rights and Interests, in stern hostility to the errors of superficial theorists, the influence of unjust or imperfect legislation, and the schemes and sophistries of self-seeking demagogues. It will strenuously advocate the Protection of American Industry against the grasping and tows blighting policy of European Governments, and the unequal competition which they force upon us, as also against the present depressing system of State Prison Labor; it will advocate the restoration of a sound and uniform National Currency; and urge a discreet but determined prosecution of Internal Improvement. The Retrenchment, wherever practicable, of Government Expenditures and of Executive Patronage, will be zealously urged. In short, this paper will faithfully maintain and earnestly advocate the Principles and Measures which the People approved in devolving on Whig Statesmen the conduct of their Government.

But a small portion, however, of its columns will be devoted to purely Political discussions. The proceedings of Congress will be carefully recorded; the Foreign and Domestic Intelligence early and lucidly presented; and whatever shall appear calculated to promote Morality, maintain Social Order, extend the blessings of Education, or in any way subvert the great cause of Human Progress to ultimate Virtue, Liberty and Happiness, will find a place in our columns.

The Weekly Tribune will be published every Saturday morning in Quarto form on a very large imperial sheet, (31 by 42 inches,) and afforded to Subscribers at TWO DOLLARS a year. Six copies will be forwarded a year for Ten Dollars, Ten copies for Fifteen Dollars, and any larger number in the latter proportion. Payment in advance will be invariably required, and the paper stopped whenever the term of such payment expires. Subscriptions are respectfully solicited by GREELEY & McELRATH, 30 Ann-st. New-York, Aug. 17, 1841.

SHERMAN'S WORM LOZENGES

Are the greatest worm medicines in the world.

Dr. Churchill has used them in over fifty cases, cured ten of spasms and three of fits. He considers them safe and sure, and recommends them to all.

Mr. J B Noyes has used them in his family with entire success, and several of his friends have great confidence in them.

Col L Clark cured one of his children of spasms, and one of fits accasioned by worms
The Hon B B Beadsley thinks they have saved the life of one of his children. It had been a long time in a decline, and was attended by the best physicians without any relief. His family doctor recommended Sherman's worm Lozenges as the only hope; he did so, and through the blessing of God his child is now well—another living evidence of their wonderful virtues. Mr B says no family should be without them. More than 2,000 certificates might be added to their truly wonderful properties.

Capt Coffin, of Nantucket, consulted Dr Sherman, on account of his son, 8 years old. He had been in a decline for several months, and attended by four Physicians, who could afford him no relief. His symptoms were, leanness, pallid hue, very offensive breath, disturbed sleep, broken off by fright and screaming, headache, a distressing cough, itching of the nose through the day, and of the anus towards night, with slimy discharges from the bowels. The doctor pronounced the case one of worms and recommended his Worm Lozenges. After the first dose the child ran to his parents frightened at the quantity of worms that came from him—he began to mend at once, and before he used one box, was entirely cured.

Benj. F. Goodspeed, 130 Sixth Avenue has always cured his children of worms, by Sherman's Lozenges. He would not be without them in his house on any account.

The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable, that death was alone looked for relief. Three doses of Sherman's Worm Lozenges entirely cured her.

Dr. Stevens, one of the most distinguished physicians in this country, says Sherman's worm Lozenges are the safest, best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.

Dr. Castle, 297 Broadway, has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.

These valuable Worm Lozenges can be obtained at the Office of the JEFFERSONIAN REPUBLICAN, Stroudsburg, Monroe county, Pa.

[Only 31 cts. per box.]

The family Newspaper.

THE PHILADELPHIA SATURDAY COURIER
WITH THE
Largest Circulation in the World!

The publishers of this old established and universally popular Family Journal, would deem it superogatory to say a word in commendation of its past or present excellence & usefulness. Its unrivalled and increasing circulation, (over 35,000,) is its best recommendation. For the future, however, a determination to be first in the van of the American Newspaper Weekly Press, will call for increased expenditures and renewed attractions for the coming year, 1842, not the least of which will be an improvement in the quality of the paper, and an addition of popular contributors, embracing, we fully believe the best list to any similar Journal in the world.

The Courier is independent in its character, fearlessly pursuing a straightforward course, and supporting the best interests of the public. It is strictly neutral in *Politics and Religion.* It will maintain a high tone of morals, and not an article will appear in its pages which should not find a place at every fireside. It has more than double the number of constant readers, to that of any other paper published in the country, embracing the best families of our republic.

AMERICAN TALES.

Every one should be proud to patronise the Philadelphia Saturday Courier, as by its unbroken series of original *American Tales*, by such native writers as Mrs. Caroline Lee Hentz, Mrs. St. Leon Loud, "The Lady of Maryland," Professor Ingraham, T. S. Arthur, Esq., Miss Sedgwick, Miss Leslie, and many others, it has justly earned the title of the *American Family Newspaper.*

Foreign Literature and News.

Determined to spare no expense in making the Saturday Courier a perfect model of a Universal Family Newspaper, of equal interest to all classes and persons of every nation, we have made arrangements to receive all the Magazines and papers of interest, published in England and on the Continent, the news and gems of which are immediately transferred to its columns, thus giving to emigrants, as well as others, a correct and connected account of whatever occurs of interest, either at home or abroad.

THE MARKET'S.

Particular care is taken to procure the earliest advices in reference to the prices of all kinds of Grain, Provision, Produce, &c. the state of Stocks, Banks, Money and Lands, and our extensive arrangements will hereafter render our

PRICES CURRENT
