American Ladies' National Magazine
GODEY'S
LADY'S BOOK FOR 1842.
 The most splendid and valuable Magazine ever published.
 The only Magazine devoted to the Ladies, and conducted by members of their own sex. Composed entirely of original articles, by the most eminent writers of the age; and embellished with a larger number and greater variety of costly, elegant, and attractive Pictorial illustrations, than any similar publication.
 EDITED BY—Mrs. Sarah J. Hale, Mrs. L. H. Sigourney, Morton M. Michael, L. A. Godey.
 CONTRIBUTORS TO EACH NUMBER.—Miss C. M. Sedgwick, Miss E. Leslie, Mrs. E. C. Emory, Theo. S. Fay, N. P. Willis, Mrs. C. Lee Huntz, T. S. Arthur, Mrs. E. F. Ellet.

In announcing to his numerous patrons and the public at large his arrangements for the year 1842, the proprietor of Godey's Lady's Book takes occasion to acknowledge the unparalleled and triumphant success of his Magazine, which has now reached the extraordinary number of
40,000 Copies Monthly,
 being a larger edition than has ever been printed of any other work of any description, in America. This success he is aware has been attained by the vast superiority which the Lady's Book has always maintained over the various contemporary magazines which have attempted to rival its merits, a superiority which he is still determined to preserve, by keeping it, in all its departments, Literary, Intellectual and Moral, as well as Pictorial, Emblematic, Artistic and Mechanical.

That this is no idle boast, he appeals to the experience of the past twelve years, in which time he has made no promise to the public that he has not fully performed, nor undertaken any thing which his means did not enable him to accomplish to the uttermost.
 Entering, as he is about to do, on the 24th volume of the Lady's Book with increased energy and accumulated resources; with an ample knowledge of the business in which he is engaged, acquired by long years of unremitting application; with a subscription list unparalleled in the annals of literature; with numerous facilities not possessed by any other publisher; with well-digested and wide-extended arrangements; and above all, with a steady purpose of maintaining the lofty elevation it has reached, the proprietor has not hesitated to incur expenses which under other circumstances might well prove startling; but by means of which he will be enabled to make the Lady's Book the richest, the rarest, the most attractive, and the most valuable periodical, intrinsically and extrinsically, ever offered to the public.

LITERARY DEPARTMENT.
 Mrs. S. J. Hale, Mrs. L. H. Sigourney, Miss E. Leslie, Miss C. M. Sedgwick, Mrs. Emma C. Emory, Mrs. F. S. Osgood, Mrs. A. M. F. Annan, Mrs. E. F. Ellet, Miss Dupuy, Mrs. Volney E. Howard, Mrs. E. Allen, Mrs. S. E. Farley, Mrs. H. B. Stowe, Mrs. Seba Smith, Mrs. J. Thayer, Mrs. C. Lee Huntz, Mrs. E. C. Stedman, Miss Meeta M. Dunton, Mrs. C. H. W. Esling, Mrs. M. St. Leon Loud, Miss M. B. Snow, Kate Franklin.

He will be enabled to furnish occasional articles from Maria Edgeworth, Mary Russel Mitford, Mrs. Cornwell Baron Wilson, Mrs. S. C. Hall, Mrs. Holland, Mary Howitt, and other English lady-writers of distinction, some of whom have already published in the Lady's Book the first original contributions they have ever made to American Literature.
 Nor has he omitted to procure the services of eminent writers of the opposite sex. Aware of the universal and well-deserved popularity of N. P. Willis, Esq. and confident that the productions of his graceful and eloquent pen will be highly acceptable to the readers of the Lady's Book, the proprietor has entered into an arrangement by which he will be enabled to give in each number of the work, an exclusive article from that gentleman; and he has also retained all the contributors whose writings have heretofore given such general satisfaction, including W. G. Simms, Esq., Professor Ingraham, Professor Dimity, Professor Frost, Professor Walter, Park Benjamin, Esq., R. S. Mackenzie, LL. D., T. S. Arthur, Esq., H. W. Herbert, Joseph C. Neal, Hon. R. T. Comrad, Dr. J. K. Mitchell, Epes Sargent, G. P. Morris, Joseph R. Chandler, Robert Morris, P. Earle, M. D., N. C. Brooks, A. M. E. Holden, A. M'Kain, L. F. Tasistro, Rufus Dawes, E. D. Squier, J. M'Lehlan, Jr., Jas. Aldrich.
 With such aid, it is not too much to say, that the Literary Department of the Lady's Book will surpass any thing that has ever been or can be attempted.

ORNAMENTAL DEPARTMENT
 It is a source of no little pride to the proprietor of the Lady's Book, that he first introduced into the country the plan of furnishing, along with a monthly periodical of elegant literature, embellishments of an attractive and costly character. The first steel engravings accompanying such a work were given by him; the first mezzotint engraving was given by him; the first patterns of lace work and embroidery were given by him; the first colored plates of fashions were given by him; the first music was given by him. These are things to which he would not refer, if some of those who have essayed to follow in his footsteps, not content with imitating all he designs, even to the form of his book, the size of his type, and the color of his cover, had not foolishly put forward claims to originality, and attempted to found a right to an exclusive merit on doing that which they had borrowed from his example. But what he has done heretofore in the way of embellishment to his book, though it far exceeded any effort of those who strove to copy his movements, cannot compare with what he now means to do. His arrangements for this department of his work have been projected on the most liberal scale of expenditure, involving such an extent of outlay as has never before been dreamed of in any periodical, European or American. As an evidence of his intentions he now states that each number of the Lady's Book for the ensuing year, will contain at least *Three Splendid Engravings*, embracing in the series every possible variety of subject, Historical, Landscape, Picturesque, Portraiture, Imaginative, Emblematical, and executed

in every possible variety of the art—Mezzotint, Line and Mezzotint, Stipple, Medallion, and that most chaste and expressive manner, the Line and Dot combined, which has given such world-wide celebrity to the works of modern artists.

The American Guide Plates of Fashions, colored, will be given every month.
 In order to give the greatest attractiveness to the subjects of his embellishments, the proprietor has given orders to various American Painters, of established reputation, who are now engaged in preparing, expressly for the Lady's Book, numerous original pictures on National and Historical events, some of which are nearly completed, and will soon be in the hands of the engraver. Among the painters thus engaged, he may enumerate—J. G. Chapman, painter of the national picture of the Baptism of Pocahontas; P. F. Rothermel, S. S. Osgood of Boston, J. P. Frankenstein, I. Williams, &c. &c. He has also established a correspondence in London, through which he will receive early proof impressions of the finest prints executed in that Metropolis, and will thus be constantly supplied with an immense variety, from which to make suitable selections. In addition to this, he will receive the only copies of the celebrated prize Engravings of the Edinburg Apollo Gallery sent to this country; one of which, the Examination of Shakspeare before Sir Thomas Lacy, he has already given to his patrons, and another of which, The Stray Children, he has now in preparation, as well as a series of pictorial illustrations of Shakspeare.

Determined to satisfy every variety of taste, the proprietor has also made arrangements for a series of the most superb Mezzotints ever executed in this country, several of which are already engraved, and will be given to his subscribers as a sufficient number of impressions can be taken to supply his immense edition. Besides the services of H. S. Sudd, of New York, who has now in hand a number of plates, the proprietor has secured the invaluable aid of Mr. Humphreys, of London, who is universally conceded to stand in the foremost rank of English Engravers, and whose splendid efforts in Mezzotint have commanded the admiration of the most distinguished amateurs and critics. This eminent artist is now engaged in preparing, expressly for the Lady's Book, a number of Mezzotint Pictures, which the proprietor pledges himself will be of an unsurpassed excellence, and of the most interesting and attractive subjects. To guard against all possibility of difficulty hereafter, he has ordered from England a complete Mezzotint Establishment, and immediately on its arrival, Mr. Wm. E. Tucker of this city will commence operations in that department of art.
 In order to procure the various embellishments in season, the proprietor has made permanent arrangements with the following eminent engravers, all of whom are now engaged in executing steel plates for the Lady's Book.

New York. A. L. DICK, N. GIMBREDE, W. H. JACKMAN, J. G. DUNNELL, A. JONES.	Philadelphia. W. E. TUCKER, J. B. NEAGLE, J. B. FORREST, W. H. ELLIS, E. HUMPHREYS.

PROTECT EACH OTHER.

WAYNE COUNTY MUTUAL INSURANCE COMPANY.

All Persons insuring in this company are members equally interested in its welfare and in the election of its officers.
 In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent. he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent. and an additional sum of \$1 50 for survey and policy. He then becomes a member on the approval of his application and is insured for five years. The aggregate of the premium notes constitutes the cash fund, chargeable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and expenses the company is authorized to borrow (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes, in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen.
 At the expiration of five years the note, if any assessments have been made and paid, is given up, and the insured may renew his application.
 Policies may at any time be assigned or surrendered and cancelled, and the premium notes given up, according to the by-laws of the Company. No more than three fourths of the cash value of any property will be insured, and all great hazards, such as Cotton Factories, Powder Mills, Distilleries, Machine Shops, Manufactories for Printer's Ink, and all establishments of the same class of hazards, are not insured upon any conditions whatever, and that no one risk is taken over \$5000, it is considered much more safe and less expensive than in Stock companies, where they insure large amounts and hazardous property.

A NATURAL REMEDY, Suiited to our Constitutions, and competent to the cure of every curable disease will be found in the INDIAN VEGETABLE PILLS, OF THE North American College of Health.

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures this disease on

NATURAL PRINCIPLES— by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS

Will be found one of the best, if not the very best medicine in the world for carrying out this

GRAND PURIFYING PRINCIPLE,

because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE,

disease of every name is rapidly driven from the body. The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms: but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more by its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union.
 From the Philadelphia Saturday Evening Post.

THE INDIAN VEGETABLE PILLS.

Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times.

THE INDIAN VEGETABLE PILLS.

People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 129 Race street, Philadelphia; as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times.

INDIAN VEGETABLE PILLS.

Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent Physician of the city recommend them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular M. D.'s constantly denouncing them. They are

however, becoming more liberal in this respect, and the consequence is that good vegetable medicines are now more extensively used than formerly.

Extract of a letter from Peter Christ, Uniontown, Carroll County, Md., Nov. 17th, 1838.

Dear Sir—About two months ago, I had business in Baltimore, and called at your office, and bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far superior to — Pills, or any other medicine I had ever used. I had been subject to a cough for five years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cough began to leave me; and I now enjoy better health than I have done for years past. After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I have received so much benefit in using the INDIAN VEGETABLE PILLS that I cannot help but recommend them to every invalid I see and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana.

Signed,
PETER CHRIST.

From G. C. Black, New York.

Mr. Wm. Wright—Dear Sir—you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. One gentleman attributes his being cured of Dropsy to the use of them; and another has been cured of Dyspepsia, solely by the use of your INDIAN VEGETABLE PILLS, and is willing you should publish his case if you think proper.

G. C. BLACK.

No. 1 Chatham Square, New York.

Extract of a letter from Mr. A. Larrimore, Indiana.
 Doctor Wright—Dear Sir—Having some knowledge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family, I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrangements with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Extract of a letter from Samuel Griffith, Stewarttown, York County, Pa.

Mr. W. Wright—Dear Sir—I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out. I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cure is finally effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City.

Mr. Wm. Wright—Dear Sir—you will have the kindness to forward me as soon as possible, too or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city.

ROBERT FARNHAM,

Washington City, D. C.

Extract of a letter from Locoming County, Pa.

Mr. Wm. Wright—Dear Sir—On being appointed Agents for the sale of the INDIAN VEGETABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expectations. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH, but to the public generally. Please let us know your views on the subject, and any directions relative to the same, will be promptly attended to by

Very respectfully, your friends,
