

or exchange, than an interest not exceeding six per cent. per annum from the time which the said bill has to run, and a rate of exchange never exceeding the cost of remitting specie and in no case to exceed 2 per cent. And it shall not be lawful for the Board of Exchequer, or any agency, to purchase any bill drawn by or upon any member or officer thereof, or in which such member or officer shall in any way be interested; nor to receive any deposit of any money belonging to any such member or officer. And no bill shall be purchased or any draft sold at any agency without the assent of at least two of the officers of such agency; nor by the Board of Exchequer without the assent of two of its members.

Sec. 12. And be it further enacted, That no agency established in any State under the provisions of this act shall, contrary to any law which such State may enact, receive any other deposits than those of the United States, or make or sell drafts, or purchase bills, other than such as shall be necessary in the collection, transfer and disbursement of the public funds.

Sec. 13. And be it further enacted, That if at any time it shall be found necessary to carry on the operations of the Exchequer Board, and its agencies hereby created, the Secretary of the Treasury may cause to be prepared, issued, and delivered to the Exchequer Board certificates of stock of the United States, in the usual form, bearing interest at a rate not exceeding five per centum per annum, to an amount not exceeding five millions of dollars, the interest of which shall be payable semi-annually, and the principal shall be redeemable at the pleasure of the Government after the expiration of twenty years from the issue thereof. And it shall be lawful for the said Exchequer Board to sell and transfer the said stock for gold or silver coin, or bullion. And it shall be the duty of the Exchequer Board to provide for the punctual payment of interest on the stock as it shall become due, and for the reimbursement of the principal from the profit and other means and resources of the Board and its agencies. But the faith of the Government, nevertheless, shall be pledged for the payment of the interest and the principal of such stock.

Sec. 14. And be it further enacted, That the Board of Exchequer and its several agencies shall keep separate and distinct sets of books, for the purpose of entering and recording, in one set, all transactions respecting the collecting, keeping, and disbursing of the public revenue, and transmitting the public moneys from place to place for the service of Government, and in another, all transactions and accounts arising from dealings in exchange and other transactions not on Government account. And all profits accruing from dealing in exchange on individual account and from private deposits shall be applied in the first place to pay all salaries and compensations, and to defray all expenses incurred under the authority of this act, and the residue thereof shall be placed semi-annually to the credit of the Treasury of the United States: Provided, nevertheless, That the said Board may defer all such credits to the Treasury, until the amount of profits aforesaid beyond expenses shall exceed two millions of dollars, and may retain said amount of two millions as a fund to meet all contingencies chargeable on the Exchequer and its agencies.

Sec. 15. And be it further enacted, That if it shall at any time become necessary to bring suit on any bill of exchange or other debt or liability arising out of any transactions under the provisions of this act, such suit may be brought in the name of the United States in any Circuit Court of the United States, or any State Court having competent jurisdiction.

Sec. 16. And be it further enacted, That the necessary rooms and vaults for the safe keeping of the public moneys and for the transaction of the business of the Board of Exchequer and its agencies shall be provided by the Treasury Department at the city of Washington, and in the custom houses, mint, branch mints, and other public buildings belonging to the United States, so far as the same can be furnished without detriment to the public service; and where the same cannot be so furnished, the said Board may provide others.

Sec. 17. And be further enacted, That it shall be lawful for the said Board of Exchequer to appoint as agents for the Board any specie paying bank in any State in cases where it may not be deemed expedient to establish an office or agency of the said Board, as herein before provided; but such bank shall not be authorized in any extent to receive deposits or to purchase or sell bills or drafts on account of the Board of Exchequer.

Sec. 18. And be it further enacted, That full and exact accounts of the proceedings of the Board and its several agencies shall be furnished to the Secretary of the Treasury as often as he may prescribe; and it shall be the duty of the said Secretary to lay abstracts of the same before Congress at the commencement of each annual session, and to furnish full and particular accounts and statements of the transactions of the Board and its agencies when required by Congress, and the amount of Treasury notes outstanding at the end of every quarter, shall, so soon thereafter as the same may be ascertained, be published by the Secretary of the Treasury.

Sec. 19. And be it further enacted, That if any member of the Exchequer Board, or any officer or clerk employed in its business or any of its agencies, shall convert to his own use, in any way, any money or security deposited with or belonging to said Board or any of its agencies, or belonging to the U. States, or any other person persons dealing or depositing with the said Board or any agency, he shall be deemed guilty of felony, and, on conviction thereof before any court of the United States of competent jurisdiction, shall be sentenced to imprisonment for a term not less than — nor more than — years, and to a fine equal to twice

the sum or value of the property embezzled. Sec. 20. And be it further enacted, That if any officer or member of the Board of Exchequer, or any of its agencies established under the provisions of this act, shall give or sign a false certificate of deposit having been made with any agency, or shall issue or deliver any draft or bill of exchange without having received the full amount thereof, and caused the receipt of the same to be duly entered in the books of the said agency, or shall be guilty of any other malpractice by which any responsibility of the said agency, or of the Board of Exchequer, or of the United States, shall be improperly created or increased, he shall be deemed guilty of misdemeanor, and, on conviction thereof in any court of the United States of competent jurisdiction, shall be sentenced to imprisonment for a term not less than one year nor more than seven years, and to a fine equal to the amount of the false certificate so given or of the bill or draft so issued or delivered, or to the amount of the responsibility so created or increased.

A NATURAL REMEDY, Suiet to our Constitutions, and competent to the cure of every curable disease will be found in the INDIAN VEGETABLE PILLS, OF THE

North American College of Health. THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures this disease on NATURAL PRINCIPLES—by cleansing and purifying the body; it will be manifested, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE, disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms; but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more by its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents; merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union. From the Philadelphia Saturday Evening Post.

THE INDIAN VEGETABLE PILLS. Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills. From the Philadelphia Spirit of the Times.

THE INDIAN VEGETABLE PILLS. People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 169 Race street, Philadelphia; as they are the preparation of one intimately acquainted with the healing art. From the Boston Daily Times.

INDIAN VEGETABLE PILLS. Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent Physician of the city recommend them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular M. D.'s constantly denouncing them. They are however, becoming more liberal in this respect, and

the consequence is that good vegetable medicines are now more extensively used than formerly.

Extract of a letter from Peter Christ, Uniontown, Carroll County, Md., Nov. 17th, 1838. Dear Sir:—About two months ago, I had business in Baltimore, and called at your office, and bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far superior to — Pills, or any other medicine I had ever used. I had been subject to a cough for five years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cough began to leave me; and I now enjoy better health than I have done for years past. After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I have received so much benefit in using the INDIAN VEGETABLE PILLS that I cannot help but recommend them to every invalid I see and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana. Signed, PETER CHRIST.

From G. C. Black, New York. Mr. Wm. Wright—Dear Sir—you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. One gentleman attributes his being cured of Dropsy to the use of them; and another has been cured of Dyspepsia, solely by the use of your INDIAN VEGETABLE PILLS, and is willing you should publish his case if you think proper. G. C. BLACK, No. 1 Chatham Square, New York.

Extract of a letter from Mr. A. Larrimore, Indiana. Doctor Wright—Dear Sir—Having some knowledge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family, I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrangements with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Extract of a letter from Samuel Griffith, Stewarttown, York County, Pa. Mr. W. Wright—Dear Sir—I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out.

I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are finally effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City. Mr. Wm. Wright—Dear Sir—you will have the kindness to forward me as soon as possible, ten or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they ever used;" and my opinion is that they will in a short time supercede all others in this city. ROBERT FARNHAM, Washington City, D. C.

Extract of a letter from Lycoming County, Pa. Mr. Wm. Wright—Dear Sir—On being appointed Agents for the sale of the INDIAN VEGETABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expectations. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally. Please let us know your views on the subject, and any directions relative to the same, will be promptly attended to by

Very respectfully, your friends, S. WINCHESTER & SON, Jersey Shore, Lycoming county, Pa. AGENTS for the sale of the above named INDIAN VEGETABLE PILLS:— CHARLES BOYS, Stroudsburg, Monroe county. JOHN LANDER, Craigs Meadows, Monroe co. JOHN LAFORGE, Milford, Pike county. STOLL & DIMMICK, Dingman's Ferry, Pike co. PETERS & LABAR, Bushkill, Pike county. MYERS & EDINGER, Tannersville, Monroe co.
