Harrison's Specific Ointment.

The great celebrity of this unrivaled Composition—especially in the Northern States—leaves the proprietor but little need to say any thing in its favor; for it has been generally conceded to it, that it is beyond all comparison the best remedy for external complaints that has ever been discovered. Indeed the speed and certainty of its operations have the appearance of miracles: as ulcers, wounds, corns, fever sores, chilblains, white swellings, bites, piles, spider and snake bites &c.—immediately yield to its apparently super human influence. Thus if properly applied it will remove an inveterate corn or break and heal a pile in five days, will allay and perfectly cure an ulcer in two weeks; and the most desperate cases of white swelling that can be imagined, have been destroyed by it in less than two months. In the bites of poisonous reptiles its efficacy is truly surprising; and even in the bite of a rabid dog, for if applied in time, its powers of attraction are so wonderful that they will at once arrest the poison and thus prevent it from pervading the system. It is likewise greatly superior to any medicine heretofore discovered for the chafed backs and limbs of horses—for fetters, ring worms, chapped lips,—and in short for every external bodily evil that may fall to the lot of man or beast.

The proprietor has received at least a thousand certificates and other documents, in favor of his "Specific Ointment" upwards of a hundred of which were written by respectable members of the Medical Faculty; and in selecting from this pile the following samples, he was governed more by their relevancy, than their contents, as they all breathe the same spirit of eulogy and satisfaction.

CERTIFICATES.

Albany, July 9, 1837.

To, Dr. Harrison, Sir:—I use your Specific Ointment in my practice and cordially recommend it as a most efficient remedy for Tumors, Ulcers, White Swellings, Scrofula, Rheumatic Pains, Chapped Face, Lips and Hands; and for general and external complaints. I write this at the request of your agent here, who furnishes me with the article, and am pleased to have in my power to award honor to merit.

RUFUS R. BEACH, M.D.

Extract of a Letter from Dr. J. W. Sanders, of Louisville, Ky. October 6, 1837.

"I am prepared to say, that for Rheumatic Pains and the Sore Breasts of females, Harrison's Specific Ointment has no superior, if indeed it has any equal, in the whole catalogue of external medicines, as known and prescribed in this country."

Cincinnati, Ohio, Oct. 4, 1838.

To Dr. Harrison, Dear Sir:—I write to congratulate you on the extraordinary virtue of your "Specific Ointment," in the curing of burns. A little boy of mine, 4 years old, fell against the fire-place three weeks since, when his clothes became ignited, and he was instantly enveloped in flames. After some difficulty the fire was extinguished, but not before the poor little fellow's lower extremities were almost covered with a conical blister. Having much faith in your ointment, I immediately purchased three boxes, which I applied unsparingly, according to your directions in such cases; and it is with great pleasure and gratitude, that I am able to inform you that it allayed the pain in a few hours; and in ten days had effected a complete cure. I need scarcely add that it ought to be in the possession of every family, as there is no telling when such accidents may occur.

Yours respectfully,

H. M. SHEPARD.

PROTECT EACH OTHER.

WAYNE COUNTY MUTUAL INSURANCE COMPANY.

All Persons insuring in this company are members equally interested in its welfare and in the election of its officers.

In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent. he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent. and an additional sum of \$1 50 for survey and policy. He then becomes a member on the approval of his application and is insured for five years. The aggregate of the premium notes constitutes the cash fund, chargeable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and expenses the money to meet the losses, (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes, in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen.

At the expiration of five years the note, if any assessments have been made and paid, is given up, and the insured may renew his application.

Policies may at any time be assigned or surrendered and cancelled, and the premium notes given up, according to the by-laws of the Company. No more than three fourths of the cash value of any property will be insured, and all great hazards: such as Cotton Factories, Powder Mills, Distilleries, Machine Shops, Manufactories for Printer's Ink, and all establishments of the same class of hazards, are not insured upon any conditions whatever, and that no risk is taken over \$5000, it is considered much more safe and less expensive than in Stock companies, where they insure large amounts and hazardous property.

PETERS PILLS

Doct. Joseph Priestly Peters'

CELEBRATED VEGETABLE ANTIBILIOUS PILLS,

Are daily effecting some of the most astonishing and wonderful cures that ever was known.

Mrs. E. Ward of New York was troubled with Dyspepsia and Liver Complaint for upwards of fifteen years; her symptoms were as follows. Frequent pulse—turred tongue—bowels irregular, mostly costive, yet sometimes relaxed with a bilious discharge—urine saffron colored—skin dry—thirst—bad taste in the mouth, particularly in the morning—pain in the right side, in the region of the liver, sometimes in the right shoulder; cough; expectoration of offensive matter; nausea or sickness of the stomach; yellowness of the skin and eyes, loss of appetite; lowness of spirits; broken sleep and unpleasant dreams; easily fatigued; loss of flesh; unhappy and evil forebodings, &c. By using these valuable pills a short time was entirely restored.

Miss Clark, daughter of Col. Clark, was affected with irregularities and obstructions, attended by the following symptoms: Languor; disturbed sleep; pale face; cold feet; nostrils dry, urine pale, sometimes a distressing cough like a hasty consumption, sweating of the feet towards night, and of the face and eyes in the morning, general debility, lassitude, &c. By using these pills accordingly to directions, was entirely restored.

Rev. J. B. Whitefield had been several years subjected to severe headache, but by the use of three boxes, he has been entirely cured.

Hon. E. D. Davis was so afflicted with Rheumatism as to be unable to dress himself. By the use of three boxes was entirely restored.

Professor Armstrong says he has used them in his practice for the last five years, and his opinion is that nothing can compare with them in cases of Nervous Debility, Head Ache, Nausea, and all cases of Bilious Affections.

Drs. Mott, Nelson, Rogers, Smith, Harris, Vanderburgh, Hobson, Williams, Emmerson, (of New York) Waines, (of Philadelphia) Scott, (of Baltimore) and hundreds of the most eminent physicians throughout the United States, recommend these pills as decidedly superior to all others in use.

These Valuable Pills can be obtained of Doct. Samuel Stokes and J. D. & C. Malvin's, Stroudsburg, only agents for Monroe county.

SHERMAN'S

WORM LOZENGES

Are the greatest worm medicines in the world.

Dr. Churchill has used them in over fifty cases, cured ten of spasms and three of fits. He considers them safe and sure, and recommends them to all.

Mr. J. B. Noyes has used them in his family with entire success, and several of his friends have great confidence in them.

Col. L. Clark cured one of his children of spasms, and one of it afflicted with worms.

The Hon. B. B. Beasley thinks they have saved the life of one of his children. It had been a long time in a decline, and was attended by the best physicians without any relief. His family doctor recommended Sherman's worm Lozenges as the only hope; he did so, and through the blessing of God his child is now well—another living evidence of their wonderful virtues. Mr. B says no family should be without them. More than 2,000 certificates might be added to their truly wonderful properties.

Capt Coffin, of Nantucket, consulted Dr. Sherman, on account of his son, 8 years old. He had been in a decline for several months, and attended by four Physicians, who could afford him no relief. His symptoms were leanness, pallid hue, very offensive breath, disturbed sleep, broken off by fright and screaming, headache, a distressing cough, itching of the nose through the day; and of the anus towards night, with slimy discharges from the bowels. The doctor pronounced the case one of worms and recommended his Worm Lozenges. After the first dose the child ran to his parents frightened at the quantity of worms that came from him—he began to mend at once, and before he used one box, was entirely cured.

Benj. F. Goodspeed, 130 Sixth Avenue has always cured his children of worms, by Sherman's Lozenges. He would not be without them in his house on any account.

The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable, that death was alone looked to for relief. Three doses of Sherman's Worm Lozenges entirely cured her.

Dr. Stevens, one of the most distinguished physicians in this country, says Sherman's worm Lozenges are the safest, best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.

Dr. Castle, 297 Broadway, has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.

These valuable Worm Lozenges can be obtained at the Office of the JEFFERSONIAN REPUBLICAN, Stroudsburg, Monroe county, Pa.

(Only 31 cts. per box.)
