WAYNE COUNTY MUTUAL INSURANCE COMPANY.

ALL Persons insuring in this company are members equally interested in its welfare and in the election of its officers.

In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent., he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent., and an additional sum of \$1 50 for survey and policy. He then becomes a member on the approval of his application and is insured for five years. The aggregate of the premium notes constitutes the cash fund, chargeable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and expenses the money to meet the losses. (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes, in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen.

At the expiration of five years the note, if any assessments have been made and paid, is given up, and the insured may renew his application.

Policies may at any time be assigned or surrendered and cancelled, and the premium notes given up, according to the by-laws of the Company. No more than three fourths of the cash value of any property will be insured, and all great hazards: such as Cotton Factories, Powder Mills, Distilleries, Machine Shops, Manufactories for Printer's Ink, and all establishments of the same class of hazards, are not insured upon any conditions whatever, and that no one risk is taken over \$5000, it is considered much more safe and less expensive than in Stock companies, where they insure large amounts and hazardous property.

SHERMAN'S

WORM LOZENGES

Are the greatest worm medicines in the world. Dr Churchill has used them in over fifty cases, cured ten of spasms and three of fits. He considers them safe and sure, and recommends them to all.

Mr. J B Noyes has used them in his family with entire success, and several of his friends have great confidence in them.

Col L Clark cured one of his children of spasms, and one of fits occasioned by worms.

The Hon B B Beadley thinks they have saved the life of one of his children. It had been a long time in a decline, and was attended by the best physicians without any relief. His family doctor recommended Sherman's worm Lozenges as the only hope; he did so, and through the blessing of God his child is now well—another living evidence of their wonderful virtues. Mr B says no family should be without them. More than 2,000 certificates might be added to their truly wonderful properties.

Capt Coffin, of Nantucket, consulted Dr Sherman, on account of his son, 8 years old. He had been in a decline for several months, and attended by four Physicians, who could afford him no relief. His symptoms were leanness, pallid hue, very offensive breath, disturbed sleep, broken off by fright and screaming, headache, a distressing cough, itching of the nose through the day, and of the anus towards night, with slimy discharges from the bowels. The doctor pronounced the case one of worms and recommended his Worm Lozenges. After the first dose the child ran to his parents frightened at the quantity of worms that came from him—he began to mend at once, and before he used one box, was entirely cured.

Benj. F. Goodspeed, 130 Sixth Avenue has always cured his children of worms, by Sherman's Lozenges. He would not be without them in his house on any account.

The Rev. Jabez Townsend's little girl, nine years old, was given up as incurable by two physicians. She was fast wasting away, and was so miserable, that death was alone looked to for relief. Three doses of Sherman's Worm Lozenges entirely cured her.

Dr. Stevens, one of the most distinguished physicians in this country, says Sherman's worm Lozenges are the safest, best article he knows of for destroying worms.

Dr. Hunter, another celebrated physician, uses no other worm medicine in his practice.

Dr. Castle, 297 Broadway, has used Sherman's Lozenges in his practice for more than two years, and never knew them to fail.

These valuable Worm Lozenges can be obtained at the Office of the JEFFERSONIAN REPUBLICAN, Stroudsburg, Monroe county, Pa.
(Only 31 cts. per box.)
