PETERS PILLS

Doct. Joseph Priestly Peters' CELEBRATED VEGETABLE ANTIBILIOUS PILLS, Are daily effecting some of the most astonishing and wonderful cures that ever was known. Mrs. E. Ward of New York was troubled with Dyspepsia and Liver Complaint for upwards of fifteen years; her symptoms were as follows. Frequent pulse—torred tongue—bowels irregular, mostly costive, yet sometimes relaxed with a bilious discharge—tine saffron colored—skin dry—thirst—bad taste in the mouth, particularly in the morning—pain in the right side, in the region of the liver, sometimes in the right shoulder; cough; expectoration of offensive matter; nausea or sickness of the stomach; yellowness of the skin and eyes; loss of appetite; lowness of spirits; broken sleep and unpleasant dreams; easily fatigued; loss of flesh; unhappy and evil forebodings, &c. By using these valuable pills a short time was entirely restored. Miss Clark, daughter of Col. Clark, was affected with irregularities and obstructions, attended by the following symptoms: Languor; disturbed sleep; pale face; cold feet; nostrils dry, urine pale, sometimes a distressing cough like a hasty consumption, sweating of the feet towards night, and of the face and eyes in the morning, general debility, lassitude, &c. By using these pills according to directions, was entirely restored. Rev. J. B. Whitefield had been several years subjected to severe headache, but by the use of three boxes, he has been entirely cured. Hon. E. D. Davis was so afflicted with Rheumatism as to be unable to dress himself. By the use of three boxes was entirely restored. Professor Armstrong says he has used them in his practice for the last five years, and his opinion is that nothing can compare with them in cases of Nervous Debility, Head Ache, Nausea, and all cases of Bilious Affections. Drs. Mott, Nelson, Rogers, Smith, Harris, Vanderburgh, Hobson, Williams, Emerson, (of New York) Waines, (of Philadelphia) Scott, (of Baltimore) and hundreds of the most eminent physicians throughout the United States, recommend these pills as decidedly superior to all others in use. These Valuable Pills can be obtained of Doct. Samuel Stokes and J. D. & C. Malvin's, Stroudsburg, only agents for Monroe county. January 4, 1842.

JOB WORK Neatly executed at this Office

A NATURAL REMEDY, Sued to our Constitutions, and competent to the cure of every curable disease will be found in the INDIAN VEGETABLE PILLS, OF THE North American College of Health. THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures this disease on NATURAL PRINCIPLES—by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE, disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms; but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more by its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union. From the Philadelphia Saturday Evening Post.

THE INDIAN VEGETABLE PILLS. Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times. THE INDIAN VEGETABLE PILLS. People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGETABLE PILLS OF THE NORTHAMERICAN COLLEGE OF HEALTH; as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times. INDIAN VEGETABLE PILLS. Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent Physician of the city recommend them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular M. D.'s constantly denouncing them. They are however, becoming more liberal in this respect, and the consequence is that good vegetable medicines are now more extensively used than formerly.

Extract of a letter from Peter Christ, Uniontown, Carroll County, Md., Nov. 17th, 1838. Dear Sir—About two months ago, I had business in Baltimore, and called at your office, and bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far superior to Pills, or any other medicine I had ever used. I had been subject to a cough for five years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cough began to leave me; and I now enjoy better health than I have done for years past. After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I

have received so much benefit in using the INDIAN VEGETABLE PILLS that I cannot help but recommend them to every invalid I see and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana. Signed, PETER CHRIST.

From G. C. Black, New York. Mr. Wm. Wright—Dear Sir—you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. One gentleman attributes his being cured of Dropsy to the use of them; and another has been cured of Dyspepsia, solely by the use of your INDIAN VEGETABLE PILLS, and is willing you should publish his case if you think proper. G. C. BLACK, No. 1 Chatham Square, New York.

Extract of a letter from Mr. A. Larrimore, Indiana. Doct. Wright—Dear Sir—Having some knowledge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family, I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrangements with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Extract of a letter from Samuel Griffith, Stewarttown, York County, Pa. Mr. W. Wright—Dear Sir—I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out.

I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are finally effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City. Mr. Wm. Wright—Dear Sir—You will have the kindness to forward me as soon as possible, two or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city. ROBERT FARNHAM, Washington City, D. C.

Extract of a letter from Lycoming County, Pa. Mr. Wm. Wright—Dear Sir—On being appointed Agents for the sale of the INDIAN VEGETABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expectations. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since which they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally. Please let us know your views on the subject, and any directions relative to the same, will be promptly attended to by Very respectfully, your friends, S WINCHESTER & SON, Jersey Shore, Lycoming county, Pa.
