HORSE BILLS 2 90 Neatly and expeditiously executed at this Office.

ANATURAL REMEDY,

Suited to our Constitutions, and competent to the 410 13 9 02 cure of every curable disease will be found in the INDIAN VEGETABLE PILLS, OF THE

North American College of Health. 391 54 1 06 THESE extraordinary Pills are composed of 388 27 6 29 plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitu-10 89 tions, than medicine concocted from foreign drugs, 50 14 82 however well they may be compounded; and as 48 7 05 THEINDIAN VEGETABLE PILLS are found-7 05 ed upon the principle that the human body is in high of them. One gentleman attributes his being

424 40 6 93 truth SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures

1 45 this disease on NATURAL PRINCIPLES-5 00 by cleansing and purifying the body; it will be man-3 24 lifest, that if the constitution be not entirely ex-7 36 hausted -a perseverance in their use, according 80 7 09 to directions, is absolutely certain to drive disease 47 6 51 of every name from the body.

6 31 When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant wa-141 114 4 01 ters; in like manner if we wish to restore the body 499 99 14 11 to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best 40 5 80 medicine in the world for carrying out this GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of disease in an easy 4 52 and NATURAL MANNER; and while they every

438 108 7 11 day GIVE EASE AND PLEASURE, 67 5 25 disease of every name is rapidly driven from the

335 132 6 84 body. The above named Indian VEGETABLE PILLS, have been three years before the American public; and 39 we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it in thiably experience relief, and re-74 commended the strongest terms: but it has effected some of the most astonishing cures ever 45 performed by medicine.

Hitherto, very few of the numerous testimoria's 21 which have been received in favor of this extraor-44 dinary medicine have been published, as the medicine obtained its present great celebrity more by 49 its own intrinsic goodness than from extensive ad-50 vertising. It has been deemed proper however to offer the following opinions of the public press, 1 26 together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union. From the Philadelphia Saturday Evening Post.

THE INDIAN VEGETABLE PILLS.

From the Philadelphia Spirit of the Times. THE INDIAN VEGETABLE PILLS.

People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGE-TABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 169 Race street, Phladelphia; as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times.

INDIAN VEGETABLE PILLS. Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North John Lander, Craigs Meadows, Monroe co. American College of Health, No. 198 Tremont John Laforge, Milford, Pike county. street, Boston. Several instances we know of STOLL & DIMMICK, Dingman's Ferry, Pike co where they are used in families with the highest Peters & Labar, Bushkill, Pike county. satisfaction; and no longer ago than yesterday, we MYERS & EDINGER, Tannersville, Monroe co heard an eminent Physician of the city recommend 49 them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular 01 M. D.'s constantly denouncing them. They are however, becoming more liberal in this respect, and the consequence is that good vegetable medicines are now more extensively used than formerly. 51 Extract of a letter from Peter Christ, Uniontown,

Carrol County, Md., Nov. 17th, 1838. Dear Sir:-About two months ago, I had busi-68 ness in Baltimore, and called at your office, and 55 bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far supe- ris Evans, who is also duly authorised to settle rior to - Pills, or any other medicine I had the accounts of the old firm. 49 ever used. I had been subject to a cough for five 72 years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cougli began to leave me; and I now enjoy better health than I have done for years past After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I have received so much benefit in using the IN-DIAN VEGETABLE PILLS that I cannot

help but recommend them to every invalid I see and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana. Signed,

PETER CHRIST. From G. C. Black, New York!

Mr. Wm. Wright-Fear Sir-you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the arri cle, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very cured of Dropsy to the use of them; and another has been cured of Dyspersia, solely by the use of your Indian Vegetable Pills, and is willing you should publish his case if you think proper. G. C. BLACK.

No. 1 Chatham Square, New York. Extract of a letter from Mr. A. Larrimore, Indiana. Doctor Wright-Dear Sir-Having some knowl. edge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family. I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrange. ments with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Mr. W. Wright-Dear Sir-I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out.

I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are finally effected, I shall do you the justice to inform you

Extract of a letter from Washington City.

Mr. Wm. Wright-Dear Sir-You will have the kindaess to forward me as soon as possible, too or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city.

ROBERT FARNHAM. Washington City, D. C.

Extract of a letter from Lycoming County, Pa. Mr. Wm Wright-Dear Sir-On being appoint ed Agents for the sale of the INDIAN VEGE-TABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial Wright's Indian Vegetable Pills are attaining they have far exceeded our most sanguine expecta great celebrity in New England as well as other tions. In fact so much so that we have been obligparts of the United States. The attempt of per- ed to send to Mr. Zimmerman, at Lancaster, more sons to defraud the public by the sale of spurious than a hundred miles from here, for ten dozen; but articles, meets with general reprobation. Mr. these will last but a very short time, the way we Wright is an indefatigable business man, and are selling them since they have been fairly tested. 3 48 shows an array of cures by the medicine which In the first place, I gave some to our Physicians, warrant confidence in the virtues of his Indian to make trial of since which they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

> We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the Indian VEGETABLE Pills; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally. Please let us know your views on the subject, and any directions relative to the same, will be promptly attended to by

Very respectfully, your friends, S WINCHESTER & SON. Jersey Shore. Lycoming county, Pa. AGENTS for the sale of the above named IN DIAN VEGETABLE PHLLS:--CHARLES BOYS, Stroudsburg, Monroe county.
