# PROTECT EACH OTHER. WAYNE COUNTY MUTUAL INSURANCE COMPANY

LL Persons insuring in this company are members equally interested in its welfare and in the election of its officers.

In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent. he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent. and an additional sum of \$1 50 for survey and policy. He then becomes a member on the approval of his application and is insured for five years. The aggregate of the premium notes constitutes the cash fund, chargable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and expenses the money to meet the losses, (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes. in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen. At the expiration of five years the note, if any

assessments have been made and paid, is given 7 Burnet, trustee of Margaret Keyser, late up, and the insured may renew his application. Policies may at any time be assigned or surrendered and cancelled, and the premium notes

# A NATURAL REMEDY.

Suited to our Constitutions, and competent to th cure of every curable disease will be found in the INDIAN VEGETABLE PILLS. OF THE

### North American College of Health

THESE extraordinary Pills are composed o plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that said medicine cures this disease on

NATURAL PRINCIPLES-

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted -a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant wa ters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best medicine in the world for carrying out this

GRAND PURIFYING PRINCIPLE. because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE. disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief. and recommend it in the strongest terms: but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more b its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union. From the Philadelphia Saturday Evening Post. THE INDIAN VEGETABLE PILLS. Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills. From the Philadelphia Spirit of the Times. THE INDIAN VEGETABLE PILLS. People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines Blank Books, Writing paper, Quills, are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGE-TABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 169 Race To the Friends of Sacred Music. street, Phladelphia ; as they are the preparation of one intimately acquainted with the healing art.

Mr. Wm. Wright-Dear Sir-you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. The pills alluded to are well thought of here and very much wanted. I wish to make arrange. ments with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Mr. W. Wright--Dear Sir--I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out.

I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are final ly effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City. Mr. Wm. Wright-Dear Sir-You will have the kindness to forward me as soon as possible, too or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city.

### The American Laborer. PROSPECTUS.

Under the above title the subscribers will pubish on the 1st of April, 1842, and on the 1st of each succeeding month, a Magazine of Facts, Arguments, Statistics, Speeches, Editorials, &c. &c., devoted exclusively to the advocacy and defence of the policy of Protection to American Labor against the selfish and grasping policy of Foreign Nations, especially of those with which we chiefly made, which shut out of their ports the great bulk of our Products, and especially those of our Free Labor, while they glut our markets, bankrupt our Merchants, depreciate our currency and famish our Laborers and Artisans by pouring in upon us the products of their skill and Industry, on the easy terms proffered them by our low and non-Protective Duties. This Magazine will inflexibly and ardently advocate the true American Policy of Milford, February 2, 1842. countervailing these gross exactions of Great Britain and other Nations by a system of direct, avowed Protection to our Home Industry which shall be thorough and efficient.

The American Laborer will affirm and maintain the policy of encouraging and fostering by wise legislation the establishment and growth in our country of new or yet feeble branches of Industry, such as the Culture of Silk, the Manufacture of whatever fabrics of Wool, Cotton, Iron, &c., may be necessary for the supply of our own wants and to secure and perfect our Independence. It will demonstrate that the true and permanent interests of all, but especially of the Agricultural and Working Classes universally, will be infallibly and sign-Product of the National Industry, will be surely and largely enhanced thereby. Mr. Wm Wright-Dear Sir-On being appoint ed Agents for the sale of the INDIAN VEGE-TABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expecta tions. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since which they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally.
