

**SHERMAN'S  
WORM LOZENGES**

Proved in more than 400,000 cases to be infallible; the only certain worm-destroying medicine ever discovered. Many diseases arise from worms and occasion long and intense suffering and even death, without their ever being suspected; grown persons are very often afflicted with them and are doctored for various complaints, without any benefit; when one dose of these Lozenges would speedily cure them.

Mr. J. Murphy, 90 North st. Philadelphia, was applied to by a poor woman whose daughter, 7 years old, had been sick for nearly 3 years; her stomach was as large as a grown person's, her arms and legs so swollen that she could not walk or help herself, although she could eat as much as two laboring men. Two celebrated doctors had exhausted their skill without any benefit; the father had spent all he could raise and was discouraged, he abandoned all idea of doing anything more for her, and looked to death alone, to take her out of her misery. Mr. Murphy believing it a case of worms, gave her a box of Sherman's Lozenges, and in two days she returned with joy beaming in her eyes, and said the Lozenges had saved her child's life. The first dose brought away nearly a pint of worms in one living mass, she afterwards counted over 800 that were discharged, besides the mass--which she could not count. The child was literally eaten up with them--another living witness of the almost miraculous efficacy of Sherman's Lozenges.

A fresh supply of the above valuable Lozenges, just received and for sale by T. SCHOCH, Republican Office, Stroudsburg, sole agent for Monroe county. Price--25 cents per box.

**PETERS PILLS**

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.--New-York Examiner.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient--being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility. Doct. Jos. Priestley Peters.

DEAR SIR:--I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D. For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D. The following from the EMINENT DOCTOR EMMERSON, is considered sufficient.

I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the BEST FAMILY MEDICINE I have ever used.

A fresh supply of these valuable Pills just received and for sale at the office of the REPUBLICAN, Stroudsburg. May 11, 1842.

**TAILORING.**

Mrs. Smith & Miss Stites, Respectfully inform the citizens of Stroudsburg and vicinity, that they have commenced the above business in Elizabeth street, at the shop formerly occupied by Charles Smith, dec'd, where they will be happy to receive orders for all kinds of work in the Tailoring Line; and where they will devote their best efforts to the accommodation of their patrons. With an experience in the business of no inconsiderable length--a determination to adhere strictly to their promises--and a resolution never to make unreasonable charges, they flatter themselves that they will receive a fair proportion of the custom of the neighborhood.

Country produce of all kinds, taken in payment for work. Stroudsburg, April 20, 1842.

**NOTICE.**

Having been called upon repeatedly for information respecting redemption monies on unseated lands, which remain in the hands of Ex-Treasurers, I take the liberty in justification to myself, as well as for the good of Monroe county, to state that from all that I was able to ascertain at the annual settlement in January last, upwards of \$1,000 00 was remaining in the hands of Ex-Treasurers. I requested Mr. Bush, late Treasurer to render an account of redemption monies received by him during his term of Office, but he refused to do so;--neither could I prevail upon my colleagues, Messrs. Mackey & Staples, to go into a settlement with the Ex-Treasurer concerning the monies received by him on unseated lands.

I now earnestly request Messrs. Storm & Bush, to examine page 201 of Purdon's Digest, 6th edition, by George Stroud, where they will find the act of assembly recorded, which expressly says, that it shall be the duty of Ex-Treasurers to pay over all redemption monies on unseated lands to their successors in office, and after convincing themselves of the duty they have overlooked, or neglected, to pay over the same at once to the present Treasurer with interest thereon. Such a course will save the Auditors much trouble at the next annual settlement, besides showing a willingness to obey the mandates of Justice.

With sentiments of respect, I remain Your obedient servant, JNO. MERWINE, one of the Auditors.

Chesnut Hill, Monroe county, May 25, 1842.

**Sherman's Cough Lozenges,**

Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. G. T. Matthews, suffered a year with a hard, tight cough, pain in the side, spitting of blood, and all the usual symptoms of consumption. The Lozenges relieved him immediately, and in a few weeks restored him to perfect health. He says they are the greatest cough medicine in the world.

The Rev. Dr. Eastmond, gave a few to a lady, a friend of his, who had been given up by her physician and friends as in the last stage of consumption. The first Lozenge gave her considerable relief, so that she was encouraged to persevere in their use; and through the blessing of God they restored her to perfect health.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief--another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, without the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the gospel. He recommends them to all who are consumptive or have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says so great a remedy through the blessing of Divine Providence, should be the common property of all, and in every family on the face of the earth.

For sale at the Republican Office, by T. Schoch, sole agent for Monroe county.

**A NATURAL REMEDY,  
Suiet to our Constitutions, and competent to the cure of every curable disease will be found in the  
INDIAN VEGETABLE PILLS,  
OF THE  
North American College of Health.**

THESE extraordinary Pills are composed of plants which grow spontaneously on our own soil; and are therefore, better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as THE INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

**SUBJECT TO BUT ONE DISEASE,** viz: corrupt humors, and that said medicine cures this disease on

**NATURAL PRINCIPLES--** by cleansing and purifying the body; it will be manifested, that if the constitution be not entirely exhausted--a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a Swamp or Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

THE INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best medicine in the world for carrying out this

**GRAND PURIFYING PRINCIPLE,** because they expel from the body all morbid and corrupt humors, the cause of disease in an easy and NATURAL MANNER; and while they every day

**GIVE EASE AND PLEASURE,** disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public; and we can now say without fear of contradiction, that of all the various medicines which have heretofore been popular, not one has given such universal satisfaction, or obtained such a permanent hold upon the affections of the people. Not only do all who use it invariably experience relief, and recommend it in the strongest terms, but it has effected some of the most astonishing cures ever performed by medicine.

Hitherto, very few of the numerous testimonials which have been received in favor of this extraordinary medicine have been published, as the medicine obtained its present great celebrity more by its own intrinsic goodness than from extensive advertising. It has been deemed proper however to offer the following opinions of the public press, together with a few extracts from letters of Agents, merely to show, that the fame of the Indian Vegetable Pills, is not confined to any one section, but is rapidly extending itself to every part of the Union.

From the Philadelphia Saturday Evening Post. **THE INDIAN VEGETABLE PILLS.** Wright's Indian Vegetable Pills are attaining great celebrity in New England as well as other parts of the United States. The attempt of persons to defraud the public by the sale of spurious articles, meets with general reprobation. Mr. Wright is an indefatigable business man, and shows an array of cures by the medicine which warrant confidence in the virtues of his Indian Vegetable Pills.

From the Philadelphia Spirit of the Times. **THE INDIAN VEGETABLE PILLS.** People are pretty well satisfied by this time, that Calomel, and the other thousand and one mineral preparations of the shops, are better adapted, as a general rule, to kill rather than cure the patient; as a matter of course, vegetable medicines are therefore in great request. There are very many humbugs, however, among the latter, and we would advise all those who have the least regard for their health, to try the INDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH, sold at 169 Race street, Philadelphia; as they are the preparation of one intimately acquainted with the healing art.

From the Boston Daily Times. **INDIAN VEGETABLE PILLS.** Of all the public advertised medicines of the day, we know of none that we can more safely recommend for the "ills that flesh is heir to" than the Pills that are sold at the depot of the North American College of Health, No. 198 Tremont street, Boston. Several instances we know of where they are used in families with the highest satisfaction; and no longer ago than yesterday, we heard an eminent Physician of the city recommend them in high terms. There used to be in the community, a great repugnance to the use of QUACK medicines, as they are all indiscriminately termed, but it was mainly owing to the regular M. D.'s constantly denouncing them. They are however, becoming more liberal in this respect, and the consequence is that good vegetable medicines are now more extensively used than formerly.

Extract of a letter from Peter Christ, Uniontown, Carroll County, Md., Nov. 17th, 1838. Dear Sir:--About two months ago, I had business in Baltimore, and called at your office, and bought a few boxes of the Indian Vegetable Pills; and upon trying them I found them to be far superior to --- Pills, or any other medicine I had ever used. I had been subject to a cough for five years past, and during the time have taken a variety of medicines without any relief, until I got the Indian Vegetable Pills, and by taking four doses, the cough began to leave me; and I now enjoy better health than I have done for years past. After I found them to be a valuable medicine, I immediately sent to Baltimore for a large supply. I have received so much benefit in using the INDIAN VEGETABLE PILLS that I cannot

help but recommend them to every invalid I see and think so well of the medicine that I have sent two dozen boxes to my invalid friends, in the State of Indiana. Signed, PETER CHRIST.

From G. C. Black, New York. Mr. Wm. Wright--Dear Sir--you will please to forward as soon as possible, some of your Indian Vegetable Pills; as we are almost out of the article, and they appear to be getting into general use here. We have a great call for the medicine at present, and those that have used them, speak very high of them. One gentleman attributes his being cured of Dropsy to the use of them; and another has been cured of DYSPEPSIA, solely by the use of your INDIAN VEGETABLE PILLS, and is willing you should publish his case if you think proper. G. C. BLACK, No. 1 Chatham Square, New York

Extract of a letter from Mr. A. Larrimore, Indiana. Doctor Wright--Dear Sir--Having some knowledge of your most excellent compound INDIAN VEGETABLE PILLS, and not knowing how to get a fresh supply, my stock being nearly exhausted, and wishing to always have them in my family, I take this method to open a correspondence with you. The pills alluded to are well thought of here and very much wanted. I wish to make arrangements with you for a constant supply, as I think a very great quantity could be sold in this section of the country.

Extract of a letter from Samuel Griffith, Stewarttown, York County, Pa. Mr. W. Wright--Dear Sir--I am selling the Indian Vegetable Pills by the dollar's worth, and at that rate the stock of Pills, left by your travelling agent, will soon be out. I am pleased to find they are such ready sale. Those who have used them, speak in the highest terms of them. Many have already found great relief from their use, and when the cures are finally effected, I shall do you the justice to inform you of the same.

Extract of a letter from Washington City. Mr. Wm. Wright--Dear Sir--You will have the kindness to forward me as soon as possible, too or three gross of the Indian Vegetable Pills. The sales have, for the last two months, increased rapidly; those who buy, generally remarking, "that they are the best pills they have ever used;" and my opinion is that they will in a short time supercede all others in this city. ROBERT FARNHAM, Washington City, D. C.

Extract of a letter from Lyscoming County, Pa. Mr. Wm. Wright--Dear Sir--On being appointed Agents for the sale of the INDIAN VEGETABLE PILLS in this place, we only took one gross on trial; but it would have been better if we had taken a half dozen gross; for on a fair trial they have far exceeded our most sanguine expectations. In fact so much so that we have been obliged to send to Mr. Zimmerman, at Lancaster, more than a hundred miles from here, for ten dozen; but these will last but a very short time, the way we are selling them since they have been fairly tested. In the first place, I gave some to our Physicians, to make trial of since which they have purchased a number of boxes, and highly approve of them. A few days ago, there was a lady sent 30 miles to get a box of the Pills, she at the time was very low, and unable to turn herself in bed; but in two days, my informant says she was able to help herself.

We could mention many other cases, but deem it unnecessary at this time; but would merely say; that as the season is fast approaching when there will be a great demand for the INDIAN VEGETABLE PILLS; and if we only could get a supply of the medicine, we could establish other agents, which would be of immense advantage not only to the NORTH AMERICAN COLLEGE OF HEALTH; but to the public generally. Please let us know your views on the subject, and any directions relative to the same, will be promptly attended to by Very respectfully, your friends, S. WINCHESTER & SON, Jersey Shore, Lyscoming county, Pa.

**LADIES' COMPANION**

A STANDARD NATIONAL MAGAZINE. Published Monthly in the City of New-York, by WILLIAM W. SNOWDEN.

TWO ENGRAVINGS IN EVERY NUMBER. The Ladies' Companion, is published monthly in the city of New York, and thus established in popular favor, after a progress of many years--issued with unflinching promptness and regularity, adorned with a beauty of typographical execution which proudly challenges criticism, and with engravings, prepared, in every instance, expressly for the work, after a careful selection of the subject--enriched constantly with fashionable and popular music--superintended, in all its departments, with the most scrupulous care for its excellence in every particular--and filled with articles from the pens of the most popular, renowned and talented writers of which our own country or England can boast, it is by no means an unwarrantable presumption thus to claim for the Ladies' Companion, the proud elevation of being a Standard National Magazine!

Looking with a jealous eye to the honor of American Literature, as well as to emolument, it is the endeavor of the proprietor of the "Companion," to be governed by principles of the broadest liberality; and to offer no pledge to the public which cannot be faithfully and fully redeemed. That very promise made in times past, has been scrupulously fulfilled, is confidently asserted, and for a full confirmation of this, every reader is appealed to; and this exactness, it is supposed, will be a sufficient guaranty for the future.

After this explanation, the proprietor of the Ladies' Companion proudly directs attention to the following

**Prominent Contributors.**

Emma C. Embury, author of "Pictures of Early Life," the "Blind Girl," etc.; Lydia H. Stigourney, Frances S. Osgood; Mrs. Selia Smith; Mrs. E. F. Ellet, author of "Character of Schiller," etc.; Ann S. Stephens; Hannah F. Gould; Mrs. E. R. Steele; Mrs. A. M. F. Annan, late Miss Buchanan; Miss A. D. Woodbridge; Mrs. Emeline S. Smith; F. W. Thomas, author of "Clinton Bradshaw," etc.; Caroline Orne, of Wolfshoro', N. H.; Miss Mary Ann Browne, England; Miss C. F. Orne, of Cambridge, Mass.; Mrs. M. St. Leon Loud; Professor J. H. Ingraham; Louis Fitzgerald Tassistro; Nathiel P. Willis; Theodore S. Fay; Park Benjamin--together with a large number of prominent writers, whose names we have not room here to insert.

Among the number of the contributors to the "Companion," above enumerated, will be perceived the names of many, whose charming productions have given lustre to our national literature, and whose reputation is identified with the progression of their country to that position in the world of letters, to which they have been signally instrumental in advancing it, and among them, there will be found the names of ladies who have established the claim of woman to the possession of the loftiest intellect, in its more refined and delicate characteristics, and have reared an enduring monument to the virtues and elevation of their sex. The talents of the contributors, it will be perceived, are of the most varied character. By this it is rendered certain that every taste will be gratified--that every branch of elegant literature will receive attention. Poetry, tales, sketches, essays--the instructive and the amusing--the grave and the gay--will be blended, to enhance the interest of the Magazine.

**The Embellishments.**

Even in this important respect, the "Companion" may be safely pronounced to maintain a decided superiority over every competitor; and in regard to its gorgeous engravings, the work is distinguished above every literary periodical, whether in England or America. Every number is ornamented with steel plates, executed by the first artists, in the most finished manner, expressly for the work! Scriptural engravings are, also, occasionally published. The reader therefore, for the low price at which the "Companion" is afforded, in addition to its admirable literary articles, obtains a port folio of elegant steel engravings.

**THE MONTHLY FASHIONS**

are also given, illustrative of the changes of attire, in female costume and ornaments. These plates are not executed on wood, but so elaborately engraved on steel, as to be of themselves worthy of preservation as beautiful pictures; for it is the determination of the proprietor of the Ladies' Companion, to offer nothing to its readers that is not worthy of unqualified admiration.

**The Musical Department**

receives the utmost attention. A piece of music is given in every number, and an experienced and competent musical professor having the immediate supervision, the selections may be relied upon as being from the most pleasing and popular songs.

**LITERARY NOTICES.**

Criticism upon the publications which may from time to time be issued, is a matter involving serious responsibility; especially when the decision of the critic is expected to influence a large portion of the community; and while the receipt of the books issued by the most prominent publishing-houses in the country, enables the proprietor of the Ladies' Companion to announce the reviews of new works to form one of the features in the conduct of the Magazine; the reader who consults them for guidance in the selection of books for purchase, may place upon them implicit reliance. The basis of criticism is an impartial and independent judgment.

**Editors' Table.**

Under this head the more important notices which may transpire, worthy of comment, will be found, embracing every subject, either local or foreign, that is considered of sufficient interest to demand attention.

In conclusion, the proprietor pledges himself that every effort will be expended to make the Ladies' Companion pre-eminent for the beauty and accuracy of its typography--the variety and value of its literary articles--the quality and value of its music--and the splendor of its pictorial embellishments.

**TERMS AND CONDITIONS.**

The Ladies' Companion is published at THREE DOLLARS a year, payable in advance, or four dollars during the year.--Two copies for five dollars--if current funds, in advance--post paid. The work is punctually issued on the first of every month, and is forwarded to subscribers by the earliest mails, strongly enveloped. New volumes commence with the May and November numbers.
