

JEFFERSONIAN REPUBLICAN

Stroudsburg, September 21, 1842.

Terms, \$2.00 in advance; \$2.25 half yearly; and \$2.50 if not paid before the end of the year.

The Approaching Election.

The politicians and office-seekers are buckling on their armour, and preparing for the October election. As far as Pennsylvania is concerned, the coming election is one of vast importance. Upon the Legislators then to be chosen, will devolve the responsible duty of electing a U. S. Senator, of reforming the financial system of the State, and of lightening the burthen of taxation which is oppressing and weighing down the energies of our citizens. The people generally seem to be actively sensible of this duty, and appear determined to have good and capable men to represent them at Harrisburg next winter. In some of the strongest loco foco counties, the voters have become dissatisfied with the iniquitous *Delaware System*, and have pledged themselves to support candidates independent of party nominations. This must be productive of great good, and may result in the choice of an independent and honest Legislature. God grant that it may.

The Ticket.

At the Delegate Meeting of the loco foco party of this County, held in Stroudsburg on the 3d inst., Joseph Kerr, Esq. was unanimously nominated for re-election to the Legislature. And on Saturday last, the Delegates of Northampton added the names of Asa Packer and Jefferson K. Heckman to the ticket. The ticket for Assembly therefore, as it now stands, is as follows.

Asa Packer,
Jefferson K. Heckman,
Joseph Kerr.

Men who did their constituents no honor last winter, and who, we hope may be defeated in their efforts to obtain a re-election. We will consider their merits at length, next week.

Eastern Elections.

Vermont, has gone for the Whigs by an increased vote. Paine, the Whig candidate for Governor, is re-elected by about 1000 majority over his two opponents. The Whig majority in the Legislature will range between 30 and 40.

Maine, has gone for the loco focos. The vote on both sides was uncommonly small this year.

A Removal.

John Tyler, the arch-traitor and apostate who now occupies the Presidential chair, has removed the Hon. Jonathan Roberts, from his situation as Collector of Customs, at Philadelphia. It will be remembered, that Mr. Roberts was appointed Collector by John Tyler, without solicitation, and the only reason for removing him is, that he would not discharge some 20 clerks under him, who were suspected to be friendly to Henry Clay.—Shame, on such depravity.

The Tariff.

We conclude the publication of the New Tariff Act in to-days paper. It is truly gratifying and heart-cheering to read the accounts of the revival of industry and labor, throughout the country, which has been brought about by its passage.—Thousands of workmen who were before unemployed, have reason to rejoice, and extend their praises and gratitude to the noble Whigs who stuck out until it became a Law.

Parson Miller has succeeded in frightening an old lady, in Maine, terribly. "Oh heavings!" cried she the other day, "if the world does come to an end what shall I do for snuff?"

DEATH OF MRS. TYLER.

The National Intelligencer of Monday, 12th inst. contains the following notice:

There is no part of our professional duty so painful to us as that of announcing the departure from this life of individuals of honorable and enviable repute, and whose personal virtues render their deaths deeply afflictive dispensations to a large and affectionate family, and to a wide circle of relatives and friends.

Such is the duty which we have now to perform, of announcing the death of Mrs. LETITIA TYLER, wife of the PRESIDENT OF THE UNITED STATES.

This most estimable lady was, in life, more truly than we can represent her in words, a Wife, a Mother, and a Christian—loving and confiding to her husband—gentle and affectionate to her children—kind and charitable to the needy and the afflicted. Deeply impressed in early life by her highly respected and pious parents with the truthful and heavenly doctrines of the meek Jesus, in all her actions, with whatever sphere in life connected, self was forgotten by her, and the good of others alone remembered, which won for her, wherever she was known, the love and esteem of all.

The pure spirit which animated her to such virtuous and exemplary deeds fled to the bosom of its God at eight o'clock on Saturday night.

DIED.

In Stroudsburg, on Wednesday evening the 14th inst., CAROLINE, youngest daughter of Stroud J. and Jeanette Hollinshead; aged 3 years, 2 months and 10 days.

Wright's Indian Vegetable Pills
Of the North American College of Health.

This extraordinary medicine is founded upon the principle that the human frame is subject to **ONLY ONE DISEASE**, viz: Corrupt Humors, or in other words Impurity of the Blood, and nothing save vegetable cleansing, is wanted in order to drive disease of every description from the body.

If the channels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be inundated? Just so with the human body; if the natural drains become closed, the accumulated impurities will most assuredly find vent in some form of disease, or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS are eminently calculated for carrying out this **GRAND PURIFYING PRINCIPLE**, because they are a purgative medicine so justly balanced and withal so natural to the human constitution, that they cannot possibly injure the most delicate; at the same time, if used in such a manner as to produce free evacuations by the bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to continue in the body. A single twenty-five cent box of the above named Indian Vegetable Pills will, in all cases, give relief, sometimes even beyond the power of words to describe, and if persevered in for a short time, there is not a malady in the whole course of human ills that can possibly withstand their astonishing and wonderful influence. **WRIGHT'S INDIAN VEGETABLE PILLS** are a certain cure for

COSTIVENESS,

Because they completely cleanse the stomach and bowels from those bilious and corrupt humours which paralyse and weaken the digestive organs, and are the cause of headache, nausea, and sickness, palpitation of the heart, rheumatic pains in various parts of the body, and many other unpleasant symptoms.

In all disordered motions of the Blood, called Intermittent, Remittent, Nervous; Inflammatory, and Putrid

FEVERS,

Wright's Indian Vegetable Pills will be found a certain remedy; because they cleanse the stomach and bowels from all bilious humours and purify the blood; consequently, as they remove every kind of disease, they are absolutely certain to cure every kind of fever.

So, also, when morbid humours are deposited upon the membrane and muscle, causing those pains, inflammations and swellings, called

RHEUMATISM, GOUT, &c.,

Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, will most assuredly, and without fail, make a perfect cure of the above painful maladies.—From three to six of said Indian Vegetable Pills taken every night on going to bed, will, in a short time, completely rid the body from all morbid and corrupt humours; and rheumatism, gout, and pain of every description, will despair, as if by magic.

For the same reason, when, from sudden changes of the atmosphere, or any other cause, the perspiration is checked, and those humours which should pass off by the skin, are thrown inwardly, causing headache, nausea, and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseness, coughs, consumption, rheumatic pains in various parts of the body, and many other symptoms of

CATCHING COLD,

Wright's Indian Vegetable Pills will invariably give immediate relief. Three or four pills taken at night on going to bed, and repeated a few times will remove all the above unpleasant symptoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing, or

ASTHMA.

Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phlegmy humours which stop the air cells of the lungs, and are the cause of the above dreadful complaint.

It should also be remembered that **WRIGHT'S INDIAN VEGETABLE PILLS** are certain to remove pain in the side, oppression, nausea and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of

LIVER COMPLAINT.

Because they purge from the body those corrupt and stagnant humours, which when deposited on the liver, are the cause of the above dangerous complaint. They are also to prevent

APOPLEXY AND SUDDEN DEATH.
Because they carry off those humours which ob-

structing the circulation, are the cause of a rush, or determination of blood to the head; giddiness, especially on turning suddenly round, blindness, drowsiness, loss of memory, inflammation of the brain, insanity, and all disorders of the mind.

Those who labour within doors should remember that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs, and at the same time owing to want of exercise, the bowels are not sufficiently evacuated, the blood becomes impure, and headache, indigestion, palpitation of the heart, and many other disagreeable symptoms are sure to follow.

WRIGHT'S INDIAN VEGETABLE PILLS Being a Cleanser of the stomach and bowels, and a **DIRECT PURIFIER of the Blood**, are certain not only to remove pain or distress of every kind from the body, but if used occasionally, so as to keep the body free from those humours which are the **CAUSE OF EVERY MALADY INCIDENT TO MAN**, they will most assuredly promote such a just and equal circulation of the blood, that those who lead a sedentary life, will be able to enjoy sound health, and **DISEASE OF ANY KIND WILL BE ABSOLUTELY IMPOSSIBLE.**

CAUTION TO AGENTS.

Country agents, and others, are respectfully informed that, owing to the great popularity, and increasing demand for the above named Pills, a host of unprincipled persons are busily engaged in manufacturing, and vending a spurious article in imitation of

WRIGHT'S INDIAN VEGETABLE PILLS. They are also further informed that I have a suit pending against one V. O. Flack, for counterfeiting the above named medicine; and are cautioned against buying or receiving medicine from said V. O. Flack, as he cannot by any possibility have the genuine Wright's Indian Vegetable Pills for sale.

All travelling agents, with genuine medicine, are provided with a certificate of agency, signed by William Wright, Vice President of the N. A. College of Health.

Travellers, who cannot show a certificate as above described, will be known as base impostors. Shun them, therefore, as you would a Highwayman, or a Midnight Robber.

Offices, devoted exclusively to the sale of Wright's Indian Vegetable Pills, wholesale and retail, No. 169 Race st Philadelphia; No. 288 Greenwich street, New York; and 198 Tremont street, Boston.
