**Wright's Indian Vegetable Pills** Of the North American College of Health.

This extraordinary medicine is founded upon the principle that the human frame is subject to ONLY ONE DISEASE, viz: Corrupt Humors, or in other words Impurity of the Blood, and nothing save vegetable cleansing, is wanted in order to drive disease of every description from the body. If the channels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be inundated? Just so with the human body; if the natural drains become closed, the accumulated impurities will most assuredly find vent in some form of disease, or death will be a certain consequence.

**WRIGHT'S INDIAN VEGETABLE PILLS** are eminently calculated for carrying out this GRAND PURIFYING PRINCIPLE, because they are a purgative medicine so justly balanced and withal so natural to the human constitution, that they cannot possibly injure the most delicate; at the same time, if used in such a manner as to produce free evacuations by the bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to continue in the body. A single twenty-five cent box of the above named Indian Vegetable Pills will, in all cases, give relief, sometimes even beyond the power of words to describe, and if persevered in for a short time, there is not a malady in the whole course of human ills that can possibly withstand their astonishing and wonderful influence.

**WRIGHT'S INDIAN VEGETABLE PILLS** are a certain cure for **COSTIVENESS,** Because they completely cleanse the stomach and bowels from those bilious and corrupt humors which paralyze and weaken the digestive organs, and are the cause of headache, nausea, and sickness, palpitation of the heart, rheumatic pains in various parts of the body, and many other unpleasant symptoms.

In all disordered motions of the Blood, called Intermittent, Remittent, Nervous, Inflammatory, and Putrid

**FEVERS,** Wright's Indian Vegetable Pills will be found a certain remedy; because they cleanse the stomach and bowels from all bilious humors and purify the blood; consequently, as they remove every kind of disease, they are absolutely certain to cure every kind of fever.

So, also, when morbid humors are deposited upon the membrane and muscle, causing those pains, inflammations and swellings, called **RHEUMATISM, GOUT, &c.,**

Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, will most assuredly, and without fail, make a perfect cure of the above painful maladies.—From three to six of said Indian Vegetable Pills taken every night on going to bed, will, in a short time, completely rid the body from all morbid and corrupt humors; and rheumatism, gout, and pain of every description, will disappear, as if by magic.

For the same reason, when, from sudden changes of the atmosphere, or any other cause, the perspiration is checked, and those humors which should pass off by the skin, are thrown inwardly, causing headache, nausea, and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseness, coughs, consumption, rheumatic pains in various parts of the body, and many other symptoms of

**CATCHING COLD,** Wright's Indian Vegetable Pills will invariably give immediate relief. Three or four pills taken at night on going to bed, and repeated a few times will remove all the above unpleasant symptoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing, or **ASTHMA.**

Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phlegmy humors which stop the air cells of the lungs, and are the cause of the above dreadful complaint. It should also be remembered that **WRIGHT'S INDIAN VEGETABLE PILLS** are certain to remove pain in the side, oppression, nausea and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of

**LIVER COMPLAINT.** Because they purge from the body those corrupt and stagnant humors, which when deposited on the liver, are the cause of the above dangerous complaint. They are also to prevent **APPOLEXY AND SUDDEN DEATH.**

Because they carry off those humors which obstructing the circulation, are the cause of a rush, or determination of blood to the head; giddiness, especially on turning suddenly round, blindness, drowsiness, loss of memory, inflammation of the brain, insanity, and all disorders of the mind.

Those who labour within doors should remember that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs, and at the same time owing to want of exercise, the bowels are not sufficiently evacuated, the blood becomes impure, and headache, indigestion, palpitation of the heart, and many other disagreeable symptoms are sure to follow **WRIGHT'S INDIAN VEGETABLE PILLS** Being a Cleanser of the stomach and bowels, and a DIRECT PURIFIER of the Blood, are certain not only to remove pain or distress of every kind from the body, but if used occasionally, so as to keep the body free from those humors which are the CAUSE OF EVERY MALADY INCIDENT TO MAN, they will most assuredly promote such a just and equal circulation of the blood, that those who lead a sedentary life, will be able to enjoy sound health, and DISEASE OF ANY KIND WILL BE ABSOLUTELY IMPOSSIBLE.

**CAUTION TO AGENTS.** Country agents, and others, are respectfully informed that, owing to the great popularity, and increasing demand for the above named Pills, a host of unprincipled persons are busily engaged in manufacturing, and vending a spurious article in imitation of **WRIGHT'S INDIAN VEGETABLE PILLS.**

They are also further informed that I have a suit pending against one V. O. Flack, for counterfeiting the above named medicine; and are cautioned against buying or receiving medicine from said V. O. Flack, as he cannot by any possibility have the genuine Wright's Indian Vegetable Pills for sale.

All travelling agents, with genuine medicine, are provided with a certificate of agency, signed by William Wright, Vice President of the N. A. College of Health.

Travellers, who cannot show a certificate as above described, will be known as base impostors. Shun them, therefore, as you would a Highwayman, or a Midnight Robber.

**New and Extraordinary Invention!!!**

**FRANCIS'S HIGHLY IMPROVED MANIFOLD WRITER.**—By this wonderful invention a letter and duplicate can be written in one operation with more ease and greater facility than a single letter with an ordinary pen and ink. To the mercantile, professional and travelling part of the community this truly great invention is of infinite value as it is a great saving of TIME, TROUBLE and EXPENSE. The principal advantage to be derived from the manifold writer is, that a copy of any document may be kept without any additional trouble to the writer, and without any necessity of using either an inkstand or a pen. The instrument used for writing is an agate point, consequently it never wears by use. For banks, insurance offices, merchants, men of business generally, lawyers, postmasters, editors, reporters, public officers, and all who may be desirous of preserving copies of their letters, documents, &c. with an immense saving of time and the satisfaction of having an exact copy of what they have written, this will be found invaluable.

The following is from the Chairman of the Committee on Chemicals, appointed by the Managers of the American Institute at their late Fair: "The judges appointed by the Managers of the Fair of the American Institute, held at Niblo's Garden, October, 1841, report, that we have examined into the merits of Francis's Manifold Writer, and find it to be a very ingenious and useful contrivance, by which two or more letters, or other documents, may be written at once. The ink used is not in a liquid state, but consists of a composition applied to sheets of paper: The nature of this composition is such that it is not liable to change color by exposure to the air or moisture; nor is it easily removed from paper by chemical agents."

"The principal advantage to be derived from a use of the Manifold Writer is, that a copy of any document may be kept without any additional trouble to the writer, and without the necessity of using either an inkstand or a pen. It is stated that a copy-right is secured. We consider Mr. Francis deserving a reward from the Institute. (Signed) JAS. R. CHITON, M. D. Ch'n. Consequently a medal was awarded. Francis's Manifold Writer has now been in successful operation two years, during which time the proprietor has had the pleasure of receiving the unfeigned approbation of all whose observation it has come under. At the late fair of the American Institute the merits of the article were examined into by three of the most able chemists in the country, who pronounced it to be a very ingenious and useful contrivance, and not liable to change color by exposure to air, moisture, or chemical agents. Consequently a medal was awarded by the Institute. The proprietor has lately made great improvements in this article. The paper is of the best quality manufactured in the United States, being made for the Manifold writer expressly to his order. The ruling of them, which has for some time been thought impossible, has at length been brought to perfection for which a copyright has been secured. The copying books are bound in a variety of forms and sizes, varying in price from 50 cents upwards. Stationers and Country Merchants in general will find it to their advantage to procure the article, as they meet with a ready sale. A liberal deduction made to those who buy by wholesale. Newspapers or magazines throughout the country copying the above entire without alteration of abridgement (including this notice) and give it twelve inside insertions shall receive a copy subject to their order by sending a paper containing the advertisement to the office of the subscriber. LEWIS FRANCIS, 83 William street, corner Maiden Lane, New-York. September 14, 1842.
