The unbounded approbation bestowed on the
plan and execution of the YOUNG PEOPLE'S
BOOK, by the conductors of the public press
throughout the U. States, and by numerous per-
sons of the highest distinction, in the various walks
of Literature, Science and Art, as well as the sub-
stantial patronage it has received, have induced
the publisher not only to increase its claims to re-
gard by

ADDING TO ITS LITERARY MERITS,
but also to make it more accessible to all classes
of the community, by

Reducing the Price of Subscription.

For the former purpose, besides continuing the
services of

PROFESSOR FROST,

whose ample scholarship, enlarged information,
correct taste, and acknowledged ability as an elean-
ant and instructive writer, peculiarly qualify him
for the management of a periodical devoted to
young people, the publisher has engaged the

EDITORIAL AID OF T. S. ARTHUR,

a gentleman so favorably known to the American
public, through the medium of his unsurpassed pro-
ductions, that it would be idle to pronounce any
eulogy on his merits. Perhaps no living author is
more eminently fitted to impart instruction in an
attractive and impressive form than Mr. Arthur.

Endowed with an extraordinary acuteness of per-
ception, and the most vivid power of delineation,
he has applied these rare gifts to the development
of practical truths, and while every thing which
falls from his pen is calculated to attract and fix the
highest degree of interest, it impresses at the same
time the most useful moral. Thousands, it may
confidently be asserted, have already been awa-
kened to a sense of duties unperformed, or evil
habits unrestrained, by the simple and unobtrusive
but searching lessons he has taught, and in the new
field which his connection with the editorial de-
partment of the Young People's Book will open to
him, no doubt can be entertained that he will reap
fresh honors for himself, and confer fresh benefits
on the community.

In addition to the labours of the editors, whose
energies will be constantly directed to maintain
and improve the high character which the Young
People's Book has acquired, the various literary
and scientific persons, whose contributions have
given dignity and force to the work, will continue
to be regular correspondents, and to these will be
united almost every native writer, male or female,
whose aid may be made instrumental in promoting
the great object of the work—namely, to convey
useful knowledge in such a form as will gratify
the tastes while it will improve the minds and
hearts of those classes to whom it will be espe-
cially addressed.

Without intending the slightest disparagement
to either of the many admirable periodicals now
issued from the American press, the publisher of
the Young People's Book feels justified in saying
that his work possesses advantages, in some re-
pects, which no other can fairly claim. Avoiding
on the one hand whatever is frivolous in itself or
false in its teachings, and on the other, whatever
is tedious or unentertaining, it occupies a middle
ground between the magazines exclusively devo-
ted to light literature and those of a purely scien-
tific character, and by making the graces of com-
position subservient to the inculcation of practical
knowledge, it is calculated alike for pleasure and
profit.

In point of embellishment the Young People's
Book will not suffer by comparison with the cost-
liest productions of the times.

The Mezzotint and Steel Pla-
tes

it has furnished have all been prepared by artists
of the greatest celebrity, and some of the former
are universally admitted to surpass in appropri-
ateness of design and elegance of execution, any
others which have been published in this country.
Those intended for the forthcoming volume are
not less distinguished by fitness and beauty; and
adding to these the

NUMEROUS ENGRAVINGS ON WOOD
which will also be given, it may be predicted with
safety that the pictorial department will be such,
as of itself will merit the most extended patronage.

The Young People's Book, though, as its name
implies, principally designed for youth of both
sexes, is adapted to all classes. Persons of every
age who are competent to read understandingly
may derive both information and amusement from
its pages, and in every well ordered family circle
it cannot fail to prove an acceptable and agree-
able companion, through whose agency both men-
tal recreation and mental discipline will be pro-
moted. To enable every family, no matter how
limited its pecuniary circumstances may be, to
subscribe, the publisher has determined to reduce
the price of the work, notwithstanding the new
arrangements he has entered into will consider-
ably augment the outlay he is compelled to make.
For his compensation he relies on an enlarged
subscription list, which he cannot permit himself
to doubt he will immediately obtain.

The Young People's Book is published Month-
ly. Each number will contain an ample variety
of original Reading Matter, a Mezzotint or Steel

plate, and other Engravings. The price to single
subscribers will be only \$1 50 per annum, or four
copies for \$5, and ten copies for \$10, payments to
be made invariably in advance. The plates alone,
if purchased separately, would cost treble the price
of subscription.

SHERMAN'S
WORM LOZENGES

Proved in more than 400,000 cases to be infal-
lible; the only certain worm-destroying medi-
cine ever discovered. Many diseases arise
from worms and occasion long and intense suf-
fering and even death, without their ever being
suspected; grown persons are very often afflic-
ted with them and are doctored for various com-
plaints, without any benefit; when one dose of
these Lozenges would speedily cure them.

Mr. J. Murphy, 90 North st. Philadelphia,
was applied to by a poor woman whose daugh-
ter, 7 years old, had been sick for nearly 3
years; her stomach was as large as a grown
person's, her arms and legs so swollen that she
could not walk or help herself, although she
could eat as much as two laboring men. Two
celebrated doctors had exhausted their skill
without any benefit; the father had spent all he
could raise and was discouraged, he abandon-
ed all idea of doing anything more for her, and
looked to death alone, to take her out of her
misery. Mr. Murphy believing it a case of
worms, gave her a box of Sherman's Lozenges,
and in two days she returned with joy beaming
in her eyes, and said the Lozenges had saved
her child's life. The first dose brought away
nearly a pint of worms in one living mass, she
afterwards counted over 800 that were discharg-
ed, besides the mass—which she could not
count. The child was literally eaten up with
them—another living witness of the almost mir-
aculous efficacy of Sherman's Lozenges.

A fresh supply of the above valuable
Lozenges, just received and for sale by T.
SCHOCH, Republican Office, Stroudsburg,
sole agent for Monroe county.

Price—25 cents per box.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Ve-
getable Pills, and have no hesitation in pronoun-
cing them the best Antibilious Medicine that we
have ever used in our families. We are acquaint-
ed with several families in this city who give them
the preference to all other kinds, on account of
their mildness, and at the same time, certainty of
action.—New-York Examiner.

More than ten millions of boxes of these truly
valuable Antibilious Pills have been sold in the
United States, Canada, West Indies, Mexico, and
Texas, since the first of January, eighteen hun-
dred and thirty-five.

Hundreds and thousands bless the day they were
induced by the persuasion of a friend, to try a Box
of Doctor Peters' Pills.

They are in use as a Family Medicine, and all
who have used them give them the preference to
all other kinds, on account of their being a safe,
pleasant, and easy aperient—being mild in their
action at the same time; though, in their operation,
producing neither sickness, griping, nor debility.

Doct. Jos. Priestley Peters,
DEAR SIR—I have used your valuable
Pills these last four years, in cases of Dyspepsia,
Liver Complaint, and Sick Head-ache, and have
found them, in a majority of cases, the most valu-
able Pills I have ever used.

JOHN CASE, M. D.
For Sick or Nervous Head-ache, or Bilious Fe-
ver, I would recommend Peters' Pills in preference
to all other kinds.

R. H. ARMSTRONG, M. D.
The following from the EMINENT DOCTOR
EMMERSON, is considered sufficient.

I have used in my practice, these last five years,
Doctor Jos. Priestley Peters' Vegetable Antibilious
Pills, and considered them the BEST FAMILY
MEDICINE I have ever used.

A fresh supply of these valuable Pills just re-
ceived and for sale at the office of the REPUBLICAN,

Weak Backs! Weak Backs!!
1,000,000 SOLD YEARLY.

Price only 12 1/2 cents a piece. Sherman's Poor Man's Plaster.

The best strengthening plaster in the world,
and a sovereign remedy for pains, or weakness in
the back, loins, sides, breast, neck, limbs, joints,
rheumatism, lumbago, &c. &c.

Jos. W. Hoyle, esq., who had been so afflicted
with rheumatism, as to be unable to dress himself
without assistance, was enabled after wearing one,
only one night, to get up alone in the morning, put
on his clothes, and call at our office with eyes
beaming with joy, and his tongue pouring forth
the gladness of his heart, at the sudden and signal
relief he had received from this best of all reme-
dies.

Mr. David Williams, of Elizabethtown, N. J.,
an old Revolutionary Soldier, was so afflicted with
Rheumatism, that he could scarcely help himself—
these Plasters entirely cured him. Thousands of
certificates might be given of their wonderful pro-
perties, but the fact of the enormous quantity sold,
must be the greatest evidence of their virtue.

For sale at the Republican Office, by T. Schoch,
sole agent for Monroe county.

PROTECT EACH OTHER.
WAYNE COUNTY MUTUAL
INSURANCE COMPANY.

ALL Persons insuring in this company are
members equally interested in its welfare
and in the election of its officers.

In order to become a member of this company
and thereby be insured, the applicant gives a pre-
mium note, the amount of which is in proportion
to the amount to be insured, and its degree of
hazard, thus: If \$1000 is to be insured, at 5 per
cent., he gives his note for \$50. If at 10 per cent.
he gives his note for \$100, and in that proportion
for a greater or less sum, according to the rate of
hazard, on which note he advances 6 per cent. and
an additional sum of \$1 50 for survey and policy.
He then becomes a member on the approval of
his application and is insured for five years. The
aggregate of the premium notes constitutes the
cash fund, chargeable first, with the expenses, and
second, with the losses of the Company; and
should it prove insufficient to pay both losses and
expenses the money to meet the losses, (should
any occur) is borrowed agreeably to the act of in-
corporation, and paid. An assessment is then
made to repay such loan upon the premium notes,
in proportion to their respective amounts, and in no
case to be made but once a year, notwithstanding
several losses may happen.

At the expiration of five years the note, if any
assessments have been made and paid, is given
up, and the insured may renew his application.

Policies may at any time be assigned or sur-
rendered up and cancelled, and the premium notes
given up, according to the by-laws of the Com-
pany. No more than three fourths of the cash
value of any property will be insured, and all
great hazards: such as Cotton Factories, Powder
Mills, Distilleries, Machine Shops, Manufactories
for Printer's Ink; and all establishments of the
same class of hazards, are not insured upon any
conditions whatever, and that no one risk is taken
over \$5000, it is considered much more safe and
less expensive than in Stock companies, where
they insure large amounts and hazardous property.

Wright's Indian Vegetable Pills
Of the North American College of Health.

This extraordinary medicine is founded upon
the principle that the human frame is subject to
ONLY ONE DISEASE, viz: Corrupt Humors,
or in other words Impurity of the Blood, and noth-
ing save vegetable cleansing, is wanted in order
to drive disease of every description from the bo-
dy.

If the channels of our mighty rivers should be-
come choked up, would not the country be inun-
dated? Just so with the human body; if the natural drains
become closed, the accumulated impurities will
most assuredly find vent in some form of disease,
or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS
are eminently calculated for carrying out this
GRAND PURIFYING PRINCIPLE, because
they are a purgative medicine so justly balanced
and withal so natural to the human constitution,
that they cannot possibly injure the most delicate;
at the same time, if used in such a manner as to
produce free evacuations by the bowels, and re-
peated a few times, it will be absolutely impossi-
ble for pain or distress of any kind to continue in
the body. A single twenty-five cent box of the
above named Indian Vegetable Pills will, in all
cases, give relief, sometimes even beyond the
power of words to describe, and if persevered in
for a short time, there is not a malady in the
whole course of human ills that can possibly with-
stand their astonishing and wonderful influence.

WRIGHT'S INDIAN VEGETABLE PILLS
are a certain cure for
COSTIVENESS,
Because they completely cleanse the stomach and
bowels from those bilious and corrupt humors
which paralyze and weaken the digestive organs,
and are the cause of headache, nausea, and sick-
ness, palpitation of the heart, rheumatic pains in
various parts of the body, and many other unplea-
sant symptoms.

In all disordered motions of the Blood, called
Intermittent, Remittent, Nervous, Inflammatory,
and Putrid
FEVERS,
Wright's Indian Vegetable Pills will be found a
certain remedy; because they cleanse the stom-
ach and bowels from all bilious humors and pu-
rify the blood; consequently, as they remove every
kind of disease, they are absolutely certain to
cure every kind of fever.

So, also, when morbid humors are deposited
upon the membrane and muscle, causing those
pains, inflammations and swellings, called
RHEUMATISM, GOUT, &c.,
Wright's Indian Vegetable Pills may be relied on
as always certain to give relief, and if persevered
with, will most assuredly, and without fail, make
a perfect cure of the above painful maladies.—
From three to six of said Indian Vegetable Pills
taken every night on going to bed, will, in a short
time, completely rid the body from all morbid and
corrupt humors; and rheumatism, gout, and pain
of every description, will despair, as if by magic.

For the same reason, when, from sudden
changes of the atmosphere, or any other cause,
the perspiration is checked, and those humors
which should pass off by the skin, are thrown in-
wardly, causing headache, nausea, and sickness,
pain in the bones, watery and inflamed eyes, sore
throat, hoarseness, coughs, consumption, rheu-
matic pains in various parts of the body, and ma-
ny other symptoms of
CATCHING COLD,
Wright's Indian Vegetable Pills will invariably
give immediate relief. Three or four pills taken
at night on going to bed, and repeated a few times
will remove all the above unpleasant symptoms,
and restore the body to even sounder health than
before. The same may be said of difficulty of
breathing, or
ASTHMA.

Wright's Indian Vegetable Pills will loosen
and carry off by the stomach and bowels those
rough and phlegmy humors which stop the air
cells of the lungs, and are the cause of the above
dreadful complaint.

It should also be remembered that WRIGHT'S
INDIAN VEGETABLE PILLS are certain to
remove pain in the side, oppression, nausea and
sickness, loss of appetite, costiveness, a yellow
tinge of the skin and eyes, and every other symp-
tom of
LIVER COMPLAINT.

Because they purge from the body those corrupt
and stagnant humors, which when deposited on
the liver, are the cause of the above dangerous
complaint. They are also to prevent
APOPLEXY AND SUDDEN DEATH.

Because they carry off those humors which ob-
structing the circulation, are the cause of a rush,
or determination of blood to the head; giddiness,
especially on turning suddenly round, blindness,
drowsiness, loss of memory, inflammation of the
brain, insanity, and all disorders of the mind.

Those who labour within doors should remem-
ber that they frequently breathe an atmosphere
which is wholly unfit for the proper expansion of
the lungs, and at the same time owing to want of
exercise, the bowels are not sufficiently evacua-
ted, the blood becomes impure, and headache, in-
digestion, palpitation of the heart, and many other
disagreeable symptoms are sure to follow
WRIGHT'S INDIAN VEGETABLE PILLS

Being a Cleanser of the stomach and bowels, and
a DIRECT PURIFIER of the Blood, are certain
not only to remove pain or distress of every kind
from the body, but if used occasionally, so as to
keep the body free from those humors which are
the CAUSE OF EVERY MALADY INCLU-
DENT TO MAN, they will most assuredly pro-
mote such a just and equal circulation of the
blood, that those who lead a sedentary life, will
be able to enjoy sound health, and DISEASE OF
ANY KIND WILL BE ABSOLUTELY IM-
POSSIBLE.

CAUTION TO AGENTS.

Country agents, and others, are respectfully in-
formed that, owing to the great popularity, and
increasing demand for the above named Pills, a
host of unprincipled persons are busily engaged
in manufacturing, and vending a spurious article
in imitation of
WRIGHT'S INDIAN VEGETABLE PILLS.

They are also further informed that I have a
suit pending against one V. O. Flack, for coun-
feting the above named medicine; and are re-
quested against buying or receiving medicine
said V. O. Flack, as he cannot by any possible
means have the genuine Wright's Indian Vegetable Pills
for sale.

All travelling agents, with genuine medicine,
are provided with a certificate of agency, signed
by William Wright, Vice President of the N. A.
College of Health.

Travellers, who cannot show a certificate

Sherman's Cough Lozenges.

Are the safest, most sure and effectual remedy
for Coughs, Colds, Consumptions, Whooping Cough,
Asthma, Tightness of the Lungs or Chest, &c. &c.
The proprietor has never known an instance where
they did not give perfect satisfaction.

Over 3,000 persons have given their names with-
in the last year as a reference of the wonderful
virtues of these Cough Lozenges. They cure all
recent cases in a few hours, seldom requiring more
than one day to entirely eradicate the most dis-
tressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings,
Wall st., gave some to a friend who had not enjoy-
ed a night's sleep for several weeks, being every
few minutes attacked with such a distressing
cough, as almost to take away his life. The Lo-
zenges made him raise easy, and enabled him to
sleep well all night. He had tried every thing he
heard of, and nothing else afforded the least relief
—another instance of saving a fellow being from
an untimely grave.

The Rev. Darius Anthony, of the Oneida Con-
ference, was given up as incurable, believed to be
on the verge of the grave from consumption, with-
out the hope of relief, till he tried these Lozenges.
They relieved him immediately, and in a few
weeks restored him to health, so that he could re-
sume his duties as a minister of the gospel. He
recommends them to all who are consumptive or
have any derangement of their lungs, as the great-
est medicine in the known world. He has wit-
nessed their effects on several others, and always
with the happiest results. He says so great a
remedy through the blessing of Divine Providence,
should be the common property of all, and in every
family on the face of the earth.
