

Brilliance, Utility and Economy Combined!

TEN COPIES FOR TEN DOLLARS!  
**MISS LESLIE'S MAGAZINE,**  
 OR THE HOME BOOK OF LITERATURE, FASHION, AND  
 DOMESTIC ECONOMY.  
 The First Number will be issued in JANUARY,  
 1843, and will contain

FIVE SPLENDID PLATES.  
 Edited by Miss E. LESLIE, author of "Mrs.  
 Washington Potts," &c. and T. S. ARTHUR, au-  
 thor of "Six Nights with the Washingtonians," &c.  
 Embellished with the most exquisite Mezzotint  
 and Steel Plates, and splendid coloured Plates of  
 the Fashions.

The great demand which has existed for the  
 past year, for Godey's Lady's Book, Graham's  
 Magazine, and other kindred publications, has in-  
 duced the subscriber to present to the public a  
 Monthly Magazine, similar in its general features  
 to the popular works referred to, but with some  
 claims to attention which they do not possess. For  
 this purpose he has secured the aid of MISS E.  
 LESLIE, universally known as the first female  
 writer of the age, and particularly distinguished by  
 her graphic sketches of manners, and her success  
 in illustrating and correcting fashionable follies.

As the writer of various books, and a contribu-  
 tor to Godey's Lady's Book, Graham's Magazine,  
 and other periodicals of high reputation, Miss Les-  
 lie has done much to enlighten and entertain the  
 public, and in the Magazine now presented, which  
 bears her name, she will make her eminent talents  
 still more available for the general good. Besides  
 a series of Nouvellettes, in her own inimitable  
 style, in which, under cover of amusement, some  
 beneficial design will be promoted, she will fur-  
 nish from her observation, reading and experience,  
 a succession of Essays on Household Economy,  
 embracing general suggestions for the regulation  
 of domestic establishments, hints and reflections  
 useful to housekeepers, practical advice, numer-  
 ous receipts never before published, and all other  
 things that may be made subservient to the pur-  
 pose. This department of the Magazine, though  
 no undue space will be allotted to it, is not to be  
 found in any other periodical, and the Publisher  
 is satisfied that it will not be less interesting and  
 valuable than it is novel.

As it is the purpose of the Publisher to make the  
 Magazine tributary to useful designs, he has made  
 an arrangement with the justly celebrated T. S.  
 ARTHUR, Esq. by which that gentleman will be  
 directly engaged in a joint superintendance, and  
 will bestow his best endeavors. Mr. Arthur will  
 furnish for each number one or more of his life-  
 like narratives, and such other matter as may be  
 adapted to the amusement and improvement of all  
 ages and classes, especially young ladies, to whose  
 interests the utmost care will be directed.

Believing that a proper taste in dress is essen-  
 tial to the true development of female gratefulness,  
 a portion of the work will be devoted to an expo-  
 sition and illustration of the prevailing Fashions.  
 This will be strictly and exclusively under the  
 care of Miss Leslie, whose severe taste and ample  
 opportunities of observation will confer upon what-  
 ever receives the stamp of her approbation, a high  
 authority. To enable her to select the newest,  
 latest, and most recherche fashions, the Publisher  
 has made arrangements to receive, by the Steam-  
 ers, the latest issues of Paris and London; and to  
 give the highest possible effect to the modes select-  
 ed, he has made an engagement with a celebrated  
 Artist to compose and modify the groups, so as to  
 render them highly effective. He therefore does  
 not hesitate to announce that his Fashion Plates  
 will be not only more correct, but will be execu-  
 ted in a style of greater brilliancy and elegance  
 than any which can be found in any other publi-  
 cation.

Miss Leslie's Magazine will, as will be per-  
 ceived from what has been stated, be emphatically  
 a Home Book, and it will contain matter especial-  
 ly calculated for ornament to the centre table, in-  
 teresting reading and conversation in the Draw-  
 ing Room, and for the Family Fireside, valuable  
 suggestions in the housekeeper's department, and  
 wearing illustrations in the style of dress.

The embellishments will be in the first style of  
 the pictorial art. Each number will contain, at  
 least, two Plates; and in the course of the volume  
 there will be presented several Superb Mezzotints,  
 of the highest possible elegance and finish.

The contents of Miss Leslie's Magazine will be  
 such to give it, in this respect, a decided superi-  
 ority. No more reverence for the names will in-  
 duce the Editors to admit any article of question-  
 able merit, but everything admitted will be judged  
 of by its intrinsic worth, and nothing can possibly  
 find a place which will not be calculated to pro-  
 mote the entertainment and edification of its read-  
 ers.

**NOTICE**  
**TO SAW-MILL OWNERS,**  
**Or those who are about to build**  
**or repair.**  
 The undersigned respectfully informs the  
 public that he is duly authorised to sell the  
 Right of the Johnson Re-acting Water wheel,  
 to the counties of Monroe and Pike, patented  
 the 22d day of June, A. D. 1840.  
 The Johnson re-acting wheel is the best now  
 in use to propel a saw mill; it excels any other  
 wheel in the United States under a low water  
 head;—under a head from 5 to 7 feet is suffi-  
 cient to cut from 2 to 3000 feet in twelve hours  
 of inch or any other boards with ease. The  
 wheels require, under a 7 foot head, 140 inches  
 of water and so in proportion to any other head.  
 Under a 7 foot head, the Saw will make from  
 200 to 250 strokes per minute. The advan-  
 tage which these wheels have over any other  
 wheels is, that it requires but four posts to make  
 the floor or bulk head; the wheels are hung on  
 the crank shaft. Two wheels are what is re-  
 quired for a Saw mill, and the posts planked  
 inside the same as a pen stock. I have built one  
 of those mills this season, on the Roaring  
 Brook, in Luzerne county, for Mr. S. P. Tem-  
 plin, under about a 7 foot head, which will cut  
 from 3 to 4000 in twelve hours of inch boards;  
 —therefore, I can recommend them as the best  
 wheels now in operation. There are several  
 more mills in that part, all under low heads,  
 which answers the same purpose as that of Mr.  
 Templin. For further information, please call  
 on the subscriber.

Note.—It may be proper to remark, that the  
 notes of nearly all the country banks are re-  
 deemed in specie on presentation at their coun-  
 ters; and that the cause of their depreciation in  
 the city, is owing to a resolution of the city  
 banks to receive on deposit the notes of those  
 banks only which have effected an arrange-  
 ment with a city bank to redeem their notes  
 when presented. Those country banks there-  
 fore, which are quoted at par, have an agency  
 in the city where their notes are paid in specie  
 on demand.
