**DR. LEIDY'S TETTER & ITCH OINTMENT (25 Cts.)**

As Usual—No sooner does one of Dr. Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr. Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words "Dr. Leidy's Tetter and Itch Ointment" blown in the glass, besides containing his written signature on a yellow label outside.

DR. LEIDY'S Tetter and Itch Ointment has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objection most persons have, to having their names published in connection with so disagreeable and loathsome affections. In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances. Price 25 cents a bottle.

Prepared only, and for sale, Wholesale and Retail, at N. B. Leidy's Health Emporium, No 191 N. Second street, below Vine, (sign of the Golden Eagle and Serpents) Philadelphia.

Also, sold at Wm. Eastburn's Store Stroudsburg. Jan. 4, 1843.

**WORMS! WORMS!!**

If parents know the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1-2 cents a small, and 25 cents a large package. Prepared only, and for sale, wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents,) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg. Jan. 4, 1842.

**DR. LEIDY'S SARSAPARILLA BLOOD PILLS (25 Cents a Box)**

**VICTORY!**

WHO DOES NOT KNOW OF MR. LEIDY'S BLOOD PILLS? a component part of which is Sarsaparilla.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the

PURGATIVE AND PURIFYING properties that can be combined in the form of Pills.

**NEWSPAPER PUFFING**

is unnecessary to their success. Their efficacy, in one case, is a sure introduction and passport of them to a thousand.

**FIVE YEARS**

Employment of them throughout the United States, have made them as they deserve to be

**VICTORIOUS!**

Whilst the Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the people in various ways to introduce their Pills, publishing columns of matter and bolstering them up by

MADE, FALSE, LYING CERTIFICATES, and attributing to their Pills the powers of effecting every thing, barely excepting the

**RESTORATION OF THE DEAD TO LIFE.**

Dr. LEIDY has allowed his Blood Pills to become known by their effects; thus establishing them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other Pills have gone out of use since their introduction; many have fallen into disrepute, and some are now altogether unknown; still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their Pills possess; but the public are fully sensible of such imposition.

**DR. N. B. LEIDY**

is a regular Physician and Druggist, attested by Doctors Physic, Chapman, Jackson, De-wees, Horner, Gibson, Cox, Hare, Parrish, James, Robert, Adrain, L. L. D.; T. L. Biddle, esq., Rev. W. H. Dalancy, &c. &c. and well knows the nature of the ingredients contained in his BLOOD PILLS, and knows too their adaptation in all cases where a purgative is required, or for purifying the Blood.

THERE IS NO RISK OR DANGER in employing them, they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the Piles—they do not produce irregularity of the Bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

So many recommendations of them having been published from time to time, certificates from the North, South, East and West, editorial comments on their character, &c. &c. that it is deemed useless to say much more of them.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

Price 25 cents per box. They are prepared and sold, wholesale and retail, at DR. LEIDY'S HEALTH EMPORIUM, No. 191 North Second Street, below Vine st. (sign the Golden Eagle and Serpents.)

Also, sold at F. Klett, corner of 2d and Callowhill street. I. Gilbert & Co. 3d above Vine street. J. Smith & Co. 2d street next the Red Lion. Also, sold at Wm. Eastburn's store, Stroudsburg. Jan. 4, 1843.

Note.—It may be proper to remark, that the notes of nearly all the country banks are redeemed in specie on presentation at their counters; and that the cause of their depreciation in the city, is owing to a resolution of the city banks to receive on deposit the notes of those banks only which have effected an arrangement with a city bank to redeem their notes when presented. Those country banks therefore, which are quoted at par, have an agency in the city where their notes are paid in specie on demand.

TEN COPIES FOR TEN DOLLARS!

**MIS LESLIE'S MAGAZINE.**

OR THE HOME BOOK OF LITERATURE, FASHION, AND DOMESTIC ECONOMY.

The First Number will be issued in JANUARY, 1843, and will contain

FIVE SPLENDID PLATES.  
Edited by Miss E. LESLIE, author of "Mrs. Washington Potts," &c. and T. S. ARTHUR, author of "Six Nights with the Washingtonians," &c. Embellished with the most exquisite Mezzotint and Steel Plates, and splendid coloured Plates of the Fashions.

The great demand which has existed for the past year, for Godey's Lady's Book, Graham's Magazine, and other kindred publications, has induced the subscriber to present to the public a Monthly Magazine, similar in its general features to the popular works referred to, but with some claims to attention which they do not possess. For this purpose he has secured the aid of MISS E. LESLIE, universally known as the first female writer of the age, and particularly distinguished by her graphic sketches of manners, and her success in illustrating and correcting fashionable follies.

As the writer of various books, and a contributor to Godey's Lady's Book, Graham's Magazine, and other periodicals of high reputation, Miss Leslie has done much to enlighten and entertain the public, and in the Magazine now presented, which bears her name, she will make her eminent talents still more available for the general good. Besides a series of Nouvelletes, in her own inimitable style, in which, under cover of amusement, some beneficial design will be promoted, she will furnish from her observation, reading and experience, a succession of Essays on Household Economy, embracing general suggestions for the regulation of domestic establishments, hints and reflections useful to housekeepers, practical advice, numerous receipts never before published, and all other things that may be made subservient to the purpose. This department of the Magazine, though a no undue space will be allotted to it, is not to be found in any other periodical, and the Publisher is satisfied that it will not be less interesting and valuable than it is novel.

As it is the purpose of the Publisher to make the Magazine tributary to useful designs, he has made an arrangement with the justly celebrated T. S. ARTHUR, Esq. by which that gentleman will be directly engaged in a joint superintendance, and will bestow his best endeavors. Mr. Arthur will furnish for each number one or more of his lifelike narratives, and such other matter as may be adapted to the amusement and improvement of all ages and classes, especially young ladies, to whose interests the utmost care will be directed.

Believing that a proper taste in dress is essential to the true development of female gratefulness, a portion of the work will be devoted to an exposition and illustration of the prevailing Fashions. This will be strictly and exclusively under the care of Miss Leslie, whose severe taste and ample opportunities of observation will confer upon whatever receives the stamp of her approbation, a high authority. To enable her to select the newest, latest, and most recherche fashions, the Publisher has made arrangements to receive, by the Steamers, the latest issues of Paris and London; and to give the highest possible effect to the modes selected, he has made an engagement with a celebrated Artist to compose and modify the groups, so as to render them highly effective. He therefore does not hesitate to announce that his Fashion Plates will be not only more correct, but will be executed in a style of greater brilliancy and elegance than any which can be found in any other publication.

Miss Leslie's Magazine will, as will be perceived from what has been stated, be emphatically a Home Book, and it will contain matter especially calculated for ornament to the centre table, interesting reading and conversation in the Drawing Room, and for the Family Fireside, valuable suggestions in the housekeeper's department, and unerring illustrations in the style of dress. The embellishments will be in the first style of the pictorial art. Each number will contain, at least, two Plates; and in the course of the volume there will be presented several Superb Mezzotints, of the highest possible elegance and finish.

The contents of Miss Leslie's Magazine will be such to give it, in this respect, a decided superiority. No more reverence for the names will induce the Editors to admit any article of questionable merit, but everything admitted will be judged of by its intrinsic worth, and nothing can possibly find a place which will not be calculated to promote the entertainment and edification of its readers.

It will scarcely be credited that a Magazine, such as has been described, can be afforded at the low rate of \$1 50 per annum, when but a single copy is subscribed for, but at the risk of considerable loss, the publisher has determined to furnish it for that sum, being just one half the price of the other principal Magazines. Indeed, as will be seen by the subjoined list of offers and premiums, the publisher has resolved upon obtaining a wide circulation for his publication, as it will require an immense edition to repay the large outlays necessary to be made.

MORTON M'MICHAEL, Publishers' Hall, 101 Chesnut St. Philadelphia.
