#### WAYNE COUNTY MUTUAL INSURANCE COMPANY

LL Persons insuring in this company are members equally interested in its welfare sant symptoms. and in the election of its officers.

In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent. he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent, and an additional sum of \$1 50 for survey and policy He then becomes a member on the approval of ry kind of disease, they are absolutely certain to his application and is insured for five years. The cure every kind of fever. aggregate of the premium notes constitutes the cash fund, chargable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and pains, inflammations and swellings, called expenses the money to meet the losses, (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes, in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen.

At the expiration of five years the note, if any assessments have been made and paid, is given

up, and the insured may renew his application. Policies may at any time be assigned or surrendered and cancelled, and the premium notes given up, according to the by-laws of the Company. No more than three fourths of the cash value of any property will be insured, and all great hazards: such as Cotton Factories, Powder Mills, Distilleries, Machine Shops, Manufactories for Printer's Ink, and all establishments of the same class of hazards, are not insured upon any conditions whatever, and that no one risk is taken over \$5000, it is considered much more safe and less expensive than in Stock companies, where they insure large amounts and hazardous property. This extraordinary medicine is founded upon the principle that the human frame is subject to keep the body free from those humours which are ONLY ONE DISEASE, viz: Corrupt Humors, the CAUSE OF EVERY MALADY INCL. or in other words Impurity of the Blood, and nothing save vegetable cleansing, is wanted in order mote such a just and equal circulation of the to drive disease of every description from the bo- blood, that those who lead a sedentary life, will

If the channels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be inundated? Just so with the human body; if the natural drains become closed, the accumulated impurities will most assuredly find vent in some form of disease, or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS are eminently calculated for carrying out this GRAND PURIFYING PRINCIPLE, because they are a purgative medicine so justly balanced and withal so natural to the human constitution, that they cannot possibly injure the most delicate; tioned against buying or receiving medicine from at the same time, if used in such a manner as to said V.
