

Brilliance, Utility and Economy Combined!
TEN COPIES FOR TEN DOLLARS!

MISS LESLIE'S MAGAZINE,
OR THE HOME BOOK OF LITERATURE, FASHION, AND
DOMESTIC ECONOMY.

The First Number will be issued in JANUARY,
1843, and will contain
FIVE SPLENDID PLATES.

Edited by Miss E. LESLIE, author of "Mrs.
Washington Potts," &c. and T. S. ARTHUR, au-
thor of "Six Nights with the Washingtons," &c.
Embellished with the most exquisite Mezzotint
and Steel Plates, and splendid coloured Plates of
the Fashions.

The great demand which has existed for the
past year, for Godey's Lady's Book, Graham's
Magazine, and other kindred publications, has in-
duced the subscriber to present to the public a
Monthly Magazine, similar in its general features
to the popular works referred to, but with some
claims to attention which they do not possess. For
this purpose he has secured the aid of MISS E.
LESLIE, universally known as the first female
writer of the age, and particularly distinguished by
her graphic sketches of manners, and her success
in illustrating and correcting fashionable follies.

As the writer of various books, and a contribu-
tor to Godey's Lady's Book, Graham's Magazine,
and other periodicals of high reputation, Miss Les-
lie has done much to enlighten and entertain the
public, and in the Magazine now presented, which
bears her name, she will make her eminent talents
still more available for the general good. Besides
a series of Nouvelletes, in her own inimitable
style, in which, under cover of amusement, some
beneficial design will be promoted, she will fur-
nish from her observation, reading and experience,
a succession of Essays on Household Economy,
embracing general suggestions for the regulation
of domestic establishments, hints and reflections
useful to housekeepers, practical advice, numer-
ous receipts never before published, and all other
things that may be made subservient to the pur-
pose. This department of the Magazine, though
no undue space will be allotted to it, is not to be
found in any other periodical, and the Publisher
is satisfied that it will not be less interesting and
valuable than it is novel.

As it is the purpose of the Publisher to make the
Magazine tributary to useful designs, he has made
an arrangement with the justly celebrated T. S.
ARTHUR, Esq. by which that gentleman will be
directly engaged in a joint superintendance, and
will bestow his best endeavors. Mr. Arthur will
furnish for each number one or more of his life-
like narratives, and such other matter as may be
adapted to the amusement and improvement of all
ages and classes, especially young ladies, to whose
interests the utmost care will be directed.

Believing that a proper taste in dress is essen-
tial to the true development of female gratefulness,
a portion of the work will be devoted to an expo-
sition and illustration of the prevailing Fashions.
This will be strictly and exclusively under the
care of Miss Leslie, whose severe taste and ample
opportunities of observation will confer upon what-
ever receives the stamp of her approbation, a high
authority. To enable her to select the newest,
latest, and most recherche fashions, the Publisher
has made arrangements to receive, by the Steam-
ers, the latest issues of Paris and London; and to
give the highest possible effect to the modes select-
ed, he has made an engagement with a celebrated
Artist to compose and modify the groups, so as to
render them highly effective. He therefore does
not hesitate to announce that his Fashion Plates
will be not only more correct, but will be execu-
ted in a style of greater brilliancy and elegance
than any which can be found in any other publica-
tion.

Miss Leslie's Magazine will, as will be per-
ceived from what has been stated, be emphatically
a Home Book, and it will contain matter especial-
ly calculated for ornament to the centre table, in-
teresting reading and conversation in the Draw-
ing Room, and for the Family Fireside, valuable
suggestions in the housekeeper's department, and
unerring illustrations in the style of dress.

The embellishments will be in the first style of
the pictorial art. Each number will contain, at
least, two Plates; and in the course of the volume
there will be presented several Superb Mezzotints,
of the highest possible elegance and finish.

The contents of Miss Leslie's Magazine will be
such to give it, in this respect, a decided superi-
ority. No more reverence for the names will in-
duce the Editors to admit any article of question-
able merit, but everything admitted will be judged
of by its intrinsic worth, and nothing can possibly
find a place which will not be calculated to pro-
mote the entertainment and edification of its read-
ers.

It will scarcely be credited that a Magazine,
such as has been described, can be afforded at the
low rate of \$1 50 per annum, when but a single
copy is subscribed for, but at the risk of consider-
able loss, the publisher has determined to furnish
it for that sum, being just one half the price of the
other principal Magazines. Indeed, as will be
seen by the subjoined list of offers and premiums,
the publisher has resolved upon obtaining a wide
circulation for his publication, as it will require
an immense edition to repay the large outlays ne-
cessary to be made.

Address, post paid, NORTON W. MICHAEL,
Publishers' Hall, 101 Chestnut St. Philadelphia.

TAILORING.

Mrs. Smith & Miss Stites,
Respectfully inform the citizens of Strouds-
burg and vicinity, that they have commenced
the above business in Elizabeth street, at the
shop formerly occupied by Charles Smith, dec'd,
where they will be happy to receive orders for
all kinds of work in the Tailoring Line; and
where they will devote their best efforts to
the accommodation of their patrons. With an
experience in the business of no inconsiderable
length—a determination to adhere strictly to
their promises—and a resolution never to make
unreasonable charges, they flatter themselves
that they will receive a fair proportion of the
custom of the neighborhood.

Country produce of all kinds, taken in pay-
ment for work.

SHERMAN'S
WORM LOZENGES

Proved in more than 400,000 cases to be infal-
lible; the only certain worm-destroying medi-
cine ever discovered. Many diseases arise
from worms and occasion long and intense suf-
fering and even death, without their ever being
suspected; grown persons are very often afflic-
ted with them and are doctored for various com-
plaints, without any benefit; when one dose of
these Lozenges would speedily cure them.
Mr. J. Murphy, 90 North st. Philadelphia,
was applied to by a poor woman whose daugh-
ter, 7 years old, had been sick for nearly 3
years; her stomach was as large as a grown
person's, her arms and legs so swollen that she
could not walk or help herself, although she
could eat as much as two laboring men. Two
celebrated doctors had exhausted their skill
without any benefit; the father had spent all he
could raise and was discouraged, he abandon-
ed all idea of doing anything more for her, and
looked to death alone, to take her out of her
misery. Mr. Murphy believing it a case of
worms, gave her a box of Sherman's Lozenges,
and in two days she returned with joy beaming
in her eyes, and said the Lozenges had saved
her child's life. The first dose brought away
nearly a pint of worms in one living mass, she
afterwards counted over 800 that were discharg-
ed, besides the mass—which she could not
count. The child was literally eaten up with
them—another living witness of the almost mir-
aculous efficacy of Sherman's Lozenges.

A fresh supply of the above valuable
Lozenges, just received and for sale by T.
SCHOCH, Republican Office, Stroudsburg,
sole agent for Monroe county.
Price—25 cents per box.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Ve-
getable Pills, and have no hesitation in pronounc-
ing them the best Antibilious Medicine that we
have ever used in our families. We are acquaint-
ed with several families in this city who give them
the preference to all other kinds, on account of
their mildness, and at the same time, certainty of
action.—New-York Examiner.

More than ten millions of boxes of these truly
valuable Antibilious Pills have been sold in the
United States, Canada, West Indies, Mexico, and
Texas, since the first of January, eighteen hun-
dred and thirty-five.

Hundreds and thousands bless the day they were
induced by the persuasion of a friend, to try a Box
of Doctor Peters' Pills.

They are in use as a Family Medicine, and all
who have used them give them the preference to
all other kinds, on account of their being a safe,
pleasant, and easy aperient—being mild in their
action at the same time; though, in their operation,
producing neither sickness, griping, nor debility.
Doct. Jos. Priestley Peters,

DEAR SIR:—I have used your valuable
Pills these last four years, in cases of Dyspepsia,
Liver Complaint, and Sick Head-ache, and have
found them, in a majority of cases, the most valu-
able Pills I have ever used.

JOHN CASE, M. D.
For Sick or Nervous Head-ache, or Bilious Fe-
ver, I would recommend Peters' Pills in preference
to all other kinds.

R. H. ARMSTRONG, M. D.
The following from the EMINENT DOCTOR
EMMERSON, is considered sufficient

I have used in my practice, these last five years,
Doctor Jos. Priestley Peters' Vegetable Antibilious
Pills, and considered them the BEST FAMILY
MEDICINE I have ever used.

ceived and for sale at the office of the REPUBLICAN,

Sherman's Poor Man's Plaster.

The best strengthening plaster in the world,
and a sovereign remedy for pains, or weakness in
the back, loins, sides, breast, neck, limbs, joints,
rheumatism, lumbago, &c. &c.

Jos. W. Hoyle, esq., who had been so afflicted
with rheumatism, as to be unable to dress himself
without assistance, was enabled after wearing one,
only one night, to get up alone in the morning, put
on his clothes, and call at our office with eyes
beaming with joy, and his tongue pouring forth
the gladness of his heart, at the sudden and signal
relief he had received from this best of all reme-
dies.

Mr. David Williams, of Elizabethtown, N. J.,
an old Revolutionary Soldier, was so afflicted with
rheumatism, that he could scarcely help himself—
these Plasters entirely cured him. Thousands of
certificates might be given of their wonderful pro-
perties, but the fact of the enormous quantity sold,
must be the greatest evidence of their virtue.

PROTECT EACH OTHER.
WAYNE COUNTY MUTUAL
INSURANCE COMPANY.

ALL Persons insuring in this company are
members equally interested in its welfare
and in the election of its officers.

In order to become a member of this company
and thereby be insured, the applicant gives a pre-
mium note, the amount of which is in proportion
to the amount to be insured, and its degree of
hazard, thus: If \$1000 is to be insured, at 5 per
cent., he gives his note for \$50. If at 10 per cent.
he gives his note for \$100, and in that proportion
for a greater or less sum, according to the rate of
hazard, on which note he advances 6 per cent. and
an additional sum of \$1 50 for survey and policy.
He then becomes a member on the approval of
his application and is insured for five years. The
aggregate of the premium notes constitutes the
cash fund, chargeable first, with the expenses, and
second, with the losses of the Company; and
should it prove insufficient to pay both losses and
expenses the money to meet the losses, (should
any occur) is borrowed agreeably to the act of in-
corporation, and paid. An assessment is then
made to repay such loan upon the premium notes,
in proportion to their respective amounts, and in no
case to be made but once a year, notwithstanding
several losses may happen.

At the expiration of five years the note, if any
assessments have been made and paid, is given
up, and the insured may renew his application.

Policies may at any time be assigned or sur-
rendered and cancelled, and the premium notes
given up, according to the by-laws of the Com-
pany. No more than three fourths of the cash
value of any property will be insured, and all
great hazards: such as Cotton Factories, Powder
Mills, Distilleries, Machine Shops, Manufactories
for Printer's Ink, and all establishments of the
same class of hazards, are not insured upon any
conditions whatever, and that no one risk is taken
over \$5000, it is considered much more safe and
less expensive than in Stock companies, where
they insure large amounts and hazardous property.

Wright's Indian Vegetable Pills
Of the North American College of Health.

This extraordinary medicine is founded upon
the principle that the human frame is subject to
ONLY ONE DISEASE, viz: Corrupt Humors,
or in other words Impurity of the Blood, and noth-
ing save vegetable cleansing, is wanted in order
to drive disease of every description from the bo-
dy.

If the channels of our mighty rivers should be-
come choked up, would not the accumulated wa-
ters find new outlets, or the country be inundated?
Just so with the human body; if the natural drains
become closed, the accumulated impurities will
most assuredly find vent in some form of disease,
or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS
are eminently calculated for carrying out this
GRAND PURIFYING PRINCIPLE, because
they are a purgative medicine so gently balanced
and withal so natural to the human constitution,
that they cannot possibly injure the most delicate;
at the same time, if used in such a manner as to
produce free evacuations by the bowels, and re-
peated a few times, it will be absolutely impossi-
ble for pain or distress of any kind to continue in
the body. A single twenty-five cent box of the
above named Indian Vegetable Pills will, in all
cases, give relief, sometimes even beyond the
power of words to describe, and if persevered in
for a short time, there is not a malady in the
whole course of human ills that can possibly with-
stand their astonishing and wonderful influence.
WRIGHT'S INDIAN VEGETABLE PILLS
are a certain cure for

COSTIVENESS,

Because they completely cleanse the stomach and
bowels from those bilious and corrupt humors
which paralyze and weaken the digestive organs,
and are the cause of headache, nausea, and sick-
ness, palpitation of the heart, rheumatic pains in
various parts of the body, and many other unpleas-
ant symptoms.

In all disordered motions of the Blood, called
Intermittent, Remittent, Nervous; Inflammatory,
and Putrid

FEVERS,

Wright's Indian Vegetable Pills will be found a
certain remedy; because they cleanse the stom-
ach and bowels from all bilious humors and pu-
rify the blood; consequently, as they remove every
kind of disease, they are absolutely certain to
cure every kind of fever.

So, also, when morbid humors are deposited
upon the membrane and muscle, causing those
pains, inflammations and swellings, called

RHEUMATISM, GOUT, &c.,

Wright's Indian Vegetable Pills may be relied on
as always certain to give relief, and if persevered
with, will most assuredly, and without fail, make
a perfect cure of the above painful maladies.—
From three to six of said Indian Vegetable Pills
taken every night on going to bed, will, in a short
time, completely rid the body from all morbid
and corrupt humors; and rheumatism, gout, and pain
of every description, will despair, as if by magic.

For the same reason, when, from sudden
changes of the atmosphere, or any other cause,
the perspiration is checked, and those humors
which should pass off by the skin, are thrown in-
wardly, causing headache, nausea, and sickness,
pain in the bones, watery and inflamed eyes, sore
throat, hoarseness, coughs, consumption, rheu-
matic pains in various parts of the body, and ma-
ny other symptoms of

CATCHING COLD,

Wright's Indian Vegetable Pills will invariably
give immediate relief. Three or four pills taken
at night on going to bed, and repeated a few times
will remove all the above unpleasant symptoms,
and restore the body to even sounder health than
before. The same may be said of difficulty of
breathing, or

ASTHMA.

Wright's Indian Vegetable Pills will loosen
and carry off by the stomach and bowels those
rough and phlegmy humors which stop the air
cells of the lungs, and are the cause of the above
dreadful complaint.

It should also be remembered that WRIGHT'S
INDIAN VEGETABLE PILLS are certain to
remove pain in the side, oppression, nausea and
sickness, loss of appetite, costiveness, a yellow
tinge of the skin and eyes, and every other symp-
tom of

LIVER COMPLAINT.

Because they purge from the body those corrupt
and stagnant humors, which when deposited on
the liver, are the cause of the above dangerous
complaint. They are also to prevent

APOPLEXY AND SUDDEN DEATH.

Because they carry off those humors which ob-
structing the circulation, are the cause of a rush,
or determination of blood to the head; giddiness,
especially on turning suddenly round, blindness,
drowsiness, loss of memory, inflammation of the
brain, insanity, and all disorders of the mind.

Those who labour within doors should remem-
ber that they frequently breathe an atmosphere
which is wholly unfit for the proper expansion of
the lungs, and at the same time owing to want of
exercise, the bowels are not sufficiently evacua-
ted, the blood becomes impure, and headache, in-
digestion, palpitation of the heart, and many other
disagreeable symptoms are sure to follow
WRIGHT'S INDIAN VEGETABLE PILLS

Being a Cleanser of the stomach and bowels, and
a DIRECT PURIFIER of the Blood, are certain
not only to remove pain or distress of every kind
from the body, but if used occasionally, so as to
keep the body free from those humors which are
the CAUSE OF EVERY MALADY INCI-
DENT TO MAN, they will most assuredly pro-
mote such a just and equal circulation of the
blood, that those who lead a sedentary life, will
be able to enjoy sound health, and DISEASE OF
ANY KIND WILL BE ABSOLUTELY IM-
POSSIBLE.

CAUTION TO AGENTS.

Country agents, and others, are respectfully in-
formed that, owing to the great popularity, and
increasing demand for the above named Pills, a
host of unprincipled persons are busily engaged
in manufacturing, and vending a spurious article
in imitation of

WRIGHT'S INDIAN VEGETABLE PILLS.
They are also further informed that I have a
suit pending against one V. O. Flack, for counter-
feiting the above named medicine; and are cau-
tioned against buying or receiving medicine from
said V. O. Flack, as he cannot by any possibility
have the genuine Wright's Indian Vegetable Pills
for sale.

All travelling agents, with genuine medicine,
are provided with a certificate of agency, signed
by William Wright, Vice President of the N. A.
College of Health.

Travelers, who cannot show a certificate as
above described, will be known as base impos-
tors. Show them, therefore, as you would a
Highwayman, or a Midnight Robber.

Sherman's Cough Lozenges,

Are the safest, most sure and effectual remedy
for Coughs, Colds, Consumptions, Whooping Cough,
Asthma, Tightness of the Lungs or Chest, &c. &c.
The proprietor has never known an instance where
they did not give perfect satisfaction.

Over 3,000 persons have given their names with-
in the last year as a reference of the wonderful
virtues of these Cough Lozenges. They cure all
recent cases in a few hours, seldom requiring more
than one day to entirely eradicate the most dis-
tressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings,
Wall st., gave some to a friend who had not en-
joyed a night's sleep for several weeks, being every
few minutes attacked with such a distressing
cough, as almost to take away his life. The Lo-
zenges made him raise easy, and enabled him to
sleep well all night. He had tried every thing he
heard of, and nothing else afforded the least relief
a—another instance of saving a fellow being from
an untimely grave.

The Rev. Darius Anthony, of the Oneida Con-
ference, was given up as incurable, believed to be
on the verge of the grave from consumption, with-
out the hope of relief, till he tried these Lozenges.
They relieved him immediately, and in a few
weeks restored him to health, so that he could re-
sume his duties as a minister of the gospel. He
recommends them to all who are consumptive or
have any derangement of their lungs, as the great-
est medicine in the known world. He has wit-
nessed their effects on several others, and always
with the happiest results. He says so great a
remedy through the blessing of Divine Providence,
should be the common property of all, and in every
family on the face of the earth.
