

**VICTORY!**

Who does not know of MR. LEIDY'S BLOOD PILLS? a component part of which is SARSAPARILLA.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the PURGATIVE AND PURIFYING properties that can be combined in the form of Pills.

**NEWSPAPER PUFFING**

is unnecessary to their success. Their efficacy, in one case, is a sure introduction and passport of them to a thousand.

**FIVE YEARS**

Employment of them throughout the United States, have made them as they deserve to be **VICTORIOUS!**

Whilst the Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the people in various ways to introduce their Pills, publishing columns of matter and bolstering them up by

MADE, FALSE, LYING CERTIFICATES, and attributing to their Pills the powers of effecting every thing, barely excepting the

**RESTORATION OF THE DEAD TO LIFE.**

Dr. LEIDY has allowed his Blood Pills to become known by their effects; thus establishing them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other Pills have gone out of use since their introduction; many have fallen into disrepute, and some are now altogether unknown; still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their Pills possess; but the public are fully sensible of such imposition.

**DR. N. B. LEIDY**

is a regular Physician and Druggist, attested by Doctors Physic, Chapman, Jackson, De-wees, Horner, Gibson, Cox, Hare, Parrish, James, Robert, Adrain, L. L. D.; T. L. Biddle, esq. Rev. W. H. Dalancy, &c. &c. and well knows the nature of the ingredients contained in his BLOOD PILLS, and knows too their adaptation in all cases where a purgative is required, or for purifying the Blood.

THERE IS NO RISK OR DANGER in employing them, they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the Piles—they do not produce irregularity of the Bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

So many recommendations of them having been published from time to time, certificates from the North, South, East and West, editorial comments on their character, &c. &c. that it is deemed useless to say much more of them.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

Price 25 cents per box.

They are prepared and sold, wholesale and retail, at Dr. LEIDY'S HEALTH EMPORIUM, No. 191 North Second Street, below Vine st. (sign the Golden Eagle and Serpents) Also, sold at F. Klein, corner of 2d and Callowhill street. I. Gilbert & Co. 3d above Vine street. J. Smith & Co. 2d street next the Red Lion. Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

As Usual—No sooner does one of Dr. Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr. Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words "Dr. Leidy's Tetter and Itch Ointment" blown in the glass, besides containing his written signature on a yellow label outside.

**DR. LEIDY'S**

Tetter and Itch Ointment.

has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Fustules, and diseases of the skin generally.

It has been employed in schools, factories and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objection most persons have, to having their names published in connection with so disagreeable and loathsome affections.

In no single instance has it ever been known to fail. It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances. Price 25 cents a bottle.

Prepared only, and for sale, Wholesale and Retail at N. B. Leidy's Health Emporium, No 191 N. Second street, below Vine, (sign of the Golden Eagle and Serpents) Philadelphia.

Also, sold at Wm. Eastburn's Store Stroudsburg, Jan. 4, 1843.

**WORM LOZENGES**

Proved in more than 400,000 cases to be infallible; the only certain worm-destroying medicine ever discovered. Many diseases arise from worms and occasion long and intense suffering and even death, without their ever being suspected; grown persons are very often afflicted with them and are doctored for various complaints, without any benefit; when one dose of these Lozenges would speedily cure them.

Mr. J. Murphy, 90 North st. Philadelphia, was applied to by a poor woman whose daughter, 7 years old, had been sick for nearly 3 years; her stomach was as large as a grown person's, her arms and legs so swollen that she could not walk or help herself, although she could eat as much as two laboring men. Two celebrated doctors had exhausted their skill without any benefit; the father had spent all he could raise and was discouraged, he abandoned all idea of doing anything more for her, and looked to death alone, to take her out of her misery. Mr. Murphy believing it a case of worms, gave her a box of Sherman's Lozenges, and in two days she returned with joy beaming in her eyes, and said the Lozenges had saved her child's life. The first dose brought away nearly a pint of worms in one living mass, she afterwards counted over 800 that were discharged, besides the mass—which she could not count. The child was literally eaten up with them—another living witness of the almost miraculous efficacy of Sherman's Lozenges.

A fresh supply of the above valuable Lozenges, just received and for sale by T. SCHUCH, Republican Office, Stroudsburg, sole agent for Monroe county.

Price—25 cents per box.

**PETERS PILLS**

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.—New-York Examiner.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility. Doct. Jos. Priestley Peters.

DEAR SIR—I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D.

For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D.

The following from the EMINENT DOCTOR EMERSON, is considered sufficient. I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the Best Family Medicine I have ever used.

A fresh supply of these valuable Pills just received and for sale at the office of the REPUBLICAN, Stroudsburg, May 11, 1842.

**Sherman's Poor Man's Plaster.**

The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, sides, breast, neck, limbs, joints, rheumatism, lumbago, &c. &c.

Jos. W. Hoyle, esq., who had been so afflicted with rheumatism, as to be unable to dress himself without assistance, was enabled after wearing one, only one night, to get up alone in the morning, put on his clothes, and call at our office with eyes beaming with joy, and his tongue pouring forth the gladness of his heart, at the sudden and signal relief he had received from this best of all remedies.

Mr. David Williams, of Elizabethtown, N. J., an old Revolutionary Soldier, was so afflicted with Rheumatism, that he could scarcely help himself—these Plasters entirely cured him. Thousands of certificates might be given of their wonderful properties, but the fact of the enormous quantity sold, must be the greatest evidence of their virtue.

For sale at the Republican Office, by T. Schoch, sole agent for Monroe county, May 11.

**PROTECT EACH OTHER, WAYNE COUNTY MUTUAL INSURANCE COMPANY.**

ALL Persons insuring in this company are members equally interested in its welfare and in the election of its officers.

In order to become a member of this company and thereby be insured, the applicant gives a premium note, the amount of which is in proportion to the amount to be insured, and its degree of hazard, thus: If \$1000 is to be insured, at 5 per cent., he gives his note for \$50. If at 10 per cent., he gives his note for \$100, and in that proportion for a greater or less sum, according to the rate of hazard, on which note he advances 6 per cent., and an additional sum of \$1 50 for survey and policy. He then becomes a member on the approval of his application and is insured for five years. The aggregate of the premium notes constitutes the cash fund, chargeable first, with the expenses, and second, with the losses of the Company; and should it prove insufficient to pay both losses and expenses the money to meet the losses, (should any occur) is borrowed agreeably to the act of incorporation, and paid. An assessment is then made to repay such loan upon the premium notes, in proportion to their respective amounts, and in no case to be made but once a year, notwithstanding several losses may happen.

At the expiration of five years the note, if any assessments have been made and paid, is given up, and the insured may renew his application.

Policies may at any time be assigned or surrendered and cancelled, and the premium notes given up, according to the by-laws of the Company. No more than three fourths of the cash value of any property will be insured, and all great hazards, such as Cotton Factories, Powder Mills, Distilleries, Machine Shops, Manufactories for Printer's Ink, and all establishments of the same class of hazards, are not insured upon any conditions whatever, and that no one risk is taken over \$5000, it is considered much more safe and less expensive than in Stock companies, where they insure large amounts and hazardous property. STOGDELL STOKES, Agent. Stroudsburg, Monroe co., Dec. 15, 1841.

**Wright's Indian Vegetable Pills**

Of the North American College of Health. This extraordinary medicine is founded upon the principle that the human frame is subject to ONLY ONE DISEASE, viz: Corrupt Humors, or in other words Impurity of the Blood, and nothing save vegetable cleansing, is wanted in order to drive disease of every description from the body.

If the channels of our mighty rivers should become choked up, would not the accumulated waters find new outlets, or the country be inundated? Just so with the human body; if the natural drains become closed, the accumulated impurities will most assuredly find vent in some form of disease, or death will be a certain consequence.

WRIGHT'S INDIAN VEGETABLE PILLS are eminently calculated for carrying out this GRAND PURIFYING PRINCIPLE, because they are a purgative medicine so justly balanced and withal so natural to the human constitution, that they cannot possibly injure the most delicate; at the same time, if used in such a manner as to produce free evacuations by the bowels, and repeated a few times, it will be absolutely impossible for pain or distress of any kind to continue in the body. A single twenty-five cent box of the above named Indian Vegetable Pills will in all cases, give relief, sometimes even beyond the power of words to describe, and if persevered in for a short time, there is not a malady in the whole course of human ills that can possibly withstand their astonishing and wonderful influence. WRIGHT'S INDIAN VEGETABLE PILLS are a certain cure for

**COSTIVENESS,**

Because they completely cleanse the stomach and bowels from those bilious and corrupt humors which paralyze and weaken the digestive organs, and are the cause of headache, nausea, and sickness, palpitation of the heart, rheumatic pains in various parts of the body, and many other unpleasant symptoms.

In all disordered motions of the Blood, called Intermittent, Remittent, Nervous, Inflammatory, and Putrid

**FEVERS,**

Wright's Indian Vegetable Pills will be found a certain remedy; because they cleanse the stomach and bowels from all bilious humors and purify the blood; consequently, as they remove every kind of disease, they are absolutely certain to cure every kind of fever.

So, also, when morbid humors are deposited upon the membrane and muscle, causing those pains, inflammations and swellings, called

**RHEUMATISM, GOUT, &c.,**

Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, will most assuredly, and without fail, make a perfect cure of the above painful maladies.—From three to six of said Indian Vegetable Pills taken every night on going to bed, will, in a short time, completely rid the body from all morbid and corrupt humors; and rheumatism, gout, and pain of every description, will disappear, as if by magic.

For the same reason, when, from sudden changes of the atmosphere, or any other cause, the perspiration is checked, and those humors which should pass off by the skin, are thrown inwardly, causing headache, nausea, and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseness, coughs, consumption, rheumatic pains in various parts of the body, and many other symptoms of

**CATCHING COLD,**

Wright's Indian Vegetable Pills will invariably give immediate relief. Three or four pills taken at night on going to bed, and repeated a few times will remove all the above unpleasant symptoms, and restore the body to even sounder health than before. The same may be said of difficulty of breathing, or

**ASTHMA.**

Wright's Indian Vegetable Pills will loosen and carry off by the stomach and bowels those rough and phlegmy humors which stop the air cells of the lungs, and are the cause of the above dreadful complaint.

It should also be remembered that WRIGHT'S INDIAN VEGETABLE PILLS are certain to remove pain in the side, oppression, nausea and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of

**LIVER COMPLAINT.**

Because they purge from the body those corrupt and stagnant humors, which when deposited on the liver, are the cause of the above dangerous complaint. They are also to prevent

APOPLEXY AND SUDDEN DEATH. Because they carry off those humors which obstructing the circulation, are the cause of a rush, or determination of blood to the head; giddiness, especially on turning suddenly round, blindness, drowsiness, loss of memory, inflammation of the brain, insanity, and all disorders of the mind.

Those who labour within doors should remember that they frequently breathe an atmosphere which is wholly unfit for the proper expansion of the lungs, and at the same time owing to want of exercise, the bowels are not sufficiently evacuated, the blood becomes impure, and headache, indigestion, palpitation of the heart, and many other disagreeable symptoms are sure to follow. WRIGHT'S INDIAN VEGETABLE PILLS

Being a Cleanser of the stomach and bowels, and a DIRECT PURIFIER of the Blood, are certain not only to remove pain or distress of every kind from the body, but if used occasionally, so as to keep the body free from those humors which are the CAUSE OF EVERY MALADY INCIDENT TO MAN, they will most assuredly promote such a just and equal circulation of the blood, that those who lead a sedentary life, will be able to enjoy sound health, and DISEASE OF ANY KIND WILL BE ABSOLUTELY IMPOSSIBLE.

**CAUTION TO AGENTS.**

Country agents, and others, are respectfully informed that, owing to the great popularity, and increasing demand for the above named Pills, a host of unprincipled persons are busily engaged in manufacturing, and vending a spurious article in imitation of

**WRIGHT'S INDIAN VEGETABLE PILLS.**

They are also further informed that I have a suit pending against one V. O. Flack, for counterfeiting the above named medicine; and are cautioned against buying or receiving medicine from said V. O. Flack, as he cannot by any possibility have the genuine Wright's Indian Vegetable Pills for sale.

All travelling agents, with genuine medicine, are provided with a certificate of agency, signed by William Wright, Vice President of the N. A. College of Health.

Travellers, who cannot show a certificate as above described, will be known as base impostors. Shun them, therefore, as you would a Highwayman, or a Midnight Robber.

**NOTICE**

**TO SAW-MILL OWNERS, Or those who are about to build or repair.**

The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease. The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which those wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock. I have built one of those mills this season, on the Rearing Brook, in Luzerne county, for Mr. S. P. Templin, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Templin's. For further information, please call on the subscriber.

**Sherman's Cough Lozenges,**

Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief a—another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, without the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the gospel. He recommends them to all who are consumptive or have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says so great a remedy through the blessing of Divine Providence, should be the common property of all, and in every family on the face of the earth.
