A Planked Road.

DR.

To cash received from Collectors of county Rates and Levies

during the year 1842, including interest and costs,

Among the novel movements of the day may Cash received on unseated Lands for 1840 and 1841, be classed a project recently set on foot for the construction of a plank road from Oswego to Rome, in New York, a distance of fifty-three miles. The Whig, published at Oswego, states that the route has alroady been surveyed, and the cost of construction, it is ascertained, will not exceed \$150,000. Application will be made to the next Legislature for the chartering of a company to carry the project into execution.
