

Bertrand in New Orleans—his Departure for the Hermitage.

The N. O. Tropic, speaking of the visit of Marshal Bertrand, says:—The reception and departure of this eminent individual have been attended with marks of the most distinguished consideration.

We have seldom beheld a more splendid exhibition than that of the gallant and well-disciplined independent companies—the pride of the city—yesterday.

The venerable Mr. Barlow, of Canandaigua, the man who sowed the first field of wheat in Western New York, is at the Agricultural Fair at Rochester.

THE BIG MILLER TENT.—The Cincinnati Gazette of the 18th inst., says:—The tent of the Millerites is raised, and services were performed in it yesterday.

THE SUGAR CROP OF LOUISIANA.—Relative to the present crop we make says the Picayune, the following extract of a letter from Bayou Lafourche:—“The cane in consequence of an unfavorable season, has not obtained its usual size at this period of the year.”

NEW YORK CANAL TOLLS.—The total amount of tolls received on all the Canals of New York from the opening of navigation to the 14th of September, \$1,262,382, which is \$242,594 more than up to the same date last year, and \$4,128 less than in 1841.

A RELIC.—We have in our office, says the New Orleans Tropic, of the 12th inst., one of the 68 pound shot that was fired into the Texas sloop of war Austin by the Mexican steamer Guadaloupe in the action of the 16th of last May.

The ball now in our possession entered the Austin at No. 5 port, cut the sill of the port in two, cut off both axletrees of the gun, cut completely through six deck planks, cut the top-sail sheet bits away and lodged in the mainmast.

THOS. W. DORR.—The Providence Chronicle of Thursday remarks—It is now said that Mr. Dorr does not now contemplate coming into the city until next week, he having changed his mind somewhat in this respect.

Word from Lord Morpeth. “You may take the word of one who speaks from experience of the matter, that in frank and cordial hospitality to the guest and stranger, John the elder Bull, must work hard to come up to Jonathan, the lusty yeoman.”

Three boys, between fourteen and sixteen years of age, have been arrested in New York for committing a burglary. They broke open a plumber's shop and stole six dozen brass clocks.

A simple servant boy one evening went up to the drawing room, on the bells being rung. When he returned to the kitchen, he laughed immoderately. Some of the servants asking the cause of his mirth, he cried, “what do you think? there were sixteen of them who could not snuff the candles, and were obliged to send for me to do it.”

WAGES OF LABOR.—It is said that the following is a fair average of the amounts received weekly, in six countries of Europe—

Table with 2 columns: Country and Wage. Great Britain, 8s or 176 cts. pr. week; France, 7s 0d or 154 “; Switzerland, 5s 7d or 123 “; Belgium, 6s 0d or 132 “; Austria, 3s 0d or 66 “; Saxony, 2s 0d or 44 “.

A STRIKE.—The sailors of Baltimore have turned out for higher wages, and paraded through the streets with banners and music. The crew of the ship Coriolanus, which was to sail on Tuesday, were prevented from going on board the vessel by a mob of sailors who collected in front of their boarding houses, as they had shipped at \$12 a month, while the others are holding out for \$15.

FINE TIMES FOR THE VIOLATORS OF LAW.—The Mayor of Cincinnati has decided that a fine inflicted by him for the violation of any law is of the nature of a DEBT; and as the Legislature at its last session abolished imprisonment for debt, the non-payment of the fine will not subject the defendant to imprisonment.

Strange Elopement. A few days since a black, scurvy negro, ran away with a beautiful white girl only some 15 or 16 years of age. The girl was brought up in one of our respectable families as an adopted child, and the negro was servant in the same family.

There is a negro woman in Marion county, Missouri, now in the 114th year of her age, who has lately had four new teeth.

GOBEY'S LADY'S BOOK FOR NOVEMBER.

A Particular Number. JOSEPH C. NEAL, ESQ., AUTHOR OF "CHARCOAL SKETCHES," &c. &c. Will contribute one of his best articles for the November No. of Godey's Lady's Book.

It is unnecessary for us to go into detail touching the merits of this gentleman. There has perhaps no work ever been published in this country, from which extracts have been so frequently made, as the far-famed Charcoal Sketches.

The Proprietor of The Lady's Book was the original publisher of these sketches, and can vouch for their popularity. Besides Mr. Neal, arrangements have been made with all the contributors of any repute in this country, whose contributions will regularly appear in the Book.

The Embellishments of the number will be numerous, at least seven engravings of different kinds. One particularly—

A NOVELTY, a Steel Engraving with an arabesque border, never before attempted in this country, and which gave so much eclat to Lockhart's Spanish ballads.

The Plate of Fashions, anticipates all others, as we have received from Paris and London the plates containing the latest fashions for winter cloaks, beautifully coloured. This alone for the ladies makes the number invaluable.

Are the public aware that we never omit our fashion plate? This should be looked to when subscribing for a fashionable magazine. They are in every number, and coloured at a great expense.

It is pleasant to look back upon our long career, and reflect upon the millions that have received instruction and amusement from our work—it is also gratifying to know that we have in no instance ever published a line that would give offence, and have never excited the ire of our brethren of the press. This shall be our future course.

THE EMBELLISHMENTS of Godey's Lady's Book are of the first class, both for selection of subject and skill in engraving. They consist of Mezzotint, Line and Stipple, and always engraved by the first artists. We continue to have the largest circulation of any magazine ever published, and we presume the course we have always followed is the reason.

OUR TERMS. A single copy one year, \$3 00 Two copies " " 5 00 Five " " " 10 00 Eight " " " 15 00 Eleven " " " 20 00

Any person forming a club shall receive for every subscriber sent a Novel. "GOBEY'S CENTRE TABLE ORNAMENT" will be sent to any person sending \$3 for a single subscriber. Address L. A. GOBEY, Publishers' Hall, Phila.
