THE PHALANX; OR Journal of Social Science: DEVOTED TO THE ADVOCACY OF ASSOCIATION, OR A SOCIAL REFORM, AND THE ELEVATION OF THE HUMAN RACE. The friends of Social Progress throughout the United States are informed that a paper devoted to the grand object of Association and a Social Reform has been established, and that the first number is just published.

THE PHALANX will enter into a complete and thorough explanation of the higher parts and principles of the System of Association and the Social Science discovered by CHARLES FOURIER, and which have not hitherto been made known in this country, nor published to any extent in English. Through our limited publications in The Tribune, we have been able only to explain some of the simpler and more practical parts of the vast discoveries of that great Genius, and the sole object had in view in establishing THE PHALANX is to make known the whole of Fourier's Science of Human Destiny and Universal Unity, and produce a scientific conviction and an enthusiasm commensurate with the magnitude and importance of the objects to be accomplished.
