And how! He orders a piece of cloth of woolen draper; Cloth being ordered, he benefits woolen draper; on strength of which, orders new dresses for family—benefits dry goods store.

THE PHALANX;

OR Journal of Social Science: DEVOTED TO THE ADVOCACY OF ASSOCIATION, OR A SOCIAL REFORM, AND THE ELEVATION OF THE HUMAN RACE. The friends of Social Progress throughout the United States are informed that a paper devoted to the grand object of Association and a Social Reform has been established, and that the first number is just published.

THE PHALANX will enter into a complete and thorough explanation of the higher parts and principles of the System of Association and the Social Science discovered by CHARLES FOURIER, and which have not hitherto been made known in this country, nor published to any extent in English. Through our limited publications in 'The Tribune,' we have been able only to explain some of the simpler and more practical parts of the vast discoveries of that great Genius, and the sole object had in view in establishing THE PHALANX is to make known the whole of Fourier's Science of Human Destiny and Universal Unity, and produce a scientific conviction and an enthusiasm commensurate with the magnitude and importance of the objects to be accomplished.

THE PHALANX will contain copious translations from FOURIER's works, the whole of which it is designed in time to give. THE PHALANX will also keep a general record of the progress of the Doctrine of Association, and will furnish details and information in relation to the Associations already started in this country, and of new ones as they are established.

Every friend of Association and Social Improvement is earnestly called upon to aid in sustaining this publication by subscribing to it, and by obtaining other subscribers.

The warm friends in towns and cities where there are news depots or regular agents for the sale of newspapers, are particularly requested to call upon and induce them to order THE PHALANX. As there are many persons who may not wish to pay for a year or six months in advance, but who would stipulate to take each number as it appears their names could be obtained by the above-mentioned friends and handed to the news agents which would warrant them in ordering the paper.

THE PHALANX is to be published weekly. Price \$2 per annum; six copies for \$9; single copies 4 cents. The General Agency is at the office of THE SUN, corner of Fulton and Nassau-streets. Subscriptions may be remitted through Postmasters free of postage. Address A. BRISBANE or O. MACDANIEL.
