

GREAT NATIONAL WORK.

TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON, BY JARED SPARKS.

Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz:

- 1 Portrait of Washington at 40, by Peale. 2 do Mrs Washington at 26, by Wollaston. 3 View of Mount Vernon. 4 Battle of Braddock's defeat. 5 Head Quarters at Cambridge. 6 Plan of Boston and environs. 7 Head Quarters at Morristown. 8 Head Quarters at Newburg. 9 Plan of Farms at Mount Vernon. 10 Battle of Brandywine. 11 Portrait of Washington, by Stewart. 12 Encampment at Valley Forge. 13 Battle of Germantown. 14 Fac Simile of Washington's hand-writing.

The portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost. This publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q Adams, Martin Van Buren, Jacob Burnet of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev. Moses Stewart, Robert G Shaw, esq., Henry Lee, esq., Right Rev Bishop Brownell, Isaac C Bates, Horace Everett of Vt., S Longfellow of Maine, J Sewell Jones of N. C., John Sergeant of Pa., Levi Lincoln, S Van Rensselaer of N. Y., Wm L Marry, W Pope of Kentucky, L W Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T Armstrong, W B Calhoun, John C Warren, M D, James Jackson, M D, Gov John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing. Boston, 1843. dec7

GODEY'S LADY'S BOOK, EDITED BY MRS. SARAH J. HALE.

Has now reached its twenty-eighth Volume, and is the oldest and leading Periodical in the United States. It has never changed Proprietors. It is a Magazine of

LITERATURE, FASHION, AND THE FINE ARTS, With the best list of contributors in the country, and the largest circulation. It contains *Allegorical and Line Engravings; Fancy Works of Art and Utility; The Genuine Coloured Fashions; Portraits of Distinguished Characters; (by artists of the first class); and Views of the most Celebrated Places in the United States.*

In order to give additional variety, the Publisher has engaged the services of eminent literary gentlemen, familiarly connected with the *Literature of Continental Europe*, who will furnish Translations from the Literature of France, Germany, Italy, Spain, Sweden and Denmark. It has been found impossible by contemporaries to compete with the gigantic strides of the Lady's Book, and they have gradually given up the attempt in despair.

GODEY'S LADY'S BOOK, is emphatically a Family Book, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defend, and attempt to nullify the feats of arms of our great heroes, are not admitted in the work. Constant novelty, consistent with the character of the work, will ever be the effort of the proprietor.

WORMS! WORMS!!

If parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1-2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents.) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.—New-York Examiner.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility. Doct. Jos. Priestley Peters.

DEAR SIR:—I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D.

For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D. The following from the EMINENT DOCTOR EMMERSON, is considered sufficient

I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the Best Family Medicine I have ever used.

A fresh supply of these valuable Pills just received and for sale at the office of the REPUBLICAN, Stroudsburg.

Jos. W. Hazle, esp., who had been so afflicted with rheumatism, as to be unable to dress himself without assistance, was enabled after wearing one, only one night, to get up alone in the morning, put on his clothes, and call at our office with eyes beaming with joy, and his tongue pouring forth the gladness of his heart, at the sudden and signal relief he had received from this best of all remedies.

Mr. David Williams, of Elizabethtown, N. J. an old Revolutionary Soldier, was so afflicted with Rheumatism, that he could scarcely help himself—these Plasters entirely cured him. VICTORY!

WHO DOES NOT KNOW OF MR. LEIDY'S BLOOD PILLS? a component part of which is SASSAPARILLA.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the

PURGATIVE AND PURIFYING properties that can be combined in the form of Pills.

NEWSPAPER PUFFING

is unnecessary to their success. Their efficacy, in one case, is a sure introduction and passport to them to a thousand.

FIVE YEARS

Employment of them throughout the United States, have made them as they deserve to be

VICTORIOUS!

Whilst the Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the people in various ways to introduce their Pills, publishing columns of matter and bolstering them up by

MADE, FALSE, LYING CERTIFICATES, and attributing to their Pills the powers of effecting every thing, barely excepting the RESTORATION OF THE DEAD TO LIFE.

Dr. LEIDY has allowed his Blood Pills to become known by their effects; thus establishing them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other Pills have gone out of use since their introduction; many have fallen into disrepute, and some are now altogether unknown, still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their Pills possess; but the public are fully sensible of such imposition.

DR. N. B. LEIDY

is a regular Physician and Druggist, attested by Doctors Phisic, Chapman, Jackson, De-wees, Horner, Gibson, Cox, Hare, Parrish, James, Robert, Adrain, L. L. D.; T. L. Biddle, esq., Rev. W. H. Dalancy, &c. &c. and well knows the nature of the ingredients contained in his BLOOD PILLS, and knows too their adaptation in all cases where a purgative is required, or for purifying the Blood.

THERE IS NO RISK OR DANGER in employing them, they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the Piles—they do not produce irregularity of the Bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

So many recommendations of them having been published from time to time, certificates from the North, South, East and West, editorial comments on their character, &c. &c. that it is deemed useless to say much more of them.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

Price 25 cents per box. They are prepared and sold, wholesale and retail, at Dr. LEIDY'S HEALTH EMPORIUM, No. 191 North Second Street, below Vine st. (sign the Golden Eagle and Serpents.)

Also, sold at F. Klett, corner of 24 and Callowhill street. I. Gilbert & Co. 3d above Vine street. J. Smith & Co. 2d street next the Red Lion.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

AS USUAL—No sooner does one of Dr. Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr. Leidy has now procured moulded bottles for his celebrated Tetter and Itch Ointment, with the words "Dr. Leidy's Tetter and Itch Ointment" blown in the glass, besides containing his written signature on a yellow label outside.

DR. LEIDY'S Tetter and Itch Ointment, has proved more efficacious than any other preparation for Tetter, Itch, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objection most persons have, to having their names published in connection with so disagreeable and loathsome affections. In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances. Price 25 cents a bottle.

Prepared only, and for sale, Wholesale and Retail, at N. B. Leidy's Health Emporium, No 191 N. Second street, below Vine, (sign of the Golden Eagle and Serpents) Philadelphia. Also, sold at Wm. Eastburn's Store Stroudsburg, Jan. 4, 1843.

THE PHALANX:

OR Journal of Social Science: DEVOTED TO THE ADVOCACY OF ASSOCIATION, OR A SOCIAL REFORM, AND THE ELEVATION OF THE HUMAN RACE.

The friends of Social Progress throughout the United States are informed that a paper devoted to the grand object of Association and a Social Reform has been established, and that the first number is just published.

THE PHALANX will enter into a complete and thorough explanation of the higher parts and principles of the System of Association and the Social Science discovered by CHARLES FOURIER, and which have not hitherto been made known in this country, nor published to any extent in English. Through our limited publications in The Tribune, we have been able only to explain some of the simpler and more practical parts of the vast discoveries of that great Genius, and the sole object had in view in establishing THE PHALANX is to make known the whole of Fourier's Science of Human Destiny and Universal Unity, and produce a scientific conviction and an enthusiasm commensurate with the magnitude and importance of the objects to be accomplished.

THE PHALANX will contain copious translations from FOURIER'S works, the whole of which it is designed in time to give. THE PHALANX will also keep a general record of the progress of the Doctrine of Association, and will furnish details and information in relation to the Associations already started in this country, and of new ones as they are established.

Every friend of Association and Social Improvement is earnestly called upon to aid in sustaining this publication by subscribing to it, and by obtaining other subscribers.

The warm friends in towns and cities where there are news depots or regular agents for the sale of newspapers, are particularly requested to call upon and induce them to order THE PHALANX. As there are many persons who may not wish to pay for a year or six months in advance, but who would stipulate to take each number as it appears, their names could be obtained by the above-mentioned friends and handed to the news agents, which would warrant them in ordering the paper.

THE PHALANX is to be published weekly. Price \$2 per annum; six copies for \$9; single copies 4 cents. The General Agency is at the office of THE SEX, corner of Fulton and Nassau streets.

Subscriptions may be remitted through Postmasters free of postage. Address A. BRISBANE or O. MACDANIEL.

NOTICE

TO SAW-MILL OWNERS, Or those who are about to build or repair.

The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease. The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which those wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock. I have built one of those mills this season, on the Roaring Brook, in Luzerne county, for Mr. S. P. Templin, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Templin's. For further information, please call on the subscriber.

Sherman's Cough Lozenges, Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, without the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the Gospel. He recommends them to all who are presumptive of have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says so great a remedy through the blessing of Divine Providence, should be the common property of all, and in every family on the face of the earth.
