GREAT NATIONAL WORK. TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the LIFE OF WASHINGTON, BY JARED SPARKS.

Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz:

- 1 Portrait of Washington at 40, by Peale. 2 do Mrs Washington at 26, by Wollaston. 3 View of Mount Vernon. 4 Battle of Braddock's defeat. 5 Head Quarters at Cambridge. 6 Plan of Boston and environs. 7 Head Quarters at Morrilstown. 8 Head Quarters at Newburg. 9 Plan of Farms at Mount Vernon. 10 Battle of Brandywine. 11 Portrait of Washington, by Stewart. 12 Encampment at Valley Forge. 13 Battle of Germantown. 14 Fac Similie of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D. Rev Moses Stewart, Robert G Shaw, esq., Henry Lee, esq., Right Rev Bishop Brownell, Isaac C Bates, Horace Everett of Vt., S Longfellow of Maine, J Sewell Jones of N.C., John Sergeant of Pa., Levi Lincoln, S Van Rensselaer of N.Y., Wm L Marey, W Pope of Kentucky, L W Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T Armstrong, W B Calhoun, John C Warren, M D, James Jackson, M D., Gov John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing. Boston, 1843. dec7

GODEY'S LADY'S BOOK, is emphatically a FAMILY BOOK, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defame, and attempt to sully the feats of arms of our great heroes, are not admitted in the work. DR. LEIDY'S SARSAPARILLA BLOOD PILLS. 25 CENTS A BOX.

VICTORY! WHO DOES NOT KNOW OF MR. LEIDY'S BLOOD PILLS? a component part of which is SARSAPARILLA.

The reputation of Dr. Leidy's Sarsaparilla Blood Pills is so well known, that comment upon their virtues is almost unnecessary. Suffice it to say they possess all the PURGATIVE AND PURIFYING properties that can be combined in the form of Pills.

NEWSPAPER PUFFING is unnecessary to their success. Their efficacy, in one case, is a sure introduction and passport of them to a thousand.

FIVE YEARS Employment of them throughout the United States, have made them as they deserve to be VICTORIOUS!

Whilst the Proprietors and Manufacturers of other Pills, have been endeavoring to humbug the people in various ways to introduce their Pills, publishing columns of matter and bolstering them up by MADE, FALSE, LYING CERTIFICATES, and attributing to their Pills the powers of effecting every thing, barely excepting the RESTORATION OF THE DEAD TO LIFE.

Dr. LEIDY has allowed his Blood Pills to become known by their effects; thus establishing them a character that can never be taken from them, and which is proof incontrovertible of their qualities.

Most other Pills have gone out of use since their introduction; many have fallen into disrepute, and some are now altogether unknown, still a few hangers-on endeavor to gull the ignorant by plausible (though false) reasoning of the extraordinary powers their Pills possess; but the public are fully sensible of such imposition.

DR. N. B. LEIDY is a regular Physician and Druggist, attested by Doctors Physic, Chapman, Jackson, Dewees, Horner, Gibson, Cox, Hare, Parrish, James, Robert, Adrain, L. L. D.; T. L. Biddle, esq., Rev. W. H. Dalaney, &c. &c. and well knows the nature of the ingredients contained in his BLOOD PILLS, and knows too their adaptation in all cases where a purgative is required, or for purifying the Blood.

THERE IS NO RISK OR DANGER in employing them, they contain no Mercury—they do not produce inflammation of the Bowels—they do not produce disorganization of, nor do they injure the digestive functions—they do not produce the Piles—they do not produce irregularity of the Bowels, or costiveness, as do other pills; on the contrary, they will be found to obviate all the foregoing, besides being efficacious in all cases where a purgative may be necessary, and for purifying the Blood and Animal Fluids.

So many recommendations of them having been published from time to time, certificates from the North, South, East and West, editorial comments on their character, &c. &c. that it is deemed useless to say much more of them.

Ample directions, together with recommendations from Physicians and others, accompany each box of pills.

Price 25 cents per box. They are prepared and sold, wholesale and retail, at DR. LEIDY'S HEALTH EMPORIUM, No. 191 North Second Street, below Vine St. (sign the Golden Eagle and Serpents.)

Also, sold at F. Klett, corner of 24 and Callowhill street. I. Gilbert & Co. 3d above Vine street. J. Smith & Co. 2d street next the Red Lion. Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

DR. LEIDY'S TETTER & ICH 25 CENTS OINTMENT 25 CENTS.

As Usual—No sooner does one of Dr. Leidy's preparations become popular, in consequence of its success and efficacy, than it is counterfeited or imitated.

To prevent imposition, Dr. Leidy has now procured moulded bottles for his celebrated Tetter and Ich Ointment, with the words "Dr. Leidy's Tetter and Ich Ointment" blown in the glass, besides containing his written signature on a yellow label outside.

DR. LEIDY'S Tetter and Ich Ointment.

has proved more efficacious than any other preparation for Tetter, Ich, Dry and Watery Pimples or Pustules, and diseases of the skin generally.

It has been employed in schools, factories and on board vessels carrying passengers, where children, as well as grown persons, contract diseases of the skin from their contagious nature, with the most unexampled success; certificates and recommendations have been heretofore published from them, and numerous others might be obtained for publication, but for the objection most persons have, to having their names published in connection with so disagreeable and loathsome affections.

In no single instance has it ever been known to fail.

It has been used upon infants and by persons of all ages. It is perfectly safe, contains no mercury in its composition, and may be used under all circumstances. Price 25 cents a bottle.

Prepared only, and for sale, Wholesale and Retail, at N. B. Leidy's Health Emporium, No 191 N. Second street, below Vine, (sign of the Golden Eagle and Serpents) Philadelphia. Also, sold at Wm. Eastburn's Store Stroudsburg, Jan. 4, 1843.

WORMS! WORMS!! If parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1-2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents.) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

PETERS PILLS We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility.

DR. N. B. LEIDY is a regular Physician and Druggist, attested by Doctors Physic, Chapman, Jackson, Dewees, Horner, Gibson, Cox, Hare, Parrish, James, Robert, Adrain, L. L. D.; T. L. NOTICE TO SAW-MILL OWNERS, Or those who are about to build or repair. The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease. The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which these wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock. I have built one of those mills this season, on the Roaring Brook, in Luzerne county, for Mr. S. P. Templin, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Templin's. For further information, please call on the subscriber.

Sherman's Cough Lozenges, Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, with out the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the gospel. He recommends them to all who are consumptive or have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says so great a remedy through the blessing of Divine Providence, should be the common property of all, and in every family on the face of the earth.

For sale at the Republican Office, by T. S. J. sole agent of Monroe county.

NOTICE. Sherman's Cough Lozenges, and Peters' Pills; For sale at this office.
