OUR NEXT VOLUME. PREMIUMS FROM 2, 6, 10, up to 50 DOLLARS!!! FOR NEW CLUBS!

\$500 IN PRIZES! FOR LITERARY CONTRIBUTIONS!! THE PARAGON OF NEWSPAPERS!!!

THE ORIGINAL DOLLAR WEEKLY! The Cheapest, Neatest, and most popular Family News Journal ever published in Philadelphia. Alexander's Express Messenger, Is universally known in every section of the United States, as the original and only successful Dollar Newspaper established here or elsewhere. It contains all the advantages and objects of a Literary, Scientific, Moral, Mercantile, & Agricultural Journal, and the publisher deems it unnecessary, at this time, to go into a lengthened recital of its numerous peculiar and popular characteristics which have so extensively recommended it to the family circle, in Philadelphia city and county, throughout the State of Pennsylvania, and every other State of the Union.

Alexander's Express Messenger, Was established seven years ago, by its present proprietor, who projected and founded those successful publications, "The Saturday Evening Post," "Godey's Lady's Book," "Graham's Magazine," "The Saturday Courier," and "The Daily Chronicle." None of these, however, ever arrived at so great a popularity and circulation as has attained the Messenger during the whole period of its existence, fully corroborating the often repeated opinions of all the country editors with whom it has an exchange, that "The Messenger is the paragon of the Philadelphia Weekly Press."

Alexander's Express Messenger, Furnishes regularly the fullest and earliest digested compend of Domestic and Foreign News. As the British Steamers almost invariably arrive at the end or beginning of the week, the Messenger, which goes to press on Wednesday, has the exclusive advantage of the intelligence brought by them. Reports of all the important proceedings of Congress, and the different State Legislatures are fully recorded by regular correspondents employed for that purpose.

The literary contributions to the Messenger, either in Poetry or Prose, are among the ablest and most talented writers in the country. Is there any reason, therefore, that it should not maintain the enviable reputation of being the cheapest, most useful, and interesting Family Newspaper in the world? The contents of the Messenger are so selected and arranged that the The Farmer, The Mechanic, The Merchant, The Business Man, The Man of Science, and the Moralist, may find in its well stored columns both instruction and entertainment; and as the utmost care is taken to exclude every thing which possibly might offend decency and good taste—Parents can place this paper in the hands of their daughters, without apprehension or hesitation—which, in the present degenerate condition of a portion of the Public Press, cannot be too highly estimated.

\$500!! UNEXAMPLED LITERARY PRIZES!!! The pursuits of Literature is not more successfully advanced than by inciting the young aspirant to renowned exertions, in his studies and efforts to arrive at the summit of Fame—the road to reach which has been so often journeyed over, and found so full of obstructions and perplexities, that few have ever arrived at its termination. The publisher of the Messenger, desirous of rewarding the talents of some of his numerous correspondents, and enlightening others who have not yet contributed to the interest of its columns, presents the following liberal inducements as prizes for

ORIGINAL TALES:—1. The Second Best (subject at the choice of the author) \$100 00 2. The Third Best, on the Naval History of the country 100 00 3. The Fourth Best 50 00

All the Tales intended to be offered in competition for the Prizes, must be received by the middle of January, when they will be submitted to the decision of a Committee of Literary Gentlemen, chosen for that purpose, and well known to the reading public. After the premiums have been awarded, the publisher will select from the remaining Tales such as are worthy of publication, for each of which when published, the author shall receive \$9. The residue will be returned or disposed of at the option of the persons who sent them.

Premiums for New Subscribers. The Publisher of the Messenger having received numerous propositions from many of the ENTERPRISING NEWSPAPER AGENTS throughout the country, is desirous of securing their services to extend the present unrivalled circulation of his popular Family Newspaper, for which purpose he offers them, or any other gentlemen disposed to enter on the enterprise, the following liberal and advantageous terms, in forming new clubs for the ensuing year.

For \$10 in one remittance, 12 Copies. " 20 " " 26 " " 30 " " 40 " " 50 " " 70 " " 100 " " 150 "

The remittances to be made in current Bank notes of the State where the Subscribers are obtained, or negotiable drafts would be preferred.—The paper will be sent to any part of the Union, separately or together; it is to be desired, however, that each of the different clubs shall be as much concentrated as possible.

AGENTS will please to forward the names, and remittances for New Clubs, immediately on collecting them, as it is intended to have all the subscribers furnished with the IMPROVED MESSENGER, commencing with the year 1844.

Alexander's Express Messenger, Is published punctually every Wednesday morning, and is printed on beautiful white paper and excellent type; and arrangements have been made, for the future, to have it forwarded to subscribers, by mail, with the utmost despatch, carefully enveloped in strong wrappers. A FIVE DOLLAR NOTE will procure four copies of the paper for one year. The price to single subscribers, (not attached to Clubs) is Two Dollars per annum, or One Dollar for six months, which must invariably be paid in advance.

All orders, postage paid, must be addressed to CHARLES ALEXANDER, Athenian Buildings, Franklin Place, Phila. Clocks. Brass 30 hour Clocks, Wood 30 do do For sale cheap, by C. W. DEWITT. Milford, Dec. 8, 1842

WORMS! WORMS!!

If parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1/2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents,) Philadelphia. Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.—New-York Examiner.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility. Doct. Jos. Priestley Peters.

DEAR SIR—I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D.

For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D.

The following from the EMINENT DOCTOR EMMERSON, is considered sufficient I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the BEST FAMILY MEDICINE I have ever used.

BLANK MORTGAGES, For sale at this office.

GREAT NATIONAL WORK.

TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON,

BY JARED SPARKS.

Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz:

- 1 Portrait of Washington at 40, by Peale.
2 do Mrs Washington at 29, by Wollaston.
3 View of Mount Vernon.
4 Battle of Braddock's defeat.
5 Head Quarters at Cambridge.
6 Plan of Boston and environs.
7 Head Quarters at Merristown.
8 Head Quarters at Newburg.
9 Plan of Farms at Mount Vernon.
10 Battle of Brandywine.
11 Portrait of Washington, by Stewart.
12 Encampment at Valley Forge.
13 Battle of Germantown.
14 Fac Similie of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost. Its publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev Moses Stewart, Robert G Shaw, esq., Henry Lee, esq., Right Rev Bishop Brownell, Isaac C. Baes, Horace Everett of Vt., S Longfellow of Maine, J Sewell Jones of N. C., John Sergeant of Pa., Levi Lincoln, S Van Rensselaer of N. Y., Wm L Marey, W Pope of Kentucky, L W Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T Armstrong, W B Calhoun, John C Warren, M D, James Jackson, M. D., Gov John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing. Boston, 1843. dec7

GODEY'S LADY'S BOOK,

EDITED BY MRS. SARAH J. HALE, Has now reached its twenty-eighth Volume, and is the oldest and leading Periodical in the United States. It has never changed Proprietors. It is a Magazine of LITERATURE, FASHION, AND THE FINE ARTS, With the best list of contributors in the country, and the largest circulation. It contains Mezzotint and Line Engravings; Fancy Works of Art and Utility; The Genuine Coloured Fashions; Portraits of Distinguished Characters, (by artists of the first class); and Views of the most Celebrated Places in the United States.

In order to give additional variety, the Publisher has engaged the services of eminent literary gentlemen, familiarly connected with the Literature of Continental Europe, who will furnish Translations from the Literature of France, Germany, Italy, Spain, Sweden and Denmark.

It has been found impossible by contemporaries to compete with the gigantic strides of the Lady's Book, and they have gradually given up the attempt in despair.

GODEY'S LADY'S BOOK, is emphatically a FAMILY BOOK, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defame, and attempt to sully the feats of arms of our great heroes, are not admitted in the work. Constant novelty, consistent with the character of the work, will ever be the effort of the proprietor.

NOTICE

TO SAW-MILL OWNERS, Or those who are about to build or repair.

The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease. The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which those wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock. I have built one of those mills this season, on the Roaring Brook, in Luzerne county, for Mr. S. P. Templin, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Templin's. For further information, please call on the subscriber. Sherman's Cough Lozenges.

Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The Proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow being from an untimely grave.

The Rev. Davrus Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, with out the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the gospel. I recommend them to all who are consumptive, and have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says "so great a remedy through the blessing of Divine Providence should be the common property of all, and in every family on the face of the earth."

For sale at the Republican Office, by T. School sole agent or Monroe county.
