GREAT NATIONAL WORK. TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON, BY JARED SPARKS. Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz:

- 1 Portrait of Washington at 40, by Peale. 2 do Mrs Washington at 26, by Wollaston. 3 View of Mount Vernon. 4 Battle of Braddock's defeat. 5 Head Quarters at Cambridge. 6 Plan of Boston and environs. 7 Head Quarters at Morristown. 8 Head Quarters at Newburg. 9 Plan of Farms at Mount Vernon. 10 Battle of Brandywine. 11 Portrait of Washington, by Stewart. 12 Encampment at Valley Forge. 13 Battle of Germantown. 14 Fac Similie of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country--have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost. Its publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced. Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev. Moses Stewart, Robert G Shaw, esq., Henry Lee, esq., Right Rev. Bishop Brownell, Isaac C. Bates, Horace Everett of Vt., S Longfellow of Maine, J Sewell Jones of N C., John Sergeant of Pa., Levi Lincoln, S Van Rensselaer of N Y., Wm L Marcy, W Pope of Kentucky, L W Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T Armstrong, W B Calhoun, John C. Warren, M D., James Jackson, M D., Gov John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work. Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention. Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing.

Sherman's Cough Lozenges,

Are the safest, most sure and effectual remedy for Coughs, Colds, Consumptions, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c. &c. The proprietor has never known an instance where they did not give perfect satisfaction.

Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most distressing ones.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief--another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, without the hope of relief, till he tried these Lozenges. They relieved him immediately, and in a few weeks restored him to health, so that he could resume his duties as a minister of the gospel. He recommends them to all who are consumptive or have any derangement of their lungs, as the greatest medicine in the known world. He has witnessed their effects on several others, and always with the happiest results. He says so great a remedy through the blessing of Divine Providence, should be the common property of all, and in every family on the face of the earth.

For sale at the Republican Office, by T. Schoch, sole agent or Monroe county.

WORMS! WORMS!! If parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1-2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents,) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

PETERS PILLS We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.--New-York Examiner.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient--being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility.

Doct. Jos. Priestley Peters, DEAR SIR--I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D. For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D. The following from the EMINENT DOCTOR EMMERSON, is considered sufficient. I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the Best Family Medicine I have ever used.
