they did not give perfect satisfaction. Over 3,000 persons have given their names within the last year as a reference of the wonderful virtues of these Cough Lozenges. They cure all recent cases in a few hours, seldom requiring more than one day to entirely eradicate the most dis-

Hale, No. 5 Tontine Buildings, Wall st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well all night. He had tried every thing he heard of, and nothing else afforded the least relief -another instance of saving a fellow being from an untimely grave.

The Rev. Darius Anthony, of the Oneida Conference, was given up as incurable, believed to be on the verge of the grave from consumption, with out the hope of relief, till he tried these Lozenges They relieved him immediately, and in a few weeks restored him to health, so that he could rescript drawings in the possession of Gen.
