SHERMAN'S LOZENGES.

MORE THAN SIX MILLION OF BOXES OF Dr. Sherman's Lozenges

HAVE BEEN SOLD in the United States, Mexico, West Indies, Great Britain and throughout the WORLD, in the Year 1843.

Hundreds and Thousands bless the day they were induced by the persuasion of a friend, to try Sherman's Lozenges.

CONFIRMED CONSUMPTION.

Onondaga, May 18, 1843.

Dr. Sherman: Dear Sir--As I most ardently desire to benefit my fellow men, especially those who are the unhappy victims of that dreadful disease, Consumption, I will relate, for their consideration, the astonishing effect of your Cough Lozenges. On the night of July 5, 1840, I was attacked with a violent cough, which threatened my speedy death. Under the advice of two very excellent physicians, Drs Parkes and Rose, I was so far relieved as to be able to ride out, and once I attempted to preach. I rode 20 miles, to Cazenovia, to attend the session of our Conference, which continued about ten days. I was able to attend the session every day for a few hours by confining myself the rest of my time to my bed. The Fathers in the Gospel told me I ought to arrange my worldly affairs and prepare for a speedy death, and consequently put me on the superannuated list. Very fortunately, and I may say providently, I heard of your Lozenges, and was prevailed upon to try them, and to my utter astonishment, after taking three one day, they allayed the violent attacks of coughing, and enabled me to sleep for hours together, which I could not do before. I continued to improve under their use for several weeks, when I considered myself well, and able to resume my duties as a minister of the Gospel of our Saviour. How many will soon enter the gloomy vale of death, that might long be a blessing to the world and a comfort to their friends, if they could obtain your medicines! May Providence favor your efforts until every family in the civilized world can procure your medicine, which I consider the most valuable ever discovered by the medical faculty. In conclusion, may God bless you and prolong your life for usefulness to suffering humanity. Accept my inexpressible gratitude, for to you and your medicine, through Divine blessing, I owe my life. Yours, &c DARIUS ANTHONY, Minister of the Gospel.

Spitting of Blood,

NIGHT SWEATS AND PAIN IN THE SIDE.

Jonathan Haworth, Esq. the well known Temperance Lecturer, was attacked with a cold from sleeping in damp sheets, in the winter of 1841. He neglected it at first, but soon found it assuming a somewhat alarming aspect, and then resorted to the various remedies usually recommended for lung complaints. When one thing failed he tried another, until he had exhausted his patience and the whole catalogue of remedies. His cough was almost incessant, so that he could get little or no sleep--attended with pain in his side, spitting of blood, night sweats, and all the usual symptoms of Consumption. While at Rome, (N Y) he felt that his end was nigh--that in that place he must soon end his journey of life. Provisionally, a lady who visited him advised a trial of Dr Sherman's Cough Lozenges. He accordingly sent and got a box, and the first dose gave him more relief than all the other medicines he used before. By the time he had taken one small box, he was able to start for the city of New York, and in three weeks' time he was perfectly restored to his usual health. He often announces the fact to his hearers, when lecturing on Temperance, and says he owes his life to Dr Sherman's Lozenges.

From the Cincinnati Daily Times, of Jan. 4th 1844.

Coughs--The variability of the weather this winter has caused an unusual number of persons to be afflicted by colds and coughs--scarcely a family has escaped; and with many, carelessness in attending to a cough, has laid the foundation for consumption. Our family has not escaped the general affliction, but owing to a remedy, used for the first time, they were speedily cured. Sherman's Cough Lozenges, which we were induced to try, proved what they are represented to be, and effected a cure in a few days of a troublesome cough, which appeared so deeply seated that seemed doubtful if it could be removed at all. We have not written the above as a puff, but as facts which the community should know. G F. Thomas, No 147 Main street, is the sole agent in this city.

WORMS CAUSE DEATH.

Thousands upon thousands have gone down to graves from Marasmus, or a wasting away of the body, Epilepsy, Fits, St Vitus' Dance, Locked Jaw, Apoplexy, Mania, Dropsy in the Head, Palsy, Consumption, Pleurisy, Dysentery, Convulsions, and many other supposed apparent diseases; and many have suffered for years and years, and have been doctored for some imaginary complaint without the least relief; and others are still suffering, when all the trouble arises from worms, and worms alone, which are entirely overlooked, and when the proper treatment would have saved their lives, and restored them to health. Every observant mother cannot but see and admit the truth; but still many physicians shut their eyes to that all-important cause of disease.

Persons of all ages and sexes, from the tender infant at the breast to old age, are all liable to be afflicted with worms. Many a person has suffered his whole life from them, and never suspected it. Different kinds of worms inhabit different parts of the body; but a long dissertation on their particular locality, origin, &c. is superfluous and unnecessary, so long as a proper, safe and certain remedy is at hand. That is all the public wants or cares for. The sale of over two millions of boxes of Sherman's Worm Lozenges, in less than five years, places their reputation far above all other worm medicines.

Evidence of the Wonderful Virtues of Sherman's

WORM LOZENGES

Dr Ryan, Druggist, corner Bowery and Prince st. was applied to for advice, by a man who looked like a living skeleton: he said that in early life he had been remarkably hearty and robust, but for the last four years he had been gradually wasting away, till his coat would wrap twice around him. He had suffered all but death, and had been under the care of nine different physicians, and not one of them had done him any good, neither could they tell what ailed him. He said that his appetite was so good that he could hardly eat enough; he suffered from palpitation of the heart, pain and occasional numbness of his limbs, and always felt fatigued; shooting pains in and a constant desire to pass something from his bowels, and darting pains in different parts of

his body; gnawing sensation at the stomach, slight chills and flashes of heat, drowsiness and dizziness, frightful dreams, and so miserable was he that he had rather die than live. Dr. R. told him that he had worms, and he could cure him. The man shook his head, and said it was impossible, but he would try;--so the Dr gave him a box of Sherman's Worm Lozenges, and told him to take them according to the printed directions accompanying them. He returned in three days, and said he felt like a new being--that the first dose bro't away a tapeworm 70 or 80 feet long, and the second dose brought away 28 feet more. Thus two doses of Sherman's Worm Lozenges effected a cure; and although but a few months have elapsed, he is now as fat and hearty as he ever was in his life. After years of misery, swallowing enormous quantities of medicine, and spending hundreds of dollars, he was cured by only one 25 cent box of these celebrated Lozenges.

Headache and Sickness.

Palpitation of the heart, lowness of spirits, and despondency, are immediately relieved by Sherman's Camphor Lozenges. Persons travelling or attending crowded parties will find them to relieve all fatigue and give buoyancy to the spirits. After a night's dissipation they dispel all those unpleasant sensations so usually following the too free liver. Temperance people will find them soothing to the disturbed nerves of their new converts. The most distressing headache yields to these lozenges in less than ten minutes. The over-fatigued mind or body cannot find so great relief from any other article. Capt Chadwick, of the Packet ship Wellington, J W Cochran, Esq. the inventor of the many-chambered cannon, his excellency John Tyler, Joseph B Nonas, Esq and hundreds and thousands of others, who have experienced relief from them can be referred to as to their great value.

Sherman's Poor Man's Plaster.

The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, sides, breast, neck, limbs, joints, rheumatism, lumbago, &c, &c.

Jos. W. Hoxie, Esq., who had been so afflicted with rheumatism, as to be unable to dress himself without assistance, was enabled after wearing one, only one night, to get up alone in the morning, put on his clothes, and call at our office with eyes beaming with joy, and his tongue pouring forth the gladness of his heart, at the sudden and signal relief he had received from the best of all remedies.

David Williams, of Elizabethtown, N. J. an old Revolutionary Soldier, was so afflicted with Rheumatism, that he could scarcely himself--one of these Plasters entirely cured him.

Mrs. George Nixon, one of the managers of the Institution for Aged Indigent Females in the city of New York, says the old ladies find great benefit from these Plasters; they being very liable to pains or weakness in the back, as well as other parts of the body.

Mr. Geo. W. Spencer, Street Inspector, was cured of the Piles by wearing one of these plasters on the lower part of the spine.

Caution--The great reputation these Plasters have attained, has induced many unprincipled persons to get up worthless imitations. Ask for Sherman's Poor Man's Plaster, and see that full directions for use, and a fac simile of his name, thus, A SHERMAN, M D is on the back of each. Trust none others, or you will be deceived.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office, Stroudsburg, Monroe county, Pa. March 21, 1844.--6m.
