NOTICE
TO SAW-MILL OWNERS,
Or those who are about to build or repair.

The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease. The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which these wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock. I have built one of these mills this season, on the Roaring Brook, in Luzerne county, for Mr. S. P. Temple, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Temple's. For further information, please call on the subscriber.

PROSPECTUS EXTRAORDINARY!
BURGESS, STRINGER & CO.

PUBLISHERS AND GENERAL PERIODICAL AGENTS,
 222 Broadway, corner of Ann st. New York
 Commenced on the 17th February, the publication of a new weekly paper, entitled
MAGAZINE FOR THE MILLION:
 OR WEEKLY REVIEW OF CURRENT LITERATURE.

Each number of 24 pages octavo, in a neat cover, contains at least one original Tale, Sketch, or Essay, of decided merit; one original Poem; a letter of gossiping New York Correspondence, for town and country; spirited Editorials; and reviews of all the current Literature of the day—a novel and important feature.

PRICE SIX CENTS.
 The Tales and other leading articles are generally from the pens of American authors of eminent ability; the New-York Correspondence is of a unique and very piquant description; the Reviews of books are full, discriminating, and impartial; and the entire contents of the most popular character.

This Magazine is printed on new bourgeois and minion type, on fine white paper, done up in handsome colored covers, and will compare favorably, in matter and style, with any publication of the kind in this country.

Novel Plan of Publication.
SPLENDID LITERARY PRESENTS.

The popular feature of this Magazine is the weekly distribution of the splendid Literary works among its subscribers and purchasers upon the following plan: Each copy of every issue is numbered—say from No. 1 up to No. 5,000 inclusive—and from an equal number of tickets are drawn, say ten, or as many as the number of present of fered, which will be given to the holders of the corresponding numbers. Not less than ten Prizes have been offered with every number, and among these have been such works as Harpers' Illuminated Bible, complete; Encyclopedia Americana in 13 vols; complete works of Sir Walter Scott, in ten Prescott's Conquest of Mexico; Works of Shakspeare, with 40 steel engravings; Farmer's Encyclopedia; Brande's; Alison's History of Europe, &c. &c. Each of these works, and a host of others of a similarly high character, have been thus distributed, in this fair and impartial manner, among the subscribers and purchasers of this Magazine.

The certificate of any of our Agents or any Postmaster will insure the prompt delivery of every prize we offer.

As the publication of this Magazine is not intended to be of any direct profit, after paying editors and contributors, we shall offer similar prizes for every number, increasing their number and value with the increase of its circulation.

Each number, after the first, will contain the drawings of the past, and the announcement of the future literary prizes; and we hope, by publishing a periodical of sterling value and attraction, with such a system of magnificent inducements, to give a new impulse to the cause of literature.

Editors of papers, who copy this announcement, or give its substance editorially, will be entitled to *numbered copies* in exchange.
 Mail subscribers, at three dollars per annum, in advance, will receive *numbered copies* throughout the year, giving chances for fifty-two magnificent Prizes. Two copies for \$5.

In all cases, we shall be accountable for the full amount of advance subscriptions sent to us post paid, or franked by any postmaster.

WORMS! WORMS!!

If parents knew the value and efficacy of **Dr. Leidy's Patent Vegetable Worm Tea**, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try it and you will be convinced.

Price 12 1-2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents,) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1843.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best *Antibilious Medicine* that we have ever used in our families. We are acquainted with several families in this city who give them the preference to all other kinds, on account of their mildness, and at the same time, certainty of action.—*New-York Examiner.*

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canadas, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a *Box of Doctor Peters' Pills.*

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility.
Doct. Jos. Priestley Peters,

DEAR SIR—I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D.
 For Sick or Nervous Head-ache, or Bilious Fever, I would recommend *Peters' Pills* in preference to all other kinds.

R. H. ARMSTRONG, M. D.
The following from the EMINENT DOCTOR EMMERSON, is considered sufficient
 I have used in my practice, these last five years, *Doctor Jos. Priestley Peters' Vegetable Antibilious Pills*, and considered them the *BEST FAMILY MEDICINE* I have ever used.

A fresh supply of these valuable Pills just received and for sale at the office of the REPUBLICAN, Stroudsburg.

THE COLUMBIAN
Lady's and Gentleman's Magazine.

EDITED BY JOHN INMAN,
 And filled with Contributions from the most eminent and accomplished writers of the country.

The motives which have led to the commencement of this undertaking may be briefly stated. It is believed by the proprietor that there is in the United States an immense provision of literary ability, for which as yet there is no adequate encouragement, or field of display; that besides the numbers of clever and successful writers, whose productions are weekly, and monthly, and annually read with delight by thousands, there are yet greater numbers constantly arriving at maturity of power, who have only to appear on the stage of publication to receive a brilliant award of fame; and that the powers of those whose names are already pronounced with respect by lips of wisest censure, are capable of more and still higher exertion than has yet been called forth. It is believed, too, that the demand for literary production in this country, especially in the periodical channel, exceeds the supply in a very large proportion, and that new supplies have only to be presented of the right quality, and in the right way, to ensure a hearty welcome and profitable reception. No doubt is entertained of the American mind's ability to sustain itself—certainly on its own ground, if not abroad—against all the competition that the intellect of other lands can bring to the encounter; and full assurance is felt that among the millions of American readers there can be, and is, a cordial welcome for all that American writers can produce of excellent and interesting.

From these premises it is undoubtingly inferred, that there is abundant room for another Magazine, notwithstanding the merit and success of those already in being; that there can be no lack of ability to fill its pages acceptably, within the reach of capital and liberal enterprise; and that such a periodical will not fail to be greeted as a welcome visitor by thousands upon thousands, who as yet have done little or nothing toward the support and development of American periodical literature.

Another and strong motive has been the feeling that New York, the first city of the Union, should be the home of a periodical owning no superior in either merit or success.

The Columbian Magazine will be published on the first day of every month. Its mechanical arrangements will comprise the best of paper, type, and workmanship, that money can procure.

Its contributors will be sought for amongst the ablest and most popular writers in the country; and no efforts will be spared to secure the aid of the most distinguished, such as

John L. Stephens, W. C. Bryant, J. F. Cooper, J. K. Paulding, F. G. Halleck, N. P. Willis, W. H. Herbert, Nathaniel Hawthorne, H. T. Tucker, H. W. Longfellow, J. R. Chandler, C. F. Hoffman, T. C. Grattan, T. S. Arthur, J. C. Neal, H. F. Harrington, W. G. Simms, H. H. Weld, Ejes Sargent, John Neal, Theodore S. Fay, Park Benjamin, R. W. Griswold, R. H. Dana, George P. Morris, Rufus Dawes, Seba Smith, R. M. Bird, Mrs. Emma C. Embury, Mrs. Mary Clavers, Mrs. Ann S. Stephens, Mrs. Francis S. Osgood, Mrs. Seba Smith, Mrs. E. F. Ellet, Mrs. H. E. Beecher, Stowe, Mrs. Volney E. Howard, Mrs. Lydia H. Sigourney, Mrs. M. S. Leon, Louisa Miss Leslie, Mrs. A. M. F. Annan, Miss C. M. Sedgwick, Miss Hannah F. Gould.

With many of these, arrangements have already been made, as well as with others whose reputation is sure, though yet to be established in the public regard. The proprietor entertains sanguine hopes of accomplishing an object to which he looks forward with pride—the secured co-operation of regular and occasional contributors, forming a list unequalled in this country.

In each number there will be two or more Engravings, after such artists as Chapman, Ingham, Inman, Osgood, &c., engraved in mezzotint, fine, and stipple, by H. S. Sadd, W. L. Ormsby, &c., besides a plate of Fashions colored, and occasionally other illustrations, so that every subscriber will receive, in the course of the year, at least twenty-four elegant productions of the graphic art, which could not be otherwise procured at three or four times the annual cost of the whole Magazine.

In each number there will also be two pages of Music, original, or judiciously selected by a competent professor of the art. Proper regard will be paid to the current issues from the book press; not so much, however, with a view to notice all the volumes that may appear, as to the expression of matured opinions concerning those which shall be deemed worthy of the public attention and confidence. The aim of the Editor will be, rather to furnish judicious criticisms, on which readers and purchasers may rely for guidance, than to present a mere laudatory chronicle of new publications.

GREAT NATIONAL WORK.
TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the
LIFE OF WASHINGTON,
 BY JARED SPARKS.

- Each number to contain between forty and fifty pages, and be embellished with the following fine *Steel and Copperplate Engravings, viz:*
 1 Portrait of Washington at 40, by Peale.
 2 do Mrs Washington at 26, by Wollaston.
 3 View of Mount Vernon.
 4 Battle of Braddock's defeat.
 5 Head Quarters at Cambridge.
 6 Plan of Boston and environs.
 7 Head Quarters at Morristown.
 8 Head Quarters at Newburg.
 9 Plan of Farms at Mount Vernon.
 10 Battle of Brandywine.
 11 Portrait of Washington, by Stewart.
 12 Encampment at Valley Forge.
 13 Battle of Germantown.
 14 Fac Similie of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost. Its publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q. Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev. Moses Stewart, Robert G. Shaw, esq., Henry Lee, esq., Right Rev. Bishop Brownell, Isaac C. Baies, Horace Everett of Vt., S. Longfellow of Maine, J. Sewell Jones of N. C., John Sergeant of Pa., Levi Lincoln, S. Van Rensselaer of N. Y., Wm. L. Marcy, W. Pope of Kentucky, L. W. Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T. Armstrong, W. B. Calhoun, John C. Warren, M. D., James Jackson, M. D., Gov. John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers *post paid*, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing.

GODEY'S LADY'S BOOK,
 EDITED BY MRS. SARAH J. HALE.

Has now reached its twenty-eighth Volume, and is the oldest and leading Periodical in the United States. It has never changed Proprietors. It is a Magazine of
LITERATURE, FASHION, AND THE FINE ARTS,
 With the best list of contributors in the country, and the largest circulation. It contains
Mezzotint and Line Engravings; Fancy Works of Art and Utility; The Genuine Coloured Fashions; Portraits of Distinguished Characters; (by artists of the first class;) and Views of the most Celebrated Places in the United States.

In order to give additional variety, the Publisher has engaged the services of eminent literary gentlemen, familiarly connected with the *Literature of Continental Europe*, who will furnish Translations from the Literature of France, Germany, Italy, Spain, Sweden and Denmark.
 It has been found impossible by contemporaries to compete with the gigantic strides of the *Lady's Book*, and they have gradually given up the attempt in despair.

GODEY'S LADY'S BOOK, is emphatically a *FAMILY BOOK*, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defame, and attempt to sully the feats of arms of our great heroes, are not admitted in the work. Constant novelty, consistent with the character of the work, will ever be the effort of the proprietor.
