

**SHERMAN'S LOZENGES.**  
 MORE THAN SIX MILLION OF BOXES OF  
**Dr. Sherman's Lozenges**  
 HAVE BEEN SOLD in the United States,  
 Mexico, West Indies, Great Britain and  
 throughout the WORLD, in the Year 1843.  
*Hundreds and Thousands* bless the day they were  
 induced by the persuasion of a friend, to try Sher-  
 man's Lozenges.

**CONFIRMED CONSUMPTION.**  
 Onondaga, May 18, 1843.  
 Dr. Sherman: Dear Sir—As I most ardently de-  
 sire to benefit my fellow men, especially those who  
 are the unhappy victims of that dreadful disease,  
 Consumption, I will relate, for their consideration,  
 the astonishing effect of your Cough Lozenges.  
 On the night of July 5, 1840, I was attacked with a  
 violent cough, which threatened my speedy death.  
 Under the advice of two very excellent physicians,  
 Drs. Parkes and Rose, I was so far relieved as to  
 be able to ride out, and once I attempted to preach.  
 I rode 20 miles, to Cazenovia, to attend the ses-  
 sion of our Conference, which continued about ten  
 days. I was able to attend the session every day  
 for a few hours by continuing myself the rest of my  
 time to my bed. The Fathers in the Gospel told  
 me I ought to arrange my worldly affairs and pre-  
 pare for a speedy death, and consequently put me  
 on the superannuated list. Very fortunately, and I  
 may say providently, I heard of your Lozenges,  
 and was prevailed upon to try them, and to my ut-  
 ter astonishment, after taking three one day, they  
 allayed the violent attacks of coughing, and en-  
 abled me to sleep for hours together, which I could  
 not do before. I continued to improve under their  
 use for several weeks, when I considered myself  
 well, and able to resume my duties as a minister  
 of the Gospel of our Saviour. How many will  
 soon enter the gloomy vale of death, that might  
 long be a blessing to the world and a comfort to  
 their friends, if they could obtain your medicines!  
 May Providence favor your efforts until every fam-  
 ily in the civilized world can procure your medi-  
 cine, which I consider the most valuable ever dis-  
 covered by the medical faculty. In conclusion,  
 may God bless you and prolong your life for use-  
 fulness to suffering humanity. Accept my inex-  
 pressible gratitude, for to you and your medicine,  
 through Divine blessing, I owe my life.

Yours, &c

 Minister of the Gospel

**Spitting of Blood,**  
**NIGHT SWEATS AND PAIN IN THE SIDE.**  
 Jonathan Haworth, Esq. the well known Tem-  
 perance Lecturer, was attacked with a cold from  
 sleeping in damp sheets, in the winter of 1841. He  
 neglected it at first, but soon found it assuming a  
 somewhat alarming aspect, and then resorted to  
 the various remedies usually recommended for lung  
 complaints. When one thing failed he tried an-  
 other, until he had exhausted his patience and the  
 whole catalogue of remedies. His cough was al-  
 most incessant, so that he could get little or no  
 sleep—attended with pain in his side, spitting of  
 blood, night sweats, and all the usual symptoms of  
 Consumption. While at Rome, (N. Y.) he felt that  
 his end was nigh—that in that place he must soon  
 end his journey of life. Providentially, a lady  
 who visited him advised a trial of Dr. Sherman's  
 Cough Lozenges. He accordingly sent and got a  
 box, and the first dose gave him more relief than  
 all the other medicines he used before. By the  
 time he had taken one small box, he was able to  
 start for the city of New York, and in three weeks'  
 time he was perfectly restored to his usual health.  
 He often announces the fact to his hearers, when  
 lecturing on Temperance, and says he owes his  
 life to Dr. Sherman's Lozenges.

From the Cincinnati Daily Times, of Jan. 4th 1844.  
**Coughs**—The variableness of the weather this  
 winter has caused an unusual number of persons to  
 be afflicted by colds and coughs—scarcely a  
 family has escaped; and with many, carelessness  
 in attending to a cough, has laid the foundation for  
 consumption. Our family has not escaped the  
 general affliction, but owing to a remedy, used  
 for the first time, they were speedily cured. Sher-  
 man's Cough Lozenges, which we were induced to  
 try, proved what they are represented to be, and  
 effected a cure in a few days of a troublesome  
 cough, which appeared so deeply seated that  
 seemed doubtful if it could be removed at all.—  
 We have not written the above as a puff, but as  
 facts which the community should know. G. F.  
 Thomas, No 147 Main street, is the sole agent in  
 this city.

**WORMS CAUSE DEATH.**  
 Thousands upon thousands have gone down to  
 graves from Marasmus, or a wasting away of the  
 body, Epilepsy, Fits, St. Vitus' Dance, Locked  
 Jaw, Apoplexy, Mania, Dropsy in the Head, Pal-  
 sy, Consumption, Pleurisy, Dysentery, Convul-  
 sions, and many other supposed apparent diseases;  
 and many have suffered for years and years, and  
 have been doctored for some imaginary complaint  
 without the least relief; and others are still suffer-  
 ing, when all the trouble arises from worms, and  
 worms alone, which are entirely overlooked, and  
 when the proper treatment would have saved their  
 lives, and restored them to health. Every observ-  
 vant mother cannot but see and admit the truth;  
 but still many physicians shut their eyes to that  
 all-important cause of disease.

Persons of all ages and sexes, from the tender  
 infant at the breast to old age, are all liable to be  
 afflicted with worms. Many a person has suffered  
 his whole life from them, and never suspected it.  
 Different kinds of worms inhabit different parts  
 of the body; but a long dissertation on their particu-  
 lar locality, origin, &c. is superfluous and unneces-  
 sary, so long as a proper, safe and certain remedy  
 is at hand. That is all the public wants or cares  
 for. The sale of over two millions of boxes of  
 Sherman's Worm Lozenges, in less than five years,  
 places their reputation far above all other worm  
 medicines.

**Evidence of the Wonderful Virtues of Sherman's**  
**WORM LOZENGES**  
 Dr. Ryan, Druggist, corner Bowery and Prince st.  
 was applied to for advice, by a man who looked  
 like a living skeleton: he said that in early life  
 he had been remarkably hearty and robust, but for  
 the last four years he had been gradually wasting  
 away, till his coat would wrap twice around him.  
 He had suffered all but death, and had been under  
 the care of nine different physicians, and not one  
 of them had done him any good, neither could they  
 tell what ailed him.  
 He said that his appetite was so good that he  
 could hardly eat enough; he suffered from palpi-  
 tation of the heart, pain and occasional numbness  
 of his limbs, and always felt fatigued; shooting pains  
 in and a constant desire to pass something from  
 his bowels, and darting pains in different parts of

his body: gnawing sensation at the stomach, slight  
 chills and flashes of heat, drowsiness and dizzi-  
 ness, frightful dreams, and so miserable was he  
 that he had rather die than live. Dr. R. told him  
 that he had worms, and he could cure him. The  
 man shook his head, and said it was impossible,  
 but he would try;—so the Dr. gave him a box of  
 Sherman's Worm Lozenges, and told him to take  
 them according to the printed directions accompa-  
 nying them. He returned in three days, and said  
 he felt like a new being—that the first dose bro't  
 away a tapeworm 70 or 80 feet long, and the sec-  
 ond dose brought away 28 feet more. Thus two  
 doses of Sherman's Worm Lozenges effected a cure;  
 and although but a few months have elapsed,  
 he is now as fat and hearty as he ever was in his  
 life. After years of misery, swallowing enormous  
 quantities of medicine, and spending hundreds of  
 dollars, he was cured by only one 25 cent box of  
 these celebrated Lozenges.

**Headache and Sickness.**  
 Palpitation of the heart, lowness of spirits, and  
 despondency, are immediately relieved by Sher-  
 man's Camphor Lozenges. Persons travelling or  
 attending crowded parties will find them to relieve  
 all fatigue and give buoyancy to the spirits. After  
 a night's dissipation they dispel all those un-  
 pleasant sensations so usually following the too  
 free liver. Temperance people will find them  
 soothing to the disturbed nerves of their new con-  
 verts. The most distressing headache yields to  
 these lozenges in less than ten minutes. The  
 over-fatigued mind or body cannot find so great  
 relief from any other article. Capt Chadwick, of  
 the Packet ship Wellington, J. W. Cochran, Esq.  
 the inventor of the many-chambered cannon, his  
 excellency John Tyler, Joseph B. Nones, Esq. and  
 hundreds and thousands of others, who have ex-  
 perience relief from them can be referred to as to  
 their great value.

**Sherman's Poor Man's Plaster.**  
 The best strengthening plaster in the world, and  
 a sovereign remedy for pains, or weakness in the  
 back, loins, sides, breast, neck, limbs, joints, rheu-  
 matism, lumbago, &c. &c.  
 Jos. W. Hoxie, Esq., who had been so afflicted  
 with rheumatism, as to be unable to dress himself  
 without assistance, was enabled after wearing one,  
 only one night, to get up alone in the morning, put  
 on his clothes, and call at our office with eyes beam-  
 ing with joy, and his tongue pouring forth the glad-  
 news of his heart, at the sudden and signal relief  
 he had received from the best of all remedies.  
 David Williams, of Elizabethtown, N. J. an old  
 Revolutionary Soldier, was so afflicted with Rheu-  
 matism, that he could scarcely himself—one of  
 these Plasters entirely cured him.  
 Mrs. George Nixon, one of the managers of the  
 Institution for Aged Indigent Females in the city  
 of New York, says the old ladies find great bene-  
 fit from these Plasters; they being very liable to pains  
 or weakness in the back, as well as other parts of  
 the body.  
 Mr. Geo. W. Spencer, Street Inspector, was  
 cured of the Piles by wearing one of these plasters  
 on the lower part of the spine.  
**Caution**—The great reputation these Plasters  
 have attained, has induced many unprincipled per-  
 sons to get up worthless imitations. Ask for Sher-  
 man's Poor Man's Plaster, and see that full direc-  
 tions for use, and a fac simile of his name, thus,  
**SHERMAN, M. D.**  
 is on the back of each. Trust none others, or you  
 will be deceived.

 just received, and for sale at the Republican Of-  
 fice, Stroudsburg, Monroe county, Pa.

**PETERS PILLS**  
 We have tried Doctor Jos. Priestley Peters' V-  
 getable Pills, and have no hesitation in pronounc-  
 ing them the best Antibilious Medicine that we  
 have ever used in our families. We are acquaint-  
 ed with several families in this city who give them  
 the preference to all other kinds, on account of  
 their mildness, and at the same time, certainty of  
 action.—*New-York Examiner.*  
 More than ten millions of boxes of these truly  
 valuable Antibilious Pills have been sold in the  
 United States, Canadas, West Indies, Mexico, and  
 Texas, since the first of January, eighteen hun-  
 dred and thirty-five.  
 Hundreds and thousands bless the day they were  
 induced by the persuasion of a friend, to try a Box  
 of Doctor Peters' Pills.  
 They are in use as a Family Medicine, and all  
 who have used them give them the preference to  
 all other kinds, on account of their being a safe,  
 pleasant, and easy aperient—being mild in their  
 action at the same time; though, in their operation,  
 producing neither sickness, griping, nor debility.  
*Doct. Jos. Priestley Peters,*  
 DEAR SIR—I have used your valuable  
 Pills these last four years, in cases of Dyspepsia,  
 Liver Complaint, and Sick Head-ache, and have  
 found them, in a majority of cases, the most valu-  
 able Pills I have ever used.

JOHN CASE, M. D.  
 For Sick or Nervous Head-ache, or Bilious Fe-  
 ver, I would recommend Peters' Pills in preference  
 to all other kinds.  
 R. H. ARMSTRONG, M. D.  
 The following from the EMINENT DOCTOR  
 EMMERSON, is considered sufficient  
 I have used in my practice, these last five years,  
 Doctor Jos. Priestley Peters' Vegetable Antibilious  
 Pills, and considered them the BEST FAMILY  
 MEDICINE I have ever used.

 ceived and for sale at the office of the REPUBLICAN,

 222 Broadway, corner of Ann St. New York  
 Commenced on the 17th February, the publica-  
 tion of a new weekly paper, entitled  
**MAGAZINE FOR THE MILLION:**  
 OR WEEKLY REVIEW OF CURRENT LITERATURE.

Each number of 24 pages octavo, in a neat cov-  
 er, contains at least one original Tale, Sketch, or  
 Essay, of decided merit; one original Poem; a let-  
 ter of gossiping New York Correspondence, for  
 town and country; spirited Editorials; and re-  
 views of all the current Literature of the day—a  
 novel and important feature.

**PRICE SIX CENTS.**  
 The Tales and other leading articles are gener-  
 ally from the pens of American authors of emi-  
 nent ability; the New-York Correspondence is of  
 a unique and very piquant description; the Re-  
 views of books are full, discriminating, and im-  
 partial; and the entire contents of the most popu-  
 lar character.

This Magazine is printed on new bourgeois and  
 minion type, on fine white paper, done up in hand-  
 some colored covers, and will compare favorably,  
 in matter and style, with any publication of the  
 kind in this country.

**Novel Plan of Publication.**  
**SPLENDID LITERARY PRESENTS.**  
 The popular feature of this Magazine is the  
 weekly distribution of the splendid Literary works  
 among its subscribers and purchasers upon the  
 following plan: Each copy of every issue is num-  
 bered—say from No. 1 up to No. 5,000 inclusive  
 —and from an equal number of tickets are drawn,  
 say ten, or as many as the number of present of-  
 fered, which will be given to the holders of the  
 corresponding numbers. Not less than ten Prizes  
 have been offered with every number, and among  
 these have been such works as Harpers' Illuminated  
 Bible, complete; Encyclopedia Americana in 13  
 vols; complete works of Sir Walter Scott, in ten  
 Prescott's Conquest of Mexico; Works of Shak-  
 spere, with 30 steel engravings; Farmer's Ency-  
 clopædia; Brant's do; Alison's History of Euro-  
 pe, &c. &c. Each of these works, and a host of others  
 of a similarly high character, have been thus dis-  
 tributed, in this fair and impartial manner, among  
 the subscribers and purchasers of this Magazine.

The certificate of any of our Agents or any  
 Postmaster will insure the prompt delivery of every  
 prize we offer.  
 As the publication of this Magazine is not  
 intended to be of any direct profit, after paying edi-  
 tors and contributors, we shall offer similar prizes  
 for every number, increasing their number and  
 value with the increase of its circulation.  
 Each number, after the first, will contain the  
 drawings of the past, and the announcement of the  
 future literary prizes; and we hope, by publishing  
 a periodical of sterling value and attraction, with  
 such a system of magnificent inducements, to give  
 a new impulse to the cause of literature.

Editors of papers, who copy this announce-  
 ment, or give its substance editorially, will be en-  
 titled to *numbered copies* in exchange.  
 Mail subscribers, at three dollars per annum, in  
 advance, will receive numbered copies throughout  
 the year, giving chances for fifty-two magnificent  
 Prizes. Two copies for \$5.  
 In all cases, we shall be accountable for the full  
 amount of advance subscriptions sent to us post  
 paid, or franked by any postmaster.

**WORMS! WORMS!!**  
 If parents knew the value and efficacy  
 of Dr. Leidy's Patent Vegetable Worm Tea,  
 they never would be without it in their families,  
 as children are subject at all times to Worms.  
 Dr. Leidy's Worm Tea is composed of veg-  
 etables altogether, and may be given to chil-  
 dren of all ages. Directions accompany each  
 paper or package.  
 Children suffer much, of times, from so many  
 things being given them for worms, without any  
 effect. Much medicine, given to children, has  
 a tendency to destroy their general health, and  
 they are more or less delicate ever after.  
 To avoid the necessity of giving medicine  
 unnecessarily when you are certain your chil-  
 dren have worms give them at first Dr. Leidy's  
 Worm Tea. It is all that is necessary.  
 Reference might be made to several hundred  
 parents in Philadelphia city and county, of the  
 efficacy of Dr. Leidy's Worm Tea. Try it and  
 you will be convinced.  
 Price 12 1-2 cents a small, and 25 cents a  
 large package. Prepared only, and for sale  
 wholesale and retail, at Dr. Leidy's Health  
 Emporium, No. 191 North Second street, be-  
 low Vine, (sign of the Golden Eagle and Ser-  
 pents,) Philadelphia.  
 Also, sold at Wm. Eastburn's store, Strouds-  
 burg. Jan. 4, 1843

**THE COLUMBIAN**  
*Lady's and Gentleman's Magazine.*  
 EDITED BY JOHN INMAN,  
 And filled with Contributions from the most em-  
 inent and accomplished writers of the country.

The motives which have led to the commence-  
 ment of this undertaking may be briefly stated.  
 It is believed by the proprietor that there is in the  
 United States an immense provision of literary  
 ability, for which as yet there is no adequate en-  
 couragement, or field of display; that besides the  
 numbers of clever and successful writers, whose  
 productions are weekly, and monthly, and annu-  
 ally read with delight by thousands, there are yet  
 greater numbers constantly arriving at maturity  
 of power, who have only to appear on the stage  
 of publication to receive a brilliant award of  
 fame; and that the powers of those whose names  
 are already pronounced with respect by lips of  
 wisest censure, are capable of more and still  
 higher exertion than has yet been called forth. It  
 is believed, too, that the demand for literary pro-  
 duction in this country, especially in the period-  
 ical channel, exceeds the supply in a very large  
 proportion, and that new supplies have only to be  
 presented of the right quality, and in the right  
 way, to ensure a hearty welcome and profitable  
 reception. No doubt is entertained of the Amer-  
 ican mind's ability to sustain itself—certainly on  
 its own ground, if not abroad—against all the  
 competition that the intellect of other lands can  
 bring to the encounter; and full assurance is felt  
 that among the millions of American readers there  
 can be, and is, a cordial welcome for all that  
 American writers can produce of excellent and  
 interesting.

From these premises it is undoubtedly inferred,  
 that there is abundant room for another Magazine,  
 notwithstanding the merit and success of those  
 already in being; that there can be no lack of  
 ability to fill its pages acceptably, within the reach  
 of capital and liberal enterprise; and that such a  
 periodical will not fail to be greeted as a welcome  
 visitor by thousands upon thousands, who as yet  
 have done little or nothing toward the support  
 and development of American periodical literature.

Another and strong motive has been the feeling  
 that New York, the first city of the Union, should  
 be the home of a periodical owning no superior in  
 either merit or success.  
 The Columbian Magazine will be published on  
 the first day of every month. Its mechanical ar-  
 rangements will comprise the best of paper, type,  
 and workmanship, that money can procure.  
 Its contributors will be sought for amongst the  
 ablest and most popular writers in the country;  
 and no efforts will be spared to secure the aid of  
 the most distinguished, such as  
 John L. Stephens, W. C. Bryant, J. F. Cooper,  
 J. K. Paulding, F. G. Halleck, N. P. Willis, W. H.  
 Herbert, Nathaniel Hawthorne, H. T. Tucker,  
 H. W. Longfellow, J. R. Chandler, C. F. Hoff-  
 man, T. C. Grattan, T. S. Arthur, J. C. Neal, H. F. Har-  
 rington, W. G. Simms, H. H. Weld, Epes Sargent,  
 John Neal, Theodore S. Fay, Park Benjamin, R. W.  
 Griswold, R. H. Dana, George P. Morris, Rufus  
 Dawes, Seba Smith, R. M. Bird, Mrs. Emma C. Em-  
 bury, Mrs. Mary Clavens, Mrs. Ann S. Stephens,  
 Mrs. Francis S. Osgood, Mrs. Seba Smith, Mrs. E.  
 F. Ellet, Mrs. H. E. Beecher, Stowe, Mrs. Volney E.  
 Howard, Mrs. Lydia H. Sigourney, Mrs. M. S. Leon,  
 Louisa Miss Ediza Leslie, Mrs. A. M. F. Annan, Miss  
 C. M. Sedgwick, Miss Hannah F. Gould.

With many of these, arrangements have already  
 been made, as well as with others whose rep-  
 utation is sure, though yet to be established in the  
 public regard. The proprietor entertains sanguine  
 hopes of accomplishing an object to which he  
 looks forward with pride—the secured co-opera-  
 tion of regular and occasional contributors, form-  
 ing a list unequalled in this country.

In each number there will be two or more En-  
 gravings, after such artists as Chapman, Ingham,  
 Inman, Osgood, &c., engraved in mezzotint, fine,  
 and stipple, by H. S. Sudd, W. L. Ormsby, &c.,  
 besides a plate of Fashions colored, and occasion-  
 ally other illustrations, so that every subscriber,  
 will receive, in the course of the year, at least  
 twenty-four elegant productions of the graphic  
 art, which could not be otherwise procured at  
 three or four times the annual cost of the whole  
 Magazine.

In each number there will also be two pages of  
 Music, original, or judiciously selected by a com-  
 petent professor of the art. Proper regard will  
 be paid to the current issues from the book press;  
 not so much, however, with a view to notice all  
 the volumes that may appear, as to the expression  
 of matured opinions concerning those which shall  
 be deemed worthy of the public attention and  
 confidence. The aim of the Editor will be, rather  
 to furnish judicious criticism, on which read-  
 ers and purchasers may rely for guidance, than to  
 present a mere laudatory chronicle of new publica-  
 tions.

 14 Fac Simile of Washington's hand-writing.

The Portraits were copied from the original  
 paintings. The plans, sketches, and other engrav-  
 ings, have been compiled from the best draw-  
 ings, as well English and French as American.  
 Special aid was derived from a series of Manu-  
 script drawings in the possession of Gen. La Fayette,  
 which are executed with scientific accuracy  
 and beauty.

The well known ability of the author, the abun-  
 dant means which he possessed, viz: more than  
 two hundred Folio volumes of Original manu-  
 scripts, purchased by Congress, ten years re-  
 searches in the public offices in London, Paris,  
 Washington, and all the States which formed the  
 confederacy during the Revolution, as well as the  
 access he has gained to valuable private papers in  
 different parts of the country—have brought into  
 his hands a mass of materials, original and impor-  
 tant in their character, which we trust will be  
 found to have contributed essential aid in enabling  
 him to execute with more accuracy and complete-  
 ness his main purpose, and thus to have compen-  
 sated in some degree for the time and labor they  
 have cost. Its publication has not only involved  
 extended and laborious research on the part of  
 the editor, but great pecuniary responsibilities on  
 the part of the publishers.

The price affixed to this work is less, when the  
 exertion is considered, than that of any other pub-  
 lication in Europe or America. The investment  
 and expenditures connected with this undertaking  
 are much greater than usually attended such pub-  
 lications, and it will be apparent that the pub-  
 lishers must rely on an extensive sale for their remun-  
 eration.

The engravings alone are thought by many to be  
 worth the cost of the whole work. To non-  
 subscribers the price will be enhanced.  
 Many testimonials of unqualified approbation  
 might be added, by gentlemen who have examined  
 the work, but the publishers conceive it to be un-  
 necessary. Letters have been received from many  
 distinguished persons concurring in the opinion  
 that the work is, in every respect, richly de-  
 serving of public patronage.

Among the many who have given the work the  
 aid of their subscription and influence, are the fol-  
 lowing gentlemen, viz: Hon. John Q. Adams,  
 Martin Van Buren, Jacob Burnett of Ohio, Josiah  
 Quincy, John Pickering, Francis Wayland, D. D.,  
 Rev. Moses Stewart, Robert G. Shaw, esq., Henry  
 Lee, esq., Right Rev. Bishop Brownell, Isaac C.  
 Bates, Horace Everett of Vt., S. Longfellow of  
 Maine, J. Sewell Jones of N. C., John Sergeant of  
 Pa., Levi Lincoln, S. Van Rensselaer of N. Y.,  
 Wm. L. Marey, W. Pope of Kentucky, L. W. Tazewell  
 of Va., Daniel Webster, Abbot Lawrence,  
 Joseph Story, Edward Everett, Charles Jackson,  
 Lemuel Shaw, Samuel T. Armstrong, W. B. Calhoun,  
 John C. Warren, M. D., James Jackson, M. D.,  
 Gov. John Davis, Chapman Johnson of Va.

 tions, and become responsible for five copies,

 scribers, two copies, and the same rate for more.  
 They will please let the publishers know how many  
 copies are subscribed for, and how they shall be  
 forwarded.

 the above six weeks and forward to Tappan &  
 Dennett one number of their paper, shall receive a  
 copy of the work for so doing.

 gentlemen, familiarly connected with the Literature  
 of Continental Europe, who will furnish Transla-  
 tions from the Literature of France, Germany, Italy,  
 Spain, Sweden and Denmark.  
 It has been found impossible by contemporaries  
 to compete with the gigantic strides of the Lady's  
 Book, and they have gradually given up the at-  
 tempt in despair.  
**GODEY'S LADY'S BOOK,** is emphatically a  
 Family Book, and can be read aloud to the fam-  
 ily circle. It is also an American Book, and the  
 writings of those Americans who defame, and at-  
 tempt to sully the feats of arms of our great her-  
 oes, are not admitted in the work. Constant  
 novelty, consistent with the character of the work,  
 will ever be the effort of the proprietor.
