NOTICE TO SAW-MILL OWNERS, Or those who are about to build or repair.

The undersigned respectfully informs the public that he is duly authorized to sell the Right of the Johnson Re-acting Water wheel, to the counties of Monroe and Pike, patented the 22d day of June, A. D. 1840.

The Johnson re-acting wheel is the best now in use to propel a saw mill; it excels any other wheel in the United States under a low water head;—under a head from 5 to 7 feet is sufficient to cut from 2 to 3000 feet in twelve hours of inch or any other boards with ease.

The wheels require, under a 7 foot head, 140 inches of water and so in proportion to any other head. Under a 7 foot head, the Saw will make from 200 to 250 strokes per minute. The advantage which these wheels have over any other wheels is, that it requires but four posts to make the floor or bulk head; the wheels are hung on the crank shaft. Two wheels are what is required for a Saw mill, and the posts planked inside the same as a pen stock.

I have built one of those mills this season, on the Roaring Brook, in Luzerne county, for Mr. S. P. Temple, under about a 7 foot head, which will cut from 3 to 4000 in twelve hours of inch boards;—therefore, I can recommend them as the best wheels now in operation. There are several more mills in that part, all under low heads, which answers the same purpose as that of Mr. Temple's. For further information, please call on the subscriber.

Another Premium of \$250.

For the best Line, Stipple or Mezzotint Engraving, from an Original Picture, or a combination of any two or three of the styles, of a subject to suit Godey's Magazine, and worthy to be published therein, the above premium is offered.

It is requested that a price may be put upon each engraving, so that the purchase of the best of the unsuccessful may be treated for with the artist. A decision will be made by competent judges on the first of October. Address

L. A. GODEY, Philadelphia. Extract from our Advertisement published in December last.

"Russell Smith has been engaged to furnish a series of pictures representing some of the most celebrated places in the United States, battle-grounds," &c. We have two of his designs in the hands of our engravers, and they would have appeared ere this, but the government works now in their hands occupy nearly all their time.

The offer of our premium no doubt will produce many good pictures, battle-grounds, celebrated places, &c.

It will be perceived that the idea of furnishing views of battle-grounds was first conceived by publisher "Godey." They will be engraved in Dick's best style, and given with other plates as rapidly as possible.

Our Engravings.

WORMS! WORMS!!

If parents knew the value and efficacy of Dr. Leidy's Patent Vegetable Worm Tea, they never would be without it in their families, as children are subject at all times to Worms.

Dr. Leidy's Worm Tea is composed of vegetables altogether, and may be given to children of all ages. Directions accompany each paper or package.

Children suffer much, of times, from so many things being given them for worms, without any effect. Much medicine, given to children, has a tendency to destroy their general health, and they are more or less delicate ever after.

To avoid the necessity of giving medicine unnecessarily when you are certain your children have worms give them at first Dr. Leidy's Worm Tea. It is all that is necessary.

Reference might be made to several hundred parents in Philadelphia city and county, of the efficacy of Dr. Leidy's Worm Tea. Try and you will be convinced.

Price 12 1/2 cents a small, and 25 cents a large package. Prepared only, and for sale wholesale and retail, at Dr. Leidy's Health Emporium, No. 191 North Second street, below Vine, (sign of the Golden Eagle and Serpents,) Philadelphia.

Also, sold at Wm. Eastburn's store, Stroudsburg, Jan. 4, 1844.
