SHERMAN'S LOZENGES.

MORE THAN SIX MILLION OF BOXES OF Dr. Sherman's Lozenges

HAVE BEEN SOLD in the United States, Mexico, West Indies, Great Britain and throughout the WORLD, in the Year 1843.

Hundreds and Thousands bless the day they were induced by the persuasion of a friend, to try Sherman's Lozenges.

CONFIRMED CONSUMPTION.

Onondaga, May 18, 1843. Dr Sherman: Dear Sir—As I most ardently desire to benefit my fellow men, especially those who are the unhappy victims of that dreadful disease, Consumption, I will relate, for their consideration, the astonishing effect of your Cough Lozenges.

I was attacked with a violent cough, which threatened my speedy death. Under the advice of two very excellent physicians, Drs Parkes and Rose, I was so far relieved as to be able to ride out, and once I attempted to preach. I rode 20 miles, to Cazenovia, to attend the session of our Conference, which continued about ten days.

Yours, &c DARIUS ANTHONY, Minister of the Gospel

Spitting of Blood,

NIGHT SWEATS AND PAIN IN THE SIDE.

Jonathan Haworth, Esq. the well known Temperance Lecturer, was attacked with a cold from sleeping in damp sheets, in the winter of 1841. He neglected it at first, but soon found it assuming a somewhat alarming aspect, and then resorted to the various remedies usually recommended for lung complaints.

From the Cincinnati Daily Times, of Jan. 4th 1844.

Coughs—The variability of the weather this winter has caused an unusual number of persons to be afflicted by colds and coughs—scarcely a family has escaped; and with many, carelessness in attending to a cough, has laid the foundation for consumption.

WORMS CAUSE DEATH.

Thousands upon thousands have gone down to graves from Marasmus, or a wasting away of the body, Epilepsy, Fits, St Vitus' Dance, Locked Jaw, Apoplexy, Mania, Dropsy in the Head, Palsy, Consumption, Pleurisy, Dysentery, Convulsions, and many other supposed apparent diseases; and many have suffered for years and years, and have been doctored for some imaginary complaint without the least relief; and others are still suffering, when all the trouble arises from worms, and worms alone, which are entirely overlooked, and when the proper treatment would have saved their lives, and restored them to health.

Evidence of the Wonderful Virtues of Sherman's WORM LOZENGES

Dr Ryan, Druggist, corner Bowery and Prince st. was applied to for advice, by a man who looked like a living skeleton; he said that in early life he had been remarkably hearty and robust, but for the last four years he had been gradually wasting away, till his coat would wrap twice around him.

his body; gnawing sensation at the stomach, slight chills and flashes of heat, drowsiness and dizziness, frightful dreams, and so miserable was he that he had rather die than live. Dr R. told him that he had worms, and he could cure him.

Headache and Sickness.

Faltpation of the heart, lowness of spirits, and despondency, are immediately relieved by Sherman's Camphor Lozenges. Persons travelling or attending crowded parties will find them to relieve all fatigue and give buoyancy to the spirits.

Sherman's Poor Man's Plaster.

The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, sides, breast, neck, limbs, joints, rheumatism, lumbago, &c, &c.

Mr. Geo. W. Spencer, Street Inspector, was cured of the Piles by wearing one of these plasters on the lower part of the spine.

PETERS PILLS

We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families.

More than ten millions of boxes of these truly valuable Antibilious Pills have been sold in the United States, Canada, West Indies, Mexico, and Texas, since the first of January, eighteen hundred and thirty-five.

Hundreds and thousands bless the day they were induced by the persuasion of a friend, to try a Box of Doctor Peters' Pills.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility.

DEAR SIR—I have used your valuable Pills these last four years, in cases of Dyspepsia, Liver Complaint, and Sick Head-ache, and have found them, in a majority of cases, the most valuable Pills I have ever used.

JOHN CASE, M. D. For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds.

R. H. ARMSTRONG, M. D. The following from the EMINENT DOCTOR EMMERSON, is considered sufficient

I have used in my practice, these last five years, Doctor Jos. Priestley Peters' Vegetable Antibilious Pills, and considered them the BEST FAMILY MEDICINE I have ever used.

A fresh supply of these valuable Pills just received and for sale at the office of the REPUBLICAN, Stroudsburg.

THE COLUMBIAN

Lady's and Gentleman's Magazine.

EDITED BY JOHN INMAN, And filled with Contributions from the most eminent and accomplished writers of the country.

The motives which have led to the commencement of this undertaking may be briefly stated. It is believed by the proprietor that there is in the United States an immense provision of literary ability, for which as yet there is no adequate encouragement, or field of display; that besides the numbers of clever and successful writers, whose productions are weekly, and monthly, and annually read with delight by thousands, there are yet greater numbers constantly arriving at maturity of power, who have only to appear on the stage of publication to receive a brilliant award of fame; and that the powers of those whose names are already pronounced with respect by lips of wisest censure, are capable of more and still higher exertion than has yet been called forth.

The Columbian Magazine will be published on the first day of every month. Its mechanical arrangements will comprise the best of paper, type, and workmanship, that money can procure. Its contributors will be sought for amongst the ablest and most popular writers in the country; and no efforts will be spared to secure the aid of the most distinguished, such as John L. Stephens, W. C. Bryant, J. F. Cooper, J. K. Paulding, F. G. Halleck, N. P. Willis, W. H. Herbert, Nathaniel Hawthorne, H. T. Tucker, M. H. W. Longfellow, J. R. Chandler, C. F. Hoffman, T. C. Grattan, T. S. Arthur, J. C. Neal, H. F. Harrington, W. G. Simms, H. H. Weld, E. Sargent, John Neal, Theodore S. Fay, Park Benjamin, R. W. Griswold, R. H. Dana, George P. Morris, Rufus Dawes, Seba Smith, R. M. Bird, Mrs. Emma C. Embury, Mrs. Mary Clavers, Mrs. Ann S. Stephens, Mrs. Francis S. Osgood, Mrs. Seba Smith, Mrs. E. F. Elliot, Mrs. H. E. Beecher, Stowe, Mrs. Volney E. Howard, Mrs. Lydia H. Sigourney, Mrs. M. S. Leon, Louisa M. Eliza Leslie, Mrs. A. M. F. Annan, Miss C. M. Sedgwick, Miss Hannah F. Gould.

With many of these, arrangements have already been made, as well as with others whose reputation is sure, though yet to be established in the public regard. The proprietor entertains sanguine hopes of accomplishing an object to which he looks forward with pride—the secured co-operation of regular and occasional contributors, forming a list unequalled in this country.

In each number there will be two or more Engravings, after such artists as Chapman, Ingham, Inman, Osgood, &c., engraved in mezzotint, fine, and stipple, by H. S. Sadd, W. L. Ormsby, &c., besides a plate of Fashions colored, and occasionally other illustrations, so that every subscriber will receive, in the course of the year, at least twenty-four elegant productions of the graphic art, which could not be otherwise procured at three or four times the annual cost of the whole Magazine.

In addition to the above, the publisher simply adds, for the benefit of all, that the work will be sustained by sufficient capital.

GREAT NATIONAL WORK.

TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON, BY JARED SPARKS.

Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz: 1 Portrait of Washington at 40, by Peale.

2 do Mrs Washington at 26, by Wollaston 3 View of Mount Vernon. 4 Battle of Braddock's defeat. 5 Head Quarters at Cambridge. 6 Plan of Boston and environs. 7 Head Quarters at Morristown. 8 Head Quarters at Newburg. 9 Plan of Farms at Mount Vernon. 10 Battle of Brandywine. 11 Portrait of Washington, by Stewart. 12 Encampment at Valley Forge. 13 Battle of Germantown. 14 Fac Simile of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost.

Its publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation, might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q. Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev. Moses Stewart, Robert G. Shaw, esq., Henry Lee, esq., Right Rev. Bishop Brownell, Isaac C. Bates, Horace Everett of Vt., S. Longfellow of Maine, J. Sewall Jones of N. C., John Sergeant of Pa., Levi Lincoln, S. Van Rensselaer of N. Y., Wm. L. Marcy, W. Pope of Kentucky, L. W. Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T. Armstrong, W. B. Caldwell, John C. Warren, M. D., James Jackson, M. D., Gov. John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing.

GODEY'S LADY'S BOOK, EDITED BY MRS. SARAH J. HALP.

Has now reached its twenty-eighth Volume, and is the oldest and leading Periodical in the United States. It has never changed Proprietors. It is a Magazine of

LITERATURE, FASHION, AND THE FINE ARTS. With the best list of contributors in the country, and the largest circulation. It contains Mezzotint and Line Engravings; Fancy Writing of Art and Utility; The Genuine Coloured Fashions; Portraits of Distinguished Characters; (by artists of the first class;) and Views of the most Celebrated Places in the United States.

In order to give additional variety, the Publisher has engaged the services of eminent literary gentlemen, familiarly connected with the Literature of Continental Europe, who will furnish Translations from the Literature of France, Germany, Italy, Spain, Sweden and Denmark.

It has been found impossible by contemporaries to compete with the gigantic strides of the Lady's Book, and they have gradually given up the attempt in despair.

GODEY'S LADY'S BOOK, is emphatically a FAMILY BOOK, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defame, and attempt to sully the feats of arms of our great heroes, are not admitted in the work. Constantly novel, consistent with the character of the work will ever be the effort of the proprietor.
