

In 1839, the Globe said—"Mr. Polk is wholly and totally an unfit man for the Vice Presidency of the United States. He possesses no single qualification which should entitle him to the consideration of the party for that High office."

And yet this same Globe is now supporting, for the Presidency, the man who is "unfit for the Vice Presidency." What a strange set these locos are! How very consistent!

The Canton Ohio Repository of the 4th ult., states that in two townships of that county, (Stark) one hundred and fifty Democrats, who are in favor of the Tariff, and against the Polk doctrine of immediate annexation, have "come out" from the Locofoco party, and pledged themselves to vote for Clay and Fremont.

Health of Vicksburg.

The Vicksburg Constitutionalist of the 13th instant says:—"We have much sickness in the city and county—congestive fever in adults, and the usual summer complaints of children, are very severe, and fatal in many cases. Death is with us—disease is agonizing our friends—distress is upon us—widows and orphans are daily added to our long list of the afflicted and sorrowing. Parents are snatched from their children—children are torn from their parents—we know not where the shaft is to strike."

A gang of thieves, seven in number, have been arrested in the vicinity of Wilkesbarre, Pa. and lodged in jail. They have committed several depredations, and some of the stolen property has been discovered.
