SHERMAN'S LOZENGES. MORE THAN SIX MILLION OF BOXES OF Dr. Sherman's Lozenges. HAVE BEEN SOLD in the United States, Mexico, West Indies, Great Britain and throughout the WORLD, in the Year 1843.

Onondaga, May 18, 1843. Dr Sherman: Dear Sir—As I most ardently desire to benefit my fellow men, especially those who are the unhappy victims of that dreadful disease, Consumption, I will relate, for their consideration, the astonishing effect of your Cough Lozenges. On the night of July 5, 1840, I was attacked with a violent cough, which threatened my speedy death.

Yours, &c. DARIUS ANTHONY, Minister of the Gospel.

Spitting of Blood, NIGHT SWEATS AND PAIN IN THE SIDE. Jonathan Haworth, Esq. the well known Temperance Lecturer, was attacked with a cold from sleeping in damp sheets, in the winter of 1841. He neglected it at first, but soon found it assuming a somewhat alarming aspect, and then resorted to the various remedies usually recommended for lung complaints.

WORMS CAUSE DEATH. Thousands upon thousands have gone down to graves from Marasmus, or a wasting away of the body, Epilepsy, Fits, St Vitus' Dance, Locked Jaw, Apoplexy, Mania, Dropsy in the Head, Palsy, Consumption, Pleurisy, Dysentery, Convulsions, and many other supposed apparent diseases; and many have suffered for years and years, and have been doctored for some imaginary complaint without the least relief; and others are still suffering, when all the trouble arises from worms, and worms alone, which are entirely overlooked, and when the proper treatment would have saved their lives, and restored them to health.

Persons of all ages and sexes, from the tender infant at the breast to old age, are all liable to be afflicted with worms. Many a person has suffered his whole life from them, and never suspected it. Different kinds of worms inhabit different parts of the body; but a long dissertation on their particular locality, origin, &c. is superfluous and unnecessary, so long as a proper, safe and certain remedy is at hand.

Evidence of the Wonderful Virtues of Sherman's WORM LOZENGES. Dr Ryan, Druggist, corner Bowery and Prince st. was applied to for advice, by a man who looked like a living skeleton: he said that in early life he had been remarkably hearty and robust, but for the last four years he had been gradually wasting away, till his coat would wrap twice around him.

He said that his appetite was so good that he could hardly eat enough; he suffered from palpitation of the heart, pain and occasional numbness of his limbs, and always felt fatigued; shooting pains in and a constant desire to pass something from his bowels, and darting pains in different parts of

his body; gnawing sensation at the stomach, slight chills and flashes of heat, drowsiness and dizziness, frightful dreams, and so miserable was he that he had rather die than live. Dr R. told him that he had worms, and he could cure him.

Headache and Sickness. Palpitation of the heart, lowness of spirits, and despondency, are immediately relieved by Sherman's Camphor Lozenges.

Sherman's Poor Man's Plaster. The best strengthening plaster in the world, and a sovereign remedy for pains, or weakness in the back, loins, sides, breast, neck, limbs, joints, rheumatism, lumbago, &c. &c.

Mr. Geo. W. Spencer, Street Inspector, was cured of the Piles by wearing one of these plasters on the lower part of the spine. A fresh supply of the above valuable medicines just received, and for sale at the Republican Office, Stroudsburg, Monroe county, Pa. March 21, 1844.--6m.

PETERS PILLS. We have tried Doctor Jos. Priestley Peters' Vegetable Pills, and have no hesitation in pronouncing them the best Antibilious Medicine that we have ever used in our families.

They are in use as a Family Medicine, and all who have used them give them the preference to all other kinds, on account of their being a safe, pleasant, and easy aperient—being mild in their action at the same time; though, in their operation, producing neither sickness, griping, nor debility.

JOHN CASE, M. D. For Sick or Nervous Head-ache, or Bilious Fever, I would recommend Peters' Pills in preference to all other kinds. R. H. ARMSTRONG, M. D. The following from the EMINENT DOCTOR EMMERSON, is considered sufficient.

BAR RON. DOUBLE AND SINGLE REFINED, Bar Iron, Car, Coach & Wagon Axle SAW SLABS, CROW BAR, SLEDGE AND PLOUGH MOULDS, Axle and Gun Barrel Iron, And a general assortment of WAGON TYRE & SQUARE IRON.

THE COLUMBIAN Lady's and Gentleman's Magazine. EDITED BY JOHN INMAN, And filled with Contributions from the most eminent and accomplished writers of the country.

The motives which have led to the commencement of this undertaking may be briefly stated. It is believed by the proprietor that there is in the United States an immense provision of literary ability, for which as yet there is no adequate encouragement, or field of display; that besides the numbers of clever and successful writers, whose productions are weekly, and monthly, and annually read with delight by thousands, there are yet greater numbers constantly arriving at maturity of power, who have only to appear on the stage of publication to receive a brilliant award of fame; and that the powers of those whose names are already pronounced with respect by lips of wisest censure, are capable of more and still higher exertion than has yet been called forth.

Another and strong motive has been the feeling that New York, the first city of the Union, should be the home of a periodical owning no superior in either merit or success.

The Columbian Magazine will be published on the first day of every month. Its mechanical arrangements will comprise the best of paper, type, and workmanship, that money can procure.

With many of these, arrangements have already been made, as well as with others whose reputation is sure, though yet to be established in the public regard. The proprietor entertains sanguine hopes of accomplishing an object to which he looks forward with pride—the secured co-operation of regular and occasional contributors, forming a list unequalled in this country.

In each number there will also be two or three pages of Music, original, or judiciously selected by a competent professor of the art. Proper regard will be paid to the current issues from the book press; not so much, however, with a view to notice all the volumes that may appear, as to the expression of matured opinions concerning those which shall be deemed worthy of the public attention and confidence.

TERMS. The Columbian Magazine, one year in advance, \$3 00. " " " " two " 5 00. Two copies one year, \$5 00.

GREAT NATIONAL WORK. TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON, BY JARED SPARKS. Each number to contain forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz: 1 Portrait of Washington at 40, by Peale.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q. Adams, Martin Van Buren, Jacob Burnet of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev. Moses Stewart, Robert G. Shaw, esq., Henry Lee, esq., Right Rev. Bishop Brownell, Isaac C. Bates, Horace Everett of Vt., S. Longfellow of Maine, J. Sewell Jones of N. C., John Sergeant of Pa., Levi Lincoln, S. Van Rensselaer of N. Y., Wm L. Marey, W. Pope of Kentucky, L. W. GODEY'S LADY'S BOOK, EDITED BY MRS. SARAH J. HALE. Has now reached its twenty-eighth Volume, and is the oldest and leading Periodical in the United States. It has never changed Proprietors. It is a Magazine of LITERATURE, FASHION, AND THE FINE ARTS.

In order to give additional variety, the Publisher has engaged the services of eminent literary gentlemen, familiarly connected with the Literature of Continental Europe, who will furnish Translations from the Literature of France, Germany, Italy, Spain, Sweden and Denmark.

It has been found impossible by contemporaries to compete with the gigantic strides of the Lady's Book, and they have gradually given up the attempt in despair.

GODEY'S LADY'S BOOK, is emphatically a FAMILY BOOK, and can be read aloud to the family circle. It is also an American Book, and the writings of those Americans who defame, and attempt to sully the feats of arms of our great heroes, are not admitted in the work. Constant novelty, consistent with the character of the work, will ever be the effort of the proprietor.
