

Monroe County Election Returns.

Table with 3 columns: Township, Clay, Polk. Lists election results for various townships including Stroud, Hamilton, Lower Smithfield, etc.

The neutral Ledger, and other Democratic papers, now that the election is over in this State, boldly avow their principles in favor of Free Trade. How will this suit the views of the laboring classes of manufacturers in our vicinity...

VERMONT.—The Legislature of this State adjourned on the 31st of October. The select committee on slavery and the Texas question, made a report, concluding with resolutions protesting against the extension of slavery...

St. Augustine, Florida, is by more than 40 years the oldest town in the United States. Houses in it are yet standing, which are said to have been built many years before Virginia was colonized.

They have some brave orators in hoosierdom; that fact there is no disputing, if we admit that the reporters translate them aright, and of course they "don't do any thing else," as the following specimen of lofty and burning eloquence will testify:—

"Americans! This is a great country—wide vast—and in the southwest, unlimited. Our Republic is yet destined to re-annex all South America—to occupy the Russian possessions, and again to recover possession of those British provinces, which the power of the old thirteen Colonies won from the French on the plains of Abraham! all rightfully ours to re-occupy. Ours is a great and growing country. Faneuil Hall was its cradle!—but what will be found timber enough for its coffin? Scoop all the water out of the Atlantic Ocean, and its bed would not afford a grave sufficient for its corpse. And yet America has scarcely grown out of the cradle of boyhood. Europe! what is Europe? She is no war; nothing; a circumstance, a cypher; a mere obsolete idea. We have faster steamboats, swifter locomotives, larger creeks, bigger plantations, better mill privileges; broader lakes, higher mountains, deeper cataracts, louder thunder, forked lightning, braver men, handsomer women and more money than England dar have!—(Thundering applause.) Who is afraid?"

GREAT NATIONAL WORK.

TAPPAN & DENNETT, No. 114 Washington street, Boston, propose to publish, by subscription, in fourteen monthly numbers, at the low price of twenty-five cents each number, the

LIFE OF WASHINGTON.

BY JARED SPARKS. Each number to contain between forty and fifty pages, and be embellished with the following fine Steel and Copperplate Engravings, viz: 1 Portrait of Washington at 40, by Peale. 2 do Mrs Washington at 26, by Wollaston. 3 View of Mount Vernon. 4 Battle of Braddock's defeat. 5 Head Quarters at Cambridge. 6 Plan of Boston and environs. 7 Head Quarters at Morristown. 8 Head Quarters at Newburg. 9 Plan of Farms at Mount Vernon. 10 Battle of Brandywine. 11 Portrait of Washington, by Stewart. 12 Encampment at Valley Forge. 13 Battle of Germantown. 14 Fac Simile of Washington's hand-writing.

The Portraits were copied from the original paintings. The plans, sketches, and other engravings, have been compiled from the best drawings, as well English and French as American. Special aid was derived from a series of Manuscript drawings in the possession of Gen. La Fayette, which are executed with scientific accuracy and beauty.

The well known ability of the author, the abundant means which he possessed, viz: more than two hundred Folio volumes of Original manuscripts, purchased by Congress, ten years researches in the public offices in London, Paris, Washington, and all the States which formed the confederacy during the Revolution, as well as the access he has gained to valuable private papers in different parts of the country—have brought into his hands a mass of materials, original and important in their character, which we trust will be found to have contributed essential aid in enabling him to execute with more accuracy and completeness his main purpose, and thus to have compensated in some degree for the time and labor they have cost. Its publication has not only involved extended and laborious research on the part of the editor, but great pecuniary responsibilities on the part of the publishers.

The price affixed to this work is less, when the exertion is considered, than that of any other publication in Europe or America. The investment and expenditures connected with this undertaking are much greater than usually attended such publications, and it will be apparent that the publishers must rely on an extensive sale for their remuneration.

The engravings alone are thought by many to be worth the cost of the whole work. To non-subscribers the price will be enhanced.

Many testimonials of unqualified approbation might be added, by gentlemen who have examined the work, but the publishers conceive it to be unnecessary. Letters have been received from many distinguished persons concurring in the opinion that the work is, in every respect, richly deserving of public patronage.

Among the many who have given the work the aid of their subscription and influence, are the following gentlemen, viz: Hons. John Q Adams, Martin Van Buren, Jacob Burnett of Ohio, Josiah Quincy, John Pickering, Francis Wayland, D. D., Rev Moses Stewart, Robert G Shaw, esq., Henry Lee, esq., Right Rev Bishop Brownell, Isaac C Bates, Horace Everett of Vt., S Longfellow of Maine, J Sewell Jones of N C., John Sergeant of Pa., Levi Lincoln, S Van Rensselaer of N Y., Wm L Marcy, W Pope of Kentucky, L W Tazewell of Va., Daniel Webster, Abbot Lawrence, Joseph Story, Edward Everett, Charles Jackson, Lemuel Shaw, Samuel T Armstrong, W B Calhoun, John C. Warren, M D, James Jackson, M D, Gov John Davis, Chapman Johnson of Va.

Active and trustworthy men can find employment in procuring subscribers for the above work.

Letters addressed to the Publishers post paid, with applications for agencies, orders, will meet with prompt attention.

Postmasters and others who obtain subscriptions, and become responsible for five copies, shall receive a sixth copy gratis, or for ten subscribers, two copies, and the same rate for more. They will please let the publishers know how many copies are subscribed for, and how they shall be forwarded.

Publishers of Newspapers who will insert the above six weeks and forward to Tappan & Dennett one number of their paper, shall receive a copy of the work for so doing.
