One of our cotemporaries puts the serious question to the public—what becomes of the umbrellas? What does become of them?—Everybody is constantly losing umbrellas—nobody ever finds one good for anything—they are not sold for old rags, nor, as far as we know, ever boiled down to ratan soup. Under these circumstances it is really an interesting inquiry, "What becomes of the umbrellas?"

"OH! MY HEAD," exclaimed a friend of ours the other day, "it will split." We advised him to try Sherman's Camphor Lozenges—he sent at once and got a box, and one lozenge gave him entire relief in ten minutes. We have often been surprised at the quickness of their operation. Palpitation, sea-sickness, lowness of spirits, and the "horror," so well known by those who dissipate, are as speedily cured by them. This is the age of doing things—Dr. Sherman gives us lozenges that are pleasant, and at the same time more effectual than any other medicine. His cough lozenges break up the worst cases of coughs in a few hours—even consumption, whooping-cough, and asthma, yield to them when nothing else ever alleviates. So great has become his reputation, that many have attempted to make medicated lozenges, but they cannot make them like Sherman's, therefore they cannot sell them except to the un-wary.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office.

The second trial on Monday a week for the election of Congressmen in the districts in which there was no choice at the November election, resulted as follows:

2d dis. Daniel P. King, Whig, elected.

4th dis. Benjamin Thompson, Whig, elected

5th dis. Charles Hudson, Whig, elected.

9th dis. no choice.

So far not a single Locofoco has been elected to Congress, and in the 9th district at the next trial, it is believed that the Whig will succeed. There are two Locofocos from that state in the present Congress, Messrs. Parmenter and Williams.

**SPARKING IS NAUGHTY.**—The Free Will Baptist General Association, lately holden in Plainfield, N. Y., resolved among other things, "That no enlightened Christian can innocently carry on a courtship by late sitting."

**IMPUDENT.**—It is said that some fellow down East is about making old Mr. Tyler a present of a beautifully worked cradle.

Near Nazerino, in Sicily, in 1516, was found a giant 30 feet high! His head was the size of a hog's head, and each of his teeth weighed 3 ounces. (Wonder if the dentists filled in with gold in his day?)

Near Palermo, in Sicily, in 1548, was found the skeleton of a giant 30 feet long, and another 23 feet high, 1550. (Query? How much did his tailor charge for his pants?)

Og, King of Bashan, had a bedstead 9 cubits long; which, according to Doctor Adam Clark, was 15 feet. How long did it take him to get asleep all over?

Goliath of Gath, was six cubits and a span—11 feet and 3 inches. When the spies went to explore the country of the Canaanites, they reported the children of Anak as giants, in whose presents they felt themselves to be but grasshoppers, and just put foot for home, for fear that they should all be devoured of the giants, for the spies had said that they eat up the inhabitants of the land.

#### LOOK HERE.

We have just received for sale, at the Jeffersonian Office, a supply of "Fenner's Oderiferous Compound for strengthening, softening and beautifying the Hair," also of "Fenner's Dentifrice for Preserving and Beautifying the Teeth, preventing Tooth Ache, &c." and also "Fenner's Pomade Divine," a preparation for curing chapped hands, bruises, &c. The articles are all of the first quality, and the high reputation which they have acquired in the cities, and wherever else they have been used, cannot fail to recommend them to the general notice and patronage of the people of this place and vicinity. A number of our citizens have already tried them, and pronounce them excellent. We invite all, who are in want of any such articles, to give us a call, and we are sure they will not go away unsatisfied.

#### Worms Kill Thousands.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes a voracious appetite, are among the symptoms of worms. Many are doctored for months for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. Dr. Ryan, corner of Prince street and the Boviery, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges; he is now as fat as an alderman. The Hon. B. B. Beardsley has saved the life of one of his children by them. The sale of over 2,000,000 of boxes has fully tested them. They are the only infallible worm destroying medicine known. What family will be without them?

Consumption, Coughs, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges.—They saved the Rev. Richard De Forrest, the Rev. Mr. Streeter, Jonathan Howarth, Esq., and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day, the Rev. Mr. Dunbar, the Rev. Mr. Hancock, Wm. H. Attree, Esq., of distressing coughs. They are the pleasantest cough medicine and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies. Those suffering from too free living will find a few of the lozenges to dispel the horrors and lowness of spirits. Mr. Krauth, of the Sunday Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast, or any part of the body. Mr. H. G. Daggers, 30 Ann street, Henry R. Goulding, 35 1/2 Chatham street, Moses J. Henriques, Esq., and a multitude of others have experienced the wonderful effects of these Plasters. Price only 12 1/2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them; by those who would trifle with your life for a shilling.

A fresh supply of these valuable medicines just received and for sale at the Republican office.
