CONFIRMED CONSUMPTION. Onondaga, May 18, 1843.

Dr Sherman: Dear Sir-As I most ardently desire to benefit my fellow men, especially those who are the unheppy victims of that dreadful disease, Consumption, I will relate, for their consideration, 4 50 to 8 00 the astonishing effect of your Cough Lozenges. On the night of July 5, 1840, I was attacked with a violent cough, which threatened my speedy death. Under the advice of two very excellent physicians, Drs Parkes and Rose, I was so far relieved as to prices to suit the times. Call and be able to ride out, and once I attempted to preach. I rode 20 miles, to Cazenovia, to attend the session of our Conference, which continued about ten days. I was able to attend the session every day for a few hours by contining myself the rest of my time to my bed. The Fathers in the Gospel told me I ought to arrange my wordly affairs and prepare for a speedy death, and consequently put me on the superanuated list. Very fortunately, and I may say providently, I heard of your Lozenges, and was prevailed upon to try them, and to my utter astonishment, after taking three one day, they allayed the violent attacks of coughing, and enabled me to sleep for hours together, which I could not do before. I continued to improveunder their use for several weeks, when I considered myself well, and able to resume my duties as a minister of the Gospel of our Saviour. How many will soon enter the gloomy vale of death, that might long be a blessing to the world and a comfort to Sherman's Poor Man's Plaster. their friends, if they could obtain your medicines! May Providence favor your efforts until every family in the civilized world can procure your medicine, which I consider the most valuable ever discovered by the medical faculty. In conclusion, may God bless you and prolong your life for usefulness to suffering humanity. Accept my inexpressible gratitude, for to you and your medicine, through Divine blessing, I owe my life

He returned in three days, and said he felt like a new being-that the first dose bro't away a tapeworm 70 or 80 feet long, and the sec. ond dose brought away 28 feet more. Thus two doses of Sherman's Worm Lozenges effected a cure; and although but a few months have elapsed. he is now as fat and hearty as he ever was in his life. After years of misery, swallowing enormous quantities of medicine, and spending hundreds of dollars, he was cured by only one 25 cent box of these celebrated Lozenges.

Headache and Sickness.

Palpitation of the heart, lowness of spirits, and despondency, are immediately relieved by Shermans Camphor Lozenges. Persons travelling or attending crowded parties will find them to relieve all fatigue and give buoyancy to the spirits. Af. ter a night's dissipation they dispel all those up. pleasant sensations so usually following the top free liver. Temperance people will find them soothing to the disturbed nerves of their new converts. The most distressing headache yields to these lozenges in less than ten minutes. The over-fatigued mind or body cannot find so great relief from any other article. Capt Chadwick, of the Packet ship Wellington, J W Cochran, Esq. the inventor of the many-chambered cannon, his excellency John Tyler, Joseph B Nones, Esq and hundreds and thousands of others, who have experienced relief from them can be referred to as to their great value

Coughs-The variableness of the weather this winter has caused an unusual number of persons to be afflicted by colds and coughs-scarcely a family has escaped; and with many, carelessness in attending to a cough, has laid the foundation for consumption. Our family has not escaped the general affliction, but owing to a remedy, used for the first time, they were speedily cured. Sherman's Cough Lozenges, which we were induced to try, proved what they are represented to be, and affected a cure in a few days of a troublesome cough, which appeared so deeply seated that seemed doubtful if it could be removed at all .--We have not written the above as a puff, but as facts which the community should know.
