

Humour and Politics.

The Editor of the Niles (Mich.) Courier, a Whig paper, thus humorously alludes to his losses on the recent election:

"The Locofocos round this town are getting quite dressy, while the Whigs look as poor as church mice. Well, we won't growl; but it grates confounded hard to rig a fellow out from head to foot, and then have him cut your acquaintance."

Another Murder.

Intelligence has been received that Mr. Francis Combs, son of General Leslie Combs, of Kentucky, was killed a few days since, at Point Coupee, Louisiana, by a person named O'Brien, who is in custody. It is said that there had been some previous dispute, and that when the parties happened to meet, Mr. Combs was shot down by his adversary.

Sale of the Main Line.

The Main Line of the Public Works of Pennsylvania will be offered for sale on Monday the 20th inst., in the Mercantile Exchange. The Commissioners appointed to take charge of this important work, have given enlarged publicity to the proposed sale; and we may suppose that if there is a disposition in capitalists to possess the public works of the State, it will be manifested on this occasion.

Amount of Salt in the Ocean.

From computations based upon the amount of tides, it is highly probable that the Atlantic and Pacific Oceans are, in their central parts, not less than nine or ten miles in depth. Were we to place the average depth of the Ocean at five miles, it would doubtless be a moderate estimate. In superficial extent it covers full three-fifths of the earth's surface. Assuming, then, five miles as the average depth of the Ocean, and (as Bakewell estimates) two and a half per cent. as the average amount of salt contained in it, were the waters entirely evaporated, the saline residue would form a stratum of salt more than five hundred feet in thickness, covering three-fifths of the surface of the globe. If then, this mass of salt were evenly spread over the entire amount of land on the earth's surface, it would cover it to the depth of 750 feet.

The pestilence, or whatever it is, continues to prevail among the fish on our coast. Within a few days wagon loads of dead fish, some of them of large kinds, have been washed ashore at the five mile Beach in Cape May.

Coal and Iron.

The whole amount of toll received on the article of coal transported on the several lines of improvement in this commonwealth, during the past fiscal year, was \$158,130. The toll received on iron, on the line for the same period, was 64,378. The increase in the quantity of coal shipped on the public works during the year, as compared with the preceding year, 156,000 tons; and of ironing the increase is nearly 68 millions of pounds.

A story is told of a Hibernian who offered his vote in a neighboring town, under circumstances which induced the Locofocos to believe he was a Whig. He had his ticket firmly encased in his brawny fist, when the Inspectors asked him his name.

"Barney Flaherty, yer honors, the world over, save in Kentucky, where they called me Barnabus O'Flaherty for shortness."

"I challenge his vote," said a Locofoco, as soon as he heard the word 'Kentucky.'

"You are challenged, Mr. Flaherty. Are you prepared to take the oath?"

"I'm challenged, am I? Then I'm the man for his mutton. Any weapon, from a double fist full of bones to a Donabrook shillelah. And as for the oath, I am ready to swear by St. Patrick or old Hickory that a better Democrat."

"Withdraw the challenge, Jim. He's for Polk."

"As for the matter of that, thin, I voted for old Hickory and"--

"I withdraw the challenge."

"And for Martin Van Buren"--

"Take his vote--take his vote."

"But may the ould boy take me, if I'm iver caught by Locofoco blarney agin," added Barney, as he saw his vote deposited--and marched off shouting for 'ould Kaintuck, who never turned the back of his hand to a friend nor the back of his coat to an enemy!"

The Whigs shouted, and the Locos hung their heads, as Barney Flaherty placed his thumb on his nose, and gave his premature endorsers the top o' the morning for their swate gintility.--Rochester Dem.

The Boston papers state that Paul Dillingham, (Loco) was re-elected to Congress from the 4th Congressional District of Vermont, on the 6th instant.

Marriage Extraordinary.

A few Sunday mornings since, as a large number of emigrants with their waggons, cattle, &c., were journeying through Mississippi on their way to Arkansas, and shortly after passing through a small town, it suddenly occurred to two of the party--a young man and a young woman--who had been for a while greatly troubled with the snares of Master Cupid, that they could go no further unless they were converted into one! A halt was therefore called, the difficulty made known, and a message despatched back for a 'Squire. In a short time the officer appeared, and in the presence of a large company, in the open road, he pronounced Wm. A. Moles and Nancy Plant man and wife.

After the "knot was tied," says the Yazoo Banner, the father of the bride invited all who voted for Clay to come forward and "salute" her; and all who voted for Polk to "take a buss at his old woman." The scene closed by a general distribution among the company of numerous slices of gingerbread, in lieu of the bride's cake, and the happy pair, accompanied by their friends, resumed their journey. May William find the climate of his new home congenial to his young and tender Plant.--N. O. Picayune.

"DELAY IS DANGEROUS."--If it is a truth that punctuality is the life of business, it is not less the case that delay is dangerous, and is oftentimes productive of ruin. But what is the destruction of business to the loss of health and life! How often does a cough, which at its appearance seems slight, and not worthy of notice, lead, by neglect, to the most fearful consequences! Thousands in this way have gone down to an untimely grave, when by the use of a little care their slight coughs might have been cured, and health perfectly restored. Dr. Sherman's Cough Lozenges will not only cure slight coughs--they have also been the means of raising up many from the verge of the grave, whose lives were despaired of by their friends. But few remedies have ever been discovered that are so effectual and so convenient to take. In fact, all the preparations made by Dr. Sherman are equally pleasant; and the person who is now suffering under sickness, and delays taking the proper remedies because of their unpleasantness, is inexcusable.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office.

Worms Kill Thousands.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes a voracious appetite, are among the symptoms of worms. Many are doctored for months for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. Dr. Ryan, corner of Prince street and the Bowery, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges; he is now as fat as an alderman. The Hon. B. B. Beardsley has saved the life of one of his children by them. The sale of over 2,000,000 of boxes has fully tested them. They are the only infallible worm destroying medicine known. What family will be without them!

Consumption, Coughs, Colds, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges. They saved the Rev. Richard De Forrest, the Rev. Mr. Streeter, Jonathan Howarth, Esq., and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day, the Rev. Mr. Dunbar, the Rev. Mr. Hancock, Wm. H. Attree, Esq., of distressing coughs. They are the pleasantest cough medicine and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies. Those suffering from too free living will find a few of the lozenges to dispel the horrors and leanness of the spirits. Mr. Krauth, of the Sunday Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast, or any part of the body. Mr. H. G. Daggars, 39 Ann street, Henry R. Goulding, 354 Chatham street, Moses J. Henriques, Esq., and a multitude of others have experienced the wonderful effects of these Plasters. Price only 12-1-2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them, by those who would trifle with your life for a shilling.

A fresh supply of these valuable medicines just received and for sale at the Republican office.
