

Treasurer, to meet both the Interest and the Appropriations. It is a very deplorable fact, that no man in office, in the Legislature, or in the State, is able to dissipate the cloud that is suspended over our financial relations; and furnish a correct statement of the money on which the State can rely, to pay the interest due public creditors. Why this mystery should characterize a Republican State, where every transaction of Government ought to be as open as the day, it is impossible to conjecture—but that it reflects no credit on our honesty, or ability, is but too apparent to be denied.

As the Legislature is now in session, may we not cherish the hope, that some system of Finance will be matured, that will not only obviate all obscurity in the public accounts, but compel a periodical publication of the receipts and expenditures, funds and appropriations, with every necessary information that will tend to enlighten the public creditors, or instruct the people in the real condition of the Commonwealth? Secrecy is not a trait of free government. It answers no good purpose, and may be used to aid the most iniquitous projects of gambling and speculating in public securities.

The Relief Notes call upon the Legislature for prompt and efficient action to abate the nuisance incident to the ragged and filthy condition of this depreciated currency—especially in reference to the over issues of the Reading Bank, made in good faith at the urgent solicitation of Governor Porter, and now in the hands of innocent parties. Altogether of an unconstitutional character, they appeal in irresistible terms to the Legislature, for some immediate provision to liquidate them. If now used to pay the interest on the public debt, they will again be used for the same purpose in February 1846, and thus, by periodical postponement, become fastened and instilled upon us till doomsday. If we must have a small paper currency, under five dollars, let the Banks be authorized to issue it, payable in specie, and thus rid the community of a spurious medium that is hourly making the public familiar with an abuse of power, whose moral influence is any thing but salutary and beneficial.

Stocks do not improve, and the rate of money continues above legal interest, which indicates a prosperous condition of trade, commerce, agriculture and manufactures.

The Popular Vote.

We annex a full and complete statement of the official popular vote in the several states at the late Presidential Election:

	Clay.	Polk.	Burney
Maine,	34,346	45,719	4,837
N. Hampshire,	17,866	27,160	4,161
Massachusetts,	67,009	53,039	10,830
Rhode Island,	7,322	4,857	5
Connecticut,	32,832	29,841	1,943
Vermont,	26,770	18,041	3,984
New York,	232,454	237,555	15,740
New Jersey,	38,318	37,494	131
Pennsylvania,	161,203	167,535	3,138
Delaware,	6,267	5,965	
Maryland,	35,984	32,676	
Virginia,	43,677	49,570	
Ohio,	155,057	149,115	8,050
Kentucky,	61,255	51,988	
North Carolina,	43,232	39,287	
South Carolina,	Chosen by the Legislature.		
Georgia,	42,106	44,155	
Alabama,	25,935	37,497	
Indiana,	67,867	70,181	2,106
Illinois,	45,101	57,067	3,570
Michigan,	24,237	27,703	3,632
Mississippi,	19,206	25,126	
Tennessee,	60,030	59,917	
Louisiana,	13,083	13,472	
Missouri,	31,251	41,369	
Arkansas,	5,504	9,546	
	1,297,912	1,336,196	62,127

Mr. Polk's majority over Mr. Clay, exclusive of South Carolina, is 38,284. If to this be added 20,000 as the majority for Mr. Polk in S. Carolina,—whose vote is not included in the above, the Legislature of that state choosing the Electors,—Mr. Polk's aggregate majority over Mr. Clay is 58,284.

The Abolition vote, as stated above, is 62,127, and exceeds Mr. Polk's majority over Mr. Clay by 3,843. Polk, it will thus be seen, has been elected President of the United States by a minority of the popular vote.

CORN.—We learn from the Frontier Whig, published at Van Buren, Ark., that the corn crops in the Cherokee and Choctaw Nations have fallen short, and that in consequence corn is commanding \$1 and 1 50 per bushel, and is scarce at that. The Government contract for supplying ten thousand bushels of corn to the garrison at Fort Towson was taken at 25 cents per bushel. The contractor will probably have to make his purchases in some of the other Western States, as corn is scarce in Arkansas, and commands 59 cents per bushel at Van Buren. The corn crop failed in Texas, and corn is selling at very high prices in that portion of Texas bordering on Red River.

Water Melons have made their appearance in New York, says the Tribune. From the South of course,

It won't do.—It won't do to imagine that a legislature, who feed at the public crib, will sit but six weeks, when two-thirds of the members have not capacity enough to earn a decent living at home.

JUDGE McLEAN RESIGNED.—The Hon. Judge McLean, of Ohio, has resigned his seat on the bench of the Supreme Court to take effect in February. It is expected that the Hon. Peter Hitchcock, of the reserve, will be his successor. If a Court of Chancery is established, Judge McLean will probably be the Chancellor.

FILTHY RAGS.—Small pox is raging in Hartford, communicated to the girls in a paper mill from the rags.

UP A LIVING SKELETON TO ALL APPEARANCE, applied to Dr. Ryan corner of Bowery and Prince street, for advice. After relating his symptoms, the Doctor told him he had worms, and he could cure him. The man shook his head, and said it was impossible. He gave him a box of Sherman's Worm Lozenges with directions how to take them. In three days he returned and said he felt like a new being—that the first dose bro't away a tape worm 70 or 80 feet long, and the second dose brought away about 28 feet more. Thus two doses of Sherman's Worm Lozenges effects a cure, where the combined skill of our best physicians could afford no relief. Although but a few months have elapsed, he is now as fat and hearty as he ever was in his life. After years of misery, swallowing enormous quantities of medicine, and spending hundreds of dollars without benefit, he was cured by only one box of Sherman's Worm Lozenges.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office.

Worms Kill Thousands.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes a voracious appetite, are among the symptoms of worms. Many are doctored for months for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. Dr. Ryan, corner of Prince street and the Bowery, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges: he is now as fat as an alderman. The Hon. B. B. Beardsley has saved the life of one of his children by them. The sale of over 2,000,000 of boxes has fully testified they are the only infallible worm destroying medicine known. What family will be without them!

Consumption, Coughs, Colds, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges.—They saved the Rev. Richard De Forrest, the Rev. Mr. Streeter, Jonathan Howarth, Esq., and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day, the Rev. Mr. Dunbar, the Rev. Mr. Hancock, Wm. H. Attree, Esq., of distressing coughs. They are the pleasantest cough medicine and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies: Those suffering from too free living will find a few of the lozenges to dispel the horrors and lowness of spirits. Mr. Krauth, of the Sunday Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast, or any part of the body. Mr. H. G. Dagers, 30 Ann street, Henry R. Goulding, 35 1/2 Chatham street, Moses J. Henriques, Esq., and a multitude of others have experienced the wonderful effects of these Plasters. Price only 13 1-2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them, by those who would trifle with your life for a shilling.

A fresh supply of these valuable medicines just received and for sale at the Republican office.
