

RATHER SIGNIFICANT.—Something very strange occurred in the town of Lebanon, Pa., which is said to be a fact. Here it is as stated in the Halifax Herald:—"On the day preceding the inauguration, the Treasurer of Lebanon county, was seen to make preparations for a journey to Harrisburg with \$10,000. On being asked when he was going to start, he said "to-morrow morning at 2 o'clock." Taken sick very suddenly in the night, he did not start till next morning. When about half a mile from Lebanon, he discovered a new made grave, 9 feet long, 6 feet deep, and wide in proportion. The grave was dug in a wood, close along the Harrisburg road." We think comment is unnecessary.

Foot Race.

An American and Englishman ran a foot race in their stocking feet, in the snow, at Ithaca, N. Y. a few days since, for ten dollars. They ran six miles in the hour and three quarters, the American winning by half a mile. The snow was a foot deep, the thermometer below zero, and wind blowing strongly from the Northwest. This is one of the most sporting events in the annals of the turf!

A BLESSING TO MOTHERS AND THEIR CHILDREN.—Such may SHERMAN'S WORM LOZENGES be truly called, for they have saved thousands of children from an untimely grave and caused the mother's heart to leap for joy, when she had given up all hope for the recovery of her offspring. And when it is remembered that worms destroy thousands of children annually, and the cause is never suspected; and when it is known that these Lozenges are a sure and certain specific, destroying them and invariably bringing them away, surely the heart of every parent will be filled with joy at the announcement of such a blessing. And not only are the Dr's preparations for worms good, but his COUGH LOZENGES have succeeded in removing and curing the most inveterate cases of Cough, and even Consumption, when hope had taken flight, and despair was pictured on the countenances of friends around. We are acquainted with numerous cases of wonderful cures performed, and would refer the inquirer to Dr. Sherman's pamphlet of cures. The CAMPHOR LOZENGES cure Headache in five minutes, and relieve all Palpitations, Nervous Complaints and Cramps; and the POOR MAN'S PLASTER is without doubt the very best strengthening plaster in the world. We would recommend all who are afflicted to try the Dr's preparations, knowing that they will not be disappointed in their expectations.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office.

Worms Kill Thousands.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes a voracious appetite, are among the symptoms of worms. Many are doctored for months for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. Dr. Ryan, corner of Prince street and the Bowery, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges: he is now as fat as an alderman. The Hon B. B. Beardsley has saved the life of one of his children by them. The sale of over 2,000,000 of boxes has fully tested them. They are the only infallible worm destroying medicine known. What family will be without them!

Consumption, Coughs, Colds, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges.—They saved the Rev. Richard De Forrest, the Rev. Mr. Streeter, Jonathan Howarth, Esq., and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day, the Rev. Mr. Dunbar, the Rev. Mr. Hancock, Wm. H. Attree, Esq., of distressing coughs. They are the pleasantest cough medicine and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies. Those suffering from too free living will find a few of the lozenges to dispel the horrors and lowness of spirits. Mr. Krauth, of the Sunday Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast, or any part of the body. M. G. Daggars, 30 Ann street, Henry R. Goulting, 334 Chatham street, Moses J. Henriques, Esq., and a multitude of others have experienced the wonderful effects of these Plasters. Price only 12 1-2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them, by those who would trifle with your life for a shilling.

A fresh supply of these valuable medicines just received and for sale at the Republican office.

It is unnecessary to set forth the reasons that have led to this design. They are many and will present themselves to every mind. But to the above the Editors have to add a word. It is known that the same enterprise has been two or three times before attempted by others; and that they failed as signally as they were weakly began. We care not to investigate the causes, but their failure has stood greatly in the way of the present undertaking. We can only give unqualified assurance that this Review WILL appear every month for one year at least, from January, 1845. Whether it shall continue longer, must depend upon the support of those who can see the importance of such a work. This support we earnestly request, believing that the work will be in all respects able and useful.

The Review will be published in the city of N. York, to be called "THE AMERICAN REVIEW—A Whig Journal of Politics, Literature, Art and Science."

Terms—Five Dollars a year—paid on receiving the first number.

Each number containing a hundred and twelve pages, printed in double columns, on fine paper, will consist of a leading political article, with literary miscellany in history, biography, criticism, fiction, poetry, statistics, science and the arts, from the ablest writers in the country. It will contain powerful articles from various writers, with two beautiful mezzotint engravings of Mr. Clay and Mr. Frelinghuysen, with sketches of their life and character. Every second or third number afterwards will also present a likeness and sketch of some distinguished American.

The conduct of the Review will be under the control of **George H. Colton**, associated however with other gentlemen of known standing and attainments.

To Committees, Societies, Clay Clubs, &c.—the following liberal terms are offered. Five copies for \$21. Thirteen copies for \$50. Or any person becoming responsible for four copies will receive a fifth gratis. AGENCIES are invited for distant places.

By law, remittances may be made free, through the Postmaster.

All communications to be addressed, post paid, to the Editor, **G. H. Colton**—Office 118 Nassau street, New York.

The articles are all of the first quality, and the high reputation which they have acquired in the cities, and wherever else they have been used, cannot fail to recommend them to the general notice and patronage of the people of this place and vicinity.
