

More Retractions.

The Rev. Mr. Scott, of N. Orleans, and Rev. Mr. Lyon, of Columbus, Mississippi, have publicly retracted the charges they made against the Hon. Henry Clay, during the late canvass, of having seen him play cards on the Sabbath. Better late than never.—*Balt. Clipper.*

We would only add, that such reverend scoundrels should not be permitted to preach a sermon outside the walls of a Penitentiary.

Seventy thousand dollars it is said will be about the cost of the China mission.

MURDERERS ABROAD.—Those ignorant pretenders who quit the anvil or the lap-stone, and go to curing all the diseases flesh is heir to, are murderers of the first degree. They get into notice by puffing, and gain a notoriety for curing diseases which they are ignorant of, and never in reality effected. How strange that an intelligent people will be humbugged out of their own lives, when there are experienced physicians and really valuable medicines to be had for less than is paid for empirical prescriptions. Dr. Sherman, one of our best educated and most experienced physicians, has prepared in a remarkable pleasant form, various medicines for the common diseases of the country. They can all be relied on as safe and effectual, and you are not required to purchase several dollars worth to try their virtues. No truly valuable medicine should, or can be eaten ad libitum. A few shillings worth at most is all you need of Dr. Sherman's Lozenges, and with it you can get his advice and the proper means of relief. Many go on, week after week, trying the multitude of advertised medicines, and get no relief.—They spend dollars and tens of dollars, and grow worse, till at last they go to 106 Nassau street, and for a trifle get what cures them in a short time. We know Dr. Sherman, and have tried many of his Lozenges, and speak advisedly when we recommend them.

A fresh supply of the above valuable medicines just received, and for sale at the Republican Office.

Worms Kill Thousands.

CHILDREN are most subject to them, but persons of all ages are liable to be afflicted with them. Bad breath, paleness about the lips, flushed cheeks, picking at the nose, wasting away, leanness, pain in the bowels, joints or limbs, disturbed sleep, frightful dreams, moaning and sometimes a voracious appetite, are among the symptoms of worms. Many are doctored for months for some other imaginary disease, when one box of Sherman's Worm Lozenges would effect a cure. Dr. Ryan, corner of Prince street and the Bowery, cured a man of worms that was reduced to a skeleton, and by only one box of Sherman's Lozenges; he is now as fat as an alderman. The Hon. B. B. Beardsley has saved the life of one of his children by them. The sale of over 2,000,000 of boxes has fully tested them. They are the only infallible worm destroying medicine known. What family will be without them?

Consumption, Coughs, Colds, Whooping Coughs, Asthma, and all affections of the lungs, will find a healing value in Sherman's Cough Lozenges.—They saved the Rev. Richard De Forrest, the Rev. Mr. Streeter, Jonathan Howarth, Esq., and that worthy old hero, Leonard Rogers, from the consumptive's grave. They cured in one day, the Rev. Mr. Dunbar, the Rev. Mr. Hancock, Wm. H. Attree, Esq., of distressing coughs. They are the pleasantest cough medicine and cure the soonest of any known remedy.

Headache, Sea-sickness and Palpitation, relieved in from five to ten minutes by Sherman's Camphor Lozenges. Persons attending crowded rooms or travelling will find them to impart buoyancy of spirits and renew their energies: Those suffering from too free living will find a few of the lozenges to dispel the horrors and lowness of spirits. Mr. Krauth, of the Sunday Mercury, has repeatedly cured himself of severe headache by them. Captain Chadwick, of the packet ship Wellington, has witnessed their efficacy in a great many cases of sea-sickness. They operate like a charm upon the agitated or shattered nerves, as Sherman's Poor Man's Plaster does upon rheumatism, lumbago, pain or weakness in the side, back, breast, or any part of the body. Mr. H. G. Daggars, 30 Ann street, Henry R. Goulding, 354 Chatham street, Moses J. Henriques, Esq., and a multitude of others have experienced the wonderful effects of these Plasters. Price only 12 1-2 cents. Caution is necessary to see that you get the genuine Sherman's Lozenges and Plasters, as there are many worthless articles attempted to be palmed off in place of them, by those who would trifle with your life for a shilling.

A fresh supply of these valuable medicines just received and for sale at the Republican office.

It is unnecessary to set forth the reasons that have led to this design. They are many and will present themselves to every mind. But to the above the Editors have to add a word. It is known that the same enterprise has been two or three times before attempted by others; and that they failed as signally as they were weakly began. We care not to investigate the causes, but their failure has stood greatly in the way of the present undertaking. We can only give unqualified assurance that this Review WILL appear every month for one year at least, from January, 1845. Whether it shall continue longer, must depend upon the support of those who can see the importance of such a work. This support we earnestly request, believing that the work will be in all respects able and useful.

The Review will be published in the city of N. York, to be called "THE AMERICAN REVIEW—A Whig Journal of Politics, Literature, Art and Science."

Terms—Five Dollars a year—paid on receiving the first number.

Each number containing a hundred and twelve pages, printed in double columns, on fine paper, will consist of a leading political article, with literary miscellany in history, biography, criticism, fiction, poetry, statistics, science and the arts, from the ablest writers in the country. It will contain powerful articles from various writers, with two beautiful mezzotint engravings of Mr. Clay and Mr. Frelinghuysen, with sketches of their life and character. Every second or third number afterwards will also present a likeness and sketch of some distinguished American.
