## FARMERS' LIBRARY.

Prospectus of the Farmer's Library, and Monthly Journal of Agriculture. JOHN S. SKINNER, Edi-FELLOW CITIZENS: - Encouraged by many tor. None can well have studied the true sources of my friends, I am induced to offer myself as of National welfare, without perceiving the natural and friendly connexion existing between Manufactures, Commerce and Agriculture. The policy which strikes at the prosperity of the Mannat the approaching fall election, and therefore facturing consumer, must damage the Agricultural producer, and neither can be injuriously affected Confectionary and Grocery Store. without detriment to the Merchant, at once consumer and carrier for both. As, however, the elements of manufacturing and commercial industry must be derived chiefly from the soil, is it not the obvious interest of all other classes that the one which gives to all their employment and subsist- He also keeps on hand FRUIT, embracing all ence, should be encouraged and benefitted with the delicacies of the season, and NUTS of all Caleb Cope & Co every advantage that science can confer and the kinds. His stock consists in part, of most enlightened industry make available! Yet it has not been until comparatively a late period in Europe, and still later in America, that the pub-Reward of Merit-Certificate of our he mind has been made properly sensible of the necessity of science to Agriculture, and so to respect Farming as essentially an intellectual and dignified pursuit-one which should imply for its WE, the understand, never saw or heard of followers high mental cultivation and various Sugar Coated Pills," until Dr. G. Benjamin attainments. Happily, however, educated young also added to the above stock, all the articles Smith manufactured and exhibited them to us men are now betaking themselves to Farming, as connected with a a business, which, like the learned professions, has its own principles and will have its literature; and truly it may be asked what subject has lately given rise to memoirs and works more profound and instructive, or been fruitful of more interesting results of scientific investigation, than Agri-Lest some few may be deceived by ignorant culture? Who, among modern Literati, enjoy more enviable distinction than Liebig and Johnprincipled dealers will countenance any imita- ston, and Boussingauit and Candolie! The taste for Agricultural Literature in our country, thanks to the able journals that encourage it, keeps pace Received this 17th day of June, 1844, from Dr. with its progress in Europe. The more fully to Benjamin Smith, the fee of \$30, payable on his meet the demand thus created, we have decided oplication for a patent for a Pill . Coated with to publish on the first day of July, and monthly thereafter, the Farmer's Library and Monthly Journal of Agriculture, to be edited by John S. Skinner, late Assistant Postmaster General and As these Pills are prepared by an educated founder of the first Agricultural periodical pub-

lished in this country. Far from being designed or in any way calculated to affect injuriously the circulation of existing journals of less price and wider circulation, they may supply the Farmer's table with lighter Health, 179 Greenwich street, New York, and and more agreeable refreshment, while in the Library he may may find more solid as it will be of the best and cheapest qualities always on more costly food.

Each number will consist of two distinct parts, with a call.

· I. The Farmers' Library, in which will be published continuously the best Standard Works on s necessary to be sure that Dr. G. Benjamin Agriculture, embracing those which, by their cost Snith's signature is on every box. Price 25 cents. or the language in which they are written, would otherwise seem beyond the reach of nearly all American Farmers. In this way we shall give for two or three dollars the choicest European beart of Pike county, will be exposed to sale, ten times as much in the original editions, not retreat. easily obtained at any price, and virtually out of the reach of men who live by following the plough. at 2 o'clock, P. M., on the property in Delaware In the Farmers' Library they will be accompanied ownship, a certain messuage and tract of land, by notes from the Editor, explaining what may be obscure to American readers, or calculated to mislead the beginning in Farming, owing to differences of Soil, Climate, &c. The works published in the Library will form a complete series, explor-Bounded on the north east by lands of Edward ing and exhibiting the whole field of Natural Chemistry, Geology, and Mechanics, have yielded and may vield to lighten the labors and swell the harvests of the intelligent husbandman. The work will be so arranged that the Farmer's Library may be bound up by itself, forming a mammoth volume of 600 pages at the end of each year; sale made known by John J. Linderman, Ad- or each work-contained therein may be bound se-

II The Monthly Journal of Agriculture will likewise contain about 50 pages per month, and will comprise, 1. Foreign: Selections from the higher class of British, Freach and German periodicals devoted to Agriculture, with extracts the Library, &c. dc. 2. American: Editorials, ally, that he has opened a communicated and selected accounts of experiments, improved processes, discoveries in Agriculture, new implements, &c. In this department alone will ours resemble any American work ever that no Political, Economic, or other controverted doctrine, will be inculcated through this magazine. Its price will be Five Dollars a year in advance,

for two royal octave volumes of 600 pages each. Each number of the Library will be illustrated expressly for this work, and on good paper-the vour him with their patronage. whole got up as such a work should be. If it does not prove the best as well as the amplest and most Stroudsburg, June 12, 1845 .-- 3m. comprehensive Agricultural work ever published in this country, the fault shall not rest with the publishers, and we are sure it will not fall short for want of industry or devotion in the Editor. The low and definite rate of postage chargeable on such a periodical after the 1st of July-say six to eight cents a number-will enable many to take it who would otherwise have been repelled by the heavy and capricious exactions of the Post Office. As Postmasters are permitted to frank money letters to publishers until that period, and as we wish to print only so many copies as may be wanted, we respectfully solicit orders from all who may incline to aid us, as early as will suit their

convenience. Address GREELEY & McELRATH, Tribune Office, Corner of Spruce street, opposite the City Hall.

New York, July 31, 1845. OF The first number will be published on the 1st day of July, and thence regularly on the first secular day of every month.

All persons having claims or demands against the estate of Hannah Starbird, late of Stroud township, Monroe county, deceased, are requested to make known the same to the subscriber without delay; and all persons indebted to the said estate are requested to make pay-F. STARBIRD,
