 ry best and most pleasant remedy known for the permanent cure of coughs, colds, headache, indigestion, and all derangements of the stomach and liver, impurities of the blood, piles, worms, all bilious complaints, and obstructions of all kinds.—Thousands upon thousands have experienced the truth of the above, and from their recommendations thousands more are making the successful experiment in all parts of the country where these Pills are so deservedly popular. The high and envied celebrity which these pre-eminent Medicines have acquired for their unrivaled efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing out only unnecessary, but unworthy of them.
