

Dreadful Disease.
The New Albany Democrat gives the following account of a disease now prevailing in that part of the State of Indiana. It is a fearful disease indeed:

"Henry Wilder, of Greenville, in the county, died on yesterday morning after an illness of only a few hours. Several have died of a disease the most fearful and appalling. Physicians have no knowledge of the disease, and stand horror stricken to witness their patients struck down in a moment, and hurried to the tomb in a few hours. History gives no account of so terrible and fatal a malady. In all cases persons attacked have died. Some twelve deaths have already occurred. The first symptoms are chilliness, severe vomiting, paroxysm, congestion of the brain, followed immediately by death.

Pig Lead.—The Mississippi Valley is likely to supply the world with pig lead. The whole amount to be brought to market this year will probably exceed seventy millions.

DR. G. BENJ. SMITH'S
PILLS—SUGAR COATED—ARE THE VERY
best and most pleasant remedy known for the permanent cure of coughs, colds, headache, indigestion, and all derangements of the stomach and liver, impurities of the blood, piles, worms, all bilious complaints, and obstructions of all kinds.—Thousands upon thousands have experienced the truth of the above, and from their recommendations thousands more are making the successful experiment in all parts of the country where these Pills are so deservedly popular. I am so confident of their entire efficacy in all the above cases, that I will bind myself to charge nothing if the pills do not perform a cure. One thing remember, the genuine "Improved Indian Vegetable Sugar Coated Pills," have G. BENJ. SMITH written on the bottom of each box. Office 179 Greenwich street, large brick block. Also sold by Rushton & Co. 110 Broadway and Guion, Bowery, corner Grand st.
